Subject: Flock Hits
Date: Saturday, March 16, 2024 9:53:55 AM

Going forward, anytime we solve a case as a result of using Flock, we need to document it in Fock. Please get with Pike, Avila or Palacios and they can show you how. In addition, make sure everyone has the Raven shot detection activated. When we get shot detection hits, we need to notify radio of the hit and the location. We need to respond to that area to investigate. Lastly, all shot detections will be listed in the passons.
