**TASER International,
Inc.'s Sales Terms and
Conditions
Distributors & Resellers
(Effective May 11, 2009)**

These Sales Terms and Conditions apply to all TASER International, Inc ("TASER") products purchased directly from TASER by distributors and resellers. Goods sold by TASER are expressly subject to and conditioned upon the terms and conditions set forth below. Any different or additional terms set forth by Buyer, whether in Buyer's purchase order or another communication, are expressly objected to and will not be binding on TASER unless agreed to in writing by an authorized officer of TASER.

All Sales Are Final. All sales are final and no refunds are allowed. Neither you nor your customers may return Products to TASER.

Pricing and Purchase Orders. Products and services will be invoiced at prices in effect as of date of shipment (invoice date). Prices are not necessarily valid for other current and future sales and are subject to change without prior notice. Any and all invoice errors must be disputed within 15 days of invoice date and are subject to correction by TASER. Prices exclude any present or future federal, state, provincial, local, or other governmental taxes, duties, and tariffs applicable to the sale, transportation, or use of products purchased, all of which taxes, duties, and tariffs must be paid by Buyer. International sales are subject to applicable transportation and import duties, licenses, and fees, or as agreed to by the purchase order. All prices are FOB shipping point.

Payment Terms. Payment terms are within TASER's sole discretion. Payment terms are net 30 days for approved credit. Past due accounts will be subject to the maximum legal rate of interest or 15% per month, whichever is less. If a delinquent account is sent to collections, Buyer is responsible for all collection and attorney fees. All payments must be made in U.S. dollars in advance of shipment unless prior credit arrangements have been agreed to with TASER. If a Buyer's account becomes past due or if Buyer is over the approved credit limit, TASER may refuse shipments until the account is paid in full. Buyer is responsible for all applicable sales taxes, VAT taxes, customs duties, import fees, and

any applicable use, excise or similar taxes, all of which must be impounded and paid by Buyer. TASER's FIN # is 86-0741227.

For sales to International Buyers only, pre-payment by wire transfer is acceptable if marked for credit of "TASER International" and sent to JP Morgan Bank in Phoenix, Arizona, account number 634912729, ABA number 122100024, SWIFT Code CHASUS33***. For all letters of credit add a 5% processing fee to all prices.

Change in Buyer's financial condition. TASER reserves the right to cancel an order or require full or partial payment if (1) solvency of Buyer is in question, (2) Buyer files for bankruptcy, (3) there is an appointment of trustee or receiver for Buyer, (4) execution of Buyer by creditors, (5) Buyer's account becomes past due, or (6) Buyer is over the approved credit limit. TASER also reserves the right to cancel Buyer's credit at any time.

Delivery, title and risk of loss. All orders are shipped FOB shipping point or FOB/E X W (for International customers) via common carrier unless otherwise specified. Title and risk of loss pass to the Buyer upon delivery to the common carrier by TASER. Buyer is responsible for providing, upon request by TASER and prior to shipment, proof of insurance for goods in transit. On-time shipment is dependent upon Buyer promptly supplying all necessary documentation. TASER reserves the right to make partial shipments unless specifically stated otherwise on Buyer's purchase order. Freight charges will be invoiced to and paid for by Buyer as a separate line item. Buyer must promptly file claims for damaged items with the freight carrier. Products may ship from multiple locations. Delivery is typically 4-6 weeks after receipt of order or payment.

Excusable delays. TASER will use commercially reasonable efforts to deliver all products ordered by Buyer as soon as reasonably practicable. In the event of interruption of any delivery due to causes beyond the reasonable control of TASER, including but not limited to force majeure, fire, labor disturbances, riots, accidents, or inability to obtain necessary materials or components, TASER has the right, in its sole discretion and upon oral or written notice to Buyer, to delay or terminate the delivery.

Export Restrictions. Buyer agrees to comply with all applicable contracts with TASER, export laws, assurances, codes and license requirements, and controls of the United States and other applicable jurisdictions in connection with the use and resale of TASER products including Buyer's acceptance of responsibility for the payment of any relevant taxes or duties. Shipping TASER Products out of the United States is restricted by U.S. federal law and neither the TASER product nor its technology can be exported out of the U.S. without a validated export license issued by the U.S. Department of Commerce and a signed BIS-711 on file with TASER. Distribution or resale of TASER products is authorized only within the country of ultimate destination listed on the export license. No reexport is permitted without prior U.S. Government authorization.

Regulations and Restrictions. Certain countries, states, provinces, municipalities and cities prohibit or regulate the sale and use of the TASER Products. Many countries require import permits to receive TASER Products. For importing purposes, TASER Products harmonized code Schedule B # is 9304.00.0000 and ECCN #0A985.

Please go to the TASER website (www.TASER.com) or contact TASER's customer service department for a list of known regulations and restrictions regarding the sale, possession, and use of TASER Products. Buyer is responsible for understanding and verifying all local laws, regulations, and restrictions.

