Alexandra and all,

My name is Scout and I am Carmons manager.
I will be taking over your project while Carmon is out of office on leave.

I see you are still working on the Letter of Intent and Section 4.

Please let Michael or I know if you have any questions!

Good morning,

I wanted to connect you all with my teammates Ronda Caswell and Michael Grosso. My last day with Boulder PD will be Wednesday, June 5th.

I am hoping I will be able to assist with submitting the accessibility paperwork to pay our invoices before this date.

Ronda, Mike, and Sgt. Graff will work with you all once our new ALPR policy is in place to finish our relocation project.

Please let me know if there's anything you need from me leading up to this date.

Thank you!
Alex
