GENERAL
ORDER
NUMBER
4.3.100

I. Purpose

This general order provides guidelines for the Department's Field Video and Audio Program (FVAP).

II. Policy

The FVAP is implemented to assist the criminal justice system with additional descriptive data of all recorded incidents and to be used as a training aid for Department personnel. To ensure the efficient and effective use of in-car video equipment and body-wearable devices, uniform policy and procedural guidelines shall be followed. The *Field Video and Audio Program Manual* (DPS 932-02062) shall provide the guidelines and procedures in order to maximize the use of the in-car video recording system and body-wearable recording devices.

III. Field Video and Audio Program

All employees involved in the FVAP shall adhere to the guidelines and procedures contained in the *Field Video and Audio Program Manual*.
