Dear Rochester Hills Planning Commission,

I am a Rochester Hills resident, and I would like to share a small concern regarding the alcohol sales permit request for Don Armando's Mexican Cuisine.

My main concern is the restaurant's proximity to nearby schools. As a local resident, I feel that allowing alcohol sales in this area may raise some concerns for families with young children.

I understand that this is a restaurant and respect their business, but I would appreciate it if the Planning Commission could carefully consider the location and its potential impact on the surrounding community.

Thank you for your time and consideration.

Best regards, Rochester Hills Resident
