Lafayette Police Department (Colorado) would like to request access to your Flock ALPR Cameras and data for investigative purposes. Please allow access for our agency. Thanks, Det. Cmdr. Scott Emerson

---

Lafayette CO PD has requested access to Boulder CO PD Raven's Flock Safety camera footage. In order for Lafayette CO PD to view your footage, you must grant them access. To grant access, please follow these instructions:

1. Open the **Devices** tab in **Admin**
2. Click on the **Share** button on the upper right corner
3. In the Cameras to Share dropdown, select the network you would like to share
4. In the Share with dropdown, select Lafayette CO PD
5. Click **Save** and repeat for other agencies as desired

As the owner of your footage, you can revoke this access at any time. If you have questions or need further assistance, please reply to this message or email **support@flocksafety.com**. More information available in the **Flock Safety Help Center**.

Thank you and stay safe,
The Flock Safety Team
