Subject: Don’t Forget to Register to Unlock Real-Time Intelligence + Situational Awareness

---

Don't forget to register for Flock Safety's Q3 Product Release Webinar on **Thursday, August 18th, at 3 PM ET / 12 PM PT**, where you will learn about our newest enhancements and features – register here. Speakers will include product experts and some of Flock Safety's executive leadership, including CEO Garrett Langley and Chief Product Officer Davis Lukens.

Save your spot to learn how you can leverage real-time intelligence to drive better outcomes with Flock Safety, regardless of your budget or headcount.

Hope to see you there!
