Furthermore, I also wanted to include the Castle Rock info that I mentioned on the call:

- New data shows car thefts are up again in the Denver metro area (Denver 7 Article) - Click Here
- Castle Rock PD Flock Safety Results Summary - Attached
- 2021 C-MATT Executive Report (Further highlighting CRPD as the ONLY metro agency that decreased auto theft) - Attached

Let me know if you have any questions!

Thanks,
Andrew

> Dionne and DC Redfearn, thank you for the time earlier this afternoon. I wanted to send over the resources we mentioned on our call; please see below. Please let us know after you have talked to the Chief and decided about timing around the communications plan moving forward. We are always here to support.
