Good afternoon,

I met with Sgt. Heath today to talk through the parallel demos we'd like to do with Flock and Axon. Before we start that clock, we'd like to meet and see how the systems integrate and how it will function so we can think about how to train everyone for the demo period. Would someone from Axon or Flock be able to demo this integration and show us how it works?

Please reply and highlight the time(s) you're available and I will book an hour. If there are others at your respective companies who should join us please let me know.

Wed 4/13		2-3 PM MST	3-4 PM MST
Thur 4/14	1-2 PM MST	2-3 PM MST	3-4 PM MST

Thank you,
Jen
