The information I was provided from legal was I needed to get the signatures from Flock and then I need to re-upload the document in their system for final review. Then it would be forwarded to Dr. Mirmiran for his signature. Is this a possibility?

Thank you Andrea.

Dr. Helpers, if you want to provide me with your Provost name, title and email, I can include in the DocuSign. I will include a CC: for you and Dr. Nhan. Or is there someone in your sponsored project office I should be working with to review the agreement prior to the Provost signature?

Please advise.

Thank you,
Kristi

Hi Kristi,

That would be a great. Here is a version that includes Flock's signatory info and leaves space for you to fill in yours. I also added the address for UT Tyler. I don't have the contact information for the signatory on UT Tyler's side (the provost) - he told Prof Helfers to forward it along to him for signature. Please send to mark.smith@flocksafety.com for signature on Flock's side.

Thank you,

Andrea

Hi Andrea,

I am so sorry for the delay. I was out for an illness and then a conference. I will add in the address and signature names and title and send through DocuSign for our signature and the two researchers. I can add a name for your signature or I can just send a pdf with our signatures.

Thank you for your patience,
Kristi

Hi Andrea,

I apologize for the delay. I'm cc'ing my contact at TCU sponsored research for the contract signatures. Kristi, I think you can send the signed contract directly to Andrea.

Thank you,

Johnny

Hey Johnny,

Could you tell me the address to drop into this agreement for TCU? And are we good to send this through docusign for signature? Who will the signatory be on your side?

Thanks,

Andrea

Hey all,

We are accepting a request from UT Tyler to change the jurisdiction governing the MOU from Georgia to Texas - please see attached for this update. Richard, as far as I can see that was the one amendment request from your side, so I think once we get the OK from Johnny's side I can set this up in DocuSign to have all the parties sign it.

Hi all,

Have you been able to review the potential case study participants?

Any progress on the MOU?

Hi Professors,

I've uploaded the list of potential case study agencies who have agreed to participate with their contact info onto Box. Let me know if you can access the sheet.
