2.2 Embedded Software License. Subject to all terms of this Agreement, Flock grants Customer a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as installed on the Hardware by Flock; in each case, solely as necessary for Customer to use the Services.

2.3 Documentation License. Subject to the terms of this Agreement, Flock hereby grants to Customer a non-exclusive, non-transferable right and license to use the Documentation during the Service Term for Customer's internal purposes in connection with its use of the Services as contemplated herein.

Customer will not, and will not knowingly permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP, or attempt to do any of the foregoing, and Customer acknowledges that nothing in this Agreement will be construed to grant Customer any right to obtain or use such source code; (iii) modify, alter, tamper with or repair any of the Flock IP, or create any derivative product from any of the foregoing, or attempt to do any of the foregoing, except with the prior written consent of Flock; (vi) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Application IP; (vii) use the Services for timesharing or service bureau purposes or otherwise for the benefit of a third party; or (viii) assign, sublicense, sell, resell, lease, rent or otherwise transfer or convey, or pledge as security or otherwise encumber, Customer's rights under Sections 2.2, or 2.3.

As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Customer acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Customer further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion.

2.6 Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Customer's and any Authorized End User's access to any portion or all of the Flock IP if (i) Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP; (b) Customer's or any Authorized End User's use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Customer or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Flock's provision of the Services to Customer or any Authorized End User is prohibited by applicable law; or (e) any vendor of Flock has suspended or terminated Flock's access to or use of any third party services or products required to enable Customer to access the Flock IP (each such suspension, in accordance with this Section 2.6, a "**Service Suspension**"). Flock will make commercially reasonable efforts, circumstances permitting, to provide written notice of any Service Suspension to Customer (including notices sent to Flock's registered email address) and to provide updates regarding resumption of access to the Flock IP following any Service Suspension. Flock will use commercially reasonable efforts to resume providing access to the

Application Service as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits) or any other consequences that Customer or any Authorized End User may incur as a result of a Service Suspension.

2.7 Installation Services.

2.7.1 Designated Locations. Prior to performing the physical installation of the Units, Flock shall advise Customer on the location and positioning of the Units for optimal license plate image capture, as conditions and location allow. While Flock will provide advice regarding the location of positioning of such Units, Customer will have the ultimate decision regarding the location, position and angle of the Units (each Unit location so designated by Customer, a “**Designated Location**”). Due to the fact that Customer selects the Designated Location, Flock shall have no liability to Customer resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations for any Designated Locations not consistent with Flock’s advice. After an installation plan with Designated Locations and equipment has been agreed upon by both Flock and the Customer, any subsequent changes to the installation plan driven by a Customer’s request will incur a \$250 charge in addition to any equipment charges. These changes include but are not limited to camera re-positioning, adjusting of camera mounting, re-angling, changes to heights of poles.

It is understood that the Installation Fees do not include any permits or associated costs, any federal, state or local taxes including property, license, privilege, sales, use, excise, gross receipts or other similar taxes which may now or hereafter become applicable to, measured by or imposed upon or with respect to the installation of the Hardware, its use, or any other services performed in connection therewith and that Customer shall be solely responsible for the foregoing. Customer represents and warrants that it has all necessary right title and authority and hereby authorizes Flock to install the Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation.

2.7.3 Flock’s Installation Obligations. The Hardware shall be installed in a workmanlike manner in accordance with Flock’s standard installation procedures, and the installation will be completed within a reasonable time from the time the Designated Locations are selected by Customer. Following the initial installation of the Hardware, Flock’s obligation to perform installation work shall cease; however, Flock will continue to monitor the performance of the Units. Customer understands and agrees that the Services will not function without the Hardware.

2.7.4 Security Interest. The Hardware shall remain the personal property of Flock and will be removed upon the termination or expiration of this Agreement. Should Customer default in any payment for the Services or any part thereof, then Customer authorizes and empowers Flock to remove the Hardware or any part thereof. 2.8 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock’s price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos. Data retention is managed by Flock, which is currently (30) days, and can be extended with agreement of the Los Angeles County Sheriff's Department and Flock. All data which is to be deleted will meet current security standards of data destruction. Data access and oversight will be managed by the Los Angeles County Sheriff's Department per their current ALPR policies.
