Officer Acknowledgement

Officers are required to sign off on their reports that have leveraged Draft One. You can use our default acknowledgement or create your own custom acknowledgement

- ⦿ Default acknowledgement
  "I acknowledge this report was generated using Draft One by Axon. I further acknowledge that I have reviewed the report in detail, made any necessary edits, and believe it to be an accurate representation of my recollection of the reported events. If needed, I am willing to testify to the accuracy of this report."

- ○ Custom acknowledgement

Intentionally Insert Obvious Errors for Removal

This setting inserts obvious errors throughout a draft that is generated by Draft One. Until these errors are removed, users can't submit the report or copy the draft narrative to their clipboard. This safeguard ensures that users thoroughly review the draft before using it.

Block Incident Types

This setting blocks users from generating a draft with Draft One for certain incident types and charge levels.

Incident Type

☐ Domestic Dispute	☐ Drug Related	☐ Fraud and Financial
☑ Impaired Driving	☐ Informational Report	☐ Missing Person
☐ Property Crime	☐ Public Disorder	☑ Sexual Offense
☐ Traffic Incident	☐ Violent Crime	☐ Warrants

Charge Level

☐ No Charge	☐ Infraction	☐ Misdemeanor
☑ Felony		

Arrest Made

☐ Block the generation of a draft if an arrest was made

User Settings

Allow draft generation from all accessible evidence

Lets users generate drafts from any evidence files they have permission to access. If this setting is disabled, users can only generate drafts from their own evidence files.

Narration as input for Draft One

This settings allows an officer to use their voice to narrate additional information that will be included in the draft.

Allow drafts to be generated based solely on Audio Narration?

◉ Yes   ○ No. At least one piece of evidence must be selected to run Draft One.

Formatting

LANGUAGE *

English (US) ▾

Draft Header

Customizable header to be added to the beginning of every draft.

Axon Draft One AI-Powered Narrative Assistant Used

Draft Footer

Customizable footer to be added to the end of every draft.

Generate third-person drafts

By default, drafts are generated using first-person perspective (I did this...). When this setting is enabled, drafts are instead generated using third-person perspective (Officer Smith did this...).
