Dear David:

Thank you for writing to the Village of Wilmette with your request for information pursuant to the Illinois Freedom of Information Act ("Act"), 5 ILCS 140/1 et seq.

On March 12, 2024, the Village received your request for the following:

"All agency emails (including any attachments) that contain a Flock Safety email address @flocksafety.com sent or received, including CC & BCC fields, between 12/1/2023 and the date this request is processed (inclusive of those dates)."

Under the Act, the Village may extend the time to respond to a Request by up to five (5) business days (5 ILCS 140/3(e)). This letter is to advise you that there has been a delay in fulfilling your request for the following reason(s):

- The requested records are stored in whole or in part at other locations than the office having charge of the requested records.
- The request requires the collection of a substantial number of specified records.
- The request is couched in categorical terms and requires an extensive search for the records responsive to it.
- The requested records have not been located in the course of routine search and additional efforts are being made to locate them.
- The requested records require examination and evaluation by personnel having necessary competence and discretion to determine if they are exempt from disclosure under Section 140/3

(g), Section 140/7 or Section 140/7.5 of the Act or should be revealed only with appropriate redactions.

- () The request for records cannot be compiled by the public body within the time limits prescribed by Paragraph 140/3(d) of the Act.
- () The request for records cannot be complied with in that it is believed to be unduly burdensome or interfering with the operations of the public body without consideration of an attempt to reduce the request in a way that is manageable-Section 140/7 (g) of the Act.
- () There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of the public body having a substantial interest in the determination or in the subject matter of the request.
- () The information requested may result in an unwarranted invasion of personal privacy (5 ILCS 140/7(1)(c)) or the information may fall into the exemption for preliminary policy drafts (5 ILCS 140/7(1)(f)). The Village has requested an opinion from the PAC asserting either of the exemptions and awaits the opinion from the PAC.

The records that you have requested will be made available to you or denied to you by March 26, 2024.

Sincerely,

A handwritten signature in blue ink that reads "Karen Norwood".
