Hi guys,

Looking forward to Monday's call. Cory and I wanted to go ahead and share a [draft](#) of the white paper section we're working on. We're still filling in the outline of the final results, but wanted to go ahead and get this to you if you have a chance to review before our call.

Best,

Adam

Ok. We'll send out an invite for Mondays at 10am CST / 11am EST, understanding it sounds like Richard may not be able to make this upcoming one.

Sounds that a great plan. On Monday, Dec 4 I already have a meeting scheduled for 930am, but can meet anytime after 1030am that day or on Tuesday at 10am.

Hi Professors,

Would you be available for quick weekly check ins starting after Thanksgiving week? I won't be on them as I'll be out on leave, but I thought it would be a good way to keep things moving along.

Looks like either Mondays or Tuesdays at 10am CST / 11am EST would work for Adam and Cory.

Andrea
