Hi Jacob, I have talked to Flock and they are accepting of the change in the document. Last I heard they are waiting for TCU to also approve the change. Then they will get it signed and back to me. They said it would be in docusign for signatures, but I'll need to download it and get it back into the system with their signatures. Is all this ok?

Rick

Good afternoon,

Can you provide an update for this workflow?

Thank you,

JACOB MCGAHA
