Goodmorning Captain White and Andrea,

My name is Sgt. Ramesh Shangaran, and I work for SFPD with Lt. Kirk Yin. We wanted to thank you again and your team for providing valuable information regarding Axon Records. We shared our interview findings with our Chief, and he was very impressed regarding our plan to pivot to Axon.

On a slightly different topic, our department is now planning on piloting Axon DraftOne.

Do you have any materials that you can share such as departmental policies and training materials? Similarly, do you have any documentation or suggestions from your District Attorney on how best to move forward with DraftOne-generated arrests? We're just beginning our test phase and would appreciate any insight you can share.

Thank you for your assistance.
