External Sender Notice This email was sent by an external sender.

Good Evening,

It was great touching base with you last week so this project could get back on track. [redacted]

[redacted] have attached the CDOT permit applications instructions to this email. You will need to initiate the process and send documents to the Permitting Manager @Michael Franzen.

Lastly, I wanted to provide you with Flock Safety Points of contact:

Project Manager @Carmon Johnson
- Current open installation projects with cameras that still need to be installed
- Request a relocation
- Questions about maintenance dates (and we are still working on getting their remaining cameras installed)
- Questions about a camera not working prior to validation

Permitting Manager @Michael Franzen
- Questions about city, county or DOT permits

Customer Success Manager @Jaime Alfaro
- Questions about installed cameras; anything after the project has been completed
- Maintenance or issues after installation
- Billing/invoices
- Contract extensions/renewals
- Training

Territory Sales Manager @Will Nobles
- Requests and quote for additional cameras (after installation)
- Billing/invoices (prior to installation)
- Contract extensions/renewals
