Lieutenant Cook,

**Don't miss out on our offer to save 20%** on new installations of our LPR and Video bundles. Choose between our solar-powered bundle for flexible locations or our AC-powered bundle for intersections.

## Why Bundle LPR + Video?

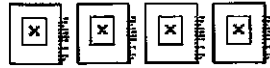

- **Unified Solution:** Combine video and LPR on the same installation, all managed by Flock.
- **Better Crime Reduction:** Use layered evidence for quicker resolutions.
- **Hassle-Free Installation:** We manage everything, from permitting to maintenance, ensuring minimal disruption.

LPR and video work better together, capturing vehicle details, finding plates, generating alerts, and supporting safe apprehension.

## Our Bundles:

- **Solar-Powered LPR + Video Bundle:** Perfect for areas without infrastructure, providing flexibility in placement.
- **AC-Powered LPR + Video Bundle:** Ideal for intersections, natural bottlenecks for vehicle monitoring. Collect data from multiple directions and track suspect movements.

Enhance your crime-solving capabilities now.