Warranty; Exclusions and Limitations; Release. See TASER's website (www.TASER.com) for warranty provisions, warranty exclusions, release and any limitations of liability. To the extent permitted by law, TASER's warranty and the remedies set forth in that warranty are exclusive and in lieu of all other warranties, remedies, and conditions, whether oral or written, statutory, express or implied, as permitted by applicable law. TASER specifically disclaims any and all statutory or implied warranties, including without limitation, warranties of merchantability, design, fitness for a particular purpose, arising from a course of dealing, usage

or trade practice, warranties against hidden or latent defects, and warranties against patent infringement. If TASER cannot lawfully disclaim statutory or implied warranties than to the extent permitted by law, all such warranties are limited to the duration of the express warranty described above and limited to the other provisions contained in the warranty document.

The remedies provided for in the warranty are expressly in lieu of any other liability TASER may have. TASER's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any TASER product will not exceed the purchase price paid to TASER by Buyer for the product, notwithstanding third party purchases. In no event will TASER be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if TASER has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in the warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you.

TASER disclaims any representation that it will be able to repair any product under this warranty or make a product exchange without risk to or loss of programs or data. Buyer agrees to release and save TASER harmless from any and all liability arising out of the deployment, use or misuse of the TASER product, including any claims for damages and personal injuries. Buyer agrees to assume all risks of loss and all liability for any

damages and personal injury which may result from the deployment, use or misuse of the TASER product. TASER is not liable for the failure of the TASER product to perform and TASER is not liable for any claims made by a third party or by Buyer for or on behalf of a third party.

Proprietary Information. Buyer agrees that TASER has and claims various proprietary rights in the hardware, firmware, software, and the integration of ancillary materials, knowledge, and designs that constitute TASER products, and that Buyer will not directly or indirectly cause any proprietary rights to be violated.

Design changes. TASER reserves the right to make changes in design of any of its products without incurring any obligation to notify Buyer or to make the same change to products previously purchased.

Independent Contractors. No provision of this Agreement creates a partnership, joint venture, or other combination between TASER and Buyer. Buyer and TASER are independent contractors. Neither party will make any warranties or representations or assume any obligations on the other party's behalf. Neither party is or will claim to be a legal representative, partner, franchisee, agent or employee of the other party.

Severable Provisions. If any provision of these Sales Terms and Conditions is found by a court of competent jurisdiction to be invalid or unenforceable, then the remainder will have their full force and effect and the invalid provision will be modified or partially enforced by the court to the maximum extent permitted by law to effectuate the purpose of this agreement.

Governing law. The laws of the State of Arizona, U.S.A. govern this transaction.

**TASER International, Inc.'s Sales Terms and Conditions Distributors and Resellers
(Effective January 15, 2013)**

These Sales Terms and Conditions apply to all TASER International, Inc. ("TASER") products purchased directly from TASER by distributors and resellers. Goods and services sold by TASER are expressly subject to and conditioned upon the terms and conditions set forth below. By accepting delivery of the product, you accept and are bound to these Sales Terms and Conditions. Any different or additional terms set forth by you, whether in your purchase order or other communication, are expressly objected to and will not be binding on TASER unless agreed to in writing by an authorized officer of TASER.

All Sales Are Final. All sales are final and no refunds are allowed.

Pricing and Purchase Orders. Any purchase order is subject to acceptance and cancellation by TASER at any time and in its sole discretion. Products and services will be invoiced at prices in effect as of date of shipment (invoice date). Prices are not necessarily valid for other future sales and are subject to change without prior notice. Any and all invoice errors must be disputed within 15 days of invoice date and are subject to correction by TASER. TASER is not responsible for pricing, typographical, or other errors in any offer by TASER and reserves the right to cancel any orders resulting from such errors.

Payment Terms. All payments must be made in U.S. dollars. Terms of payment are within TASER's sole discretion. Payment for the products must be made in advance of shipment unless prior credit arrangements have been agreed to with TASER, in which case payment terms are net 30 days for approved credit. TASER reserves the right to cancel your credit with TASER at any time. Past due accounts will be subject to the maximum legal rate of interest or 15% per month, whichever is less. If a delinquent account is sent to collection, you are responsible for all collection and attorney fees. If your account becomes past due or if you are over the approved credit limit, TASER may refuse shipments until the account is paid in full.

For sales to International Buyers only, pre-payment by wire transfer is acceptable if marked for credit of "TASER International" and sent to JP Morgan Bank in Phoenix, Arizona, account number 534912729, ABA number 122100024, SWIFT Code CHASUS33***. For all letters of credit add a 5% processing fee to all prices.

Taxes and Fees. Prices exclude any present or future federal, state, provincial, local, or other governmental taxes, fees, duties, and tariffs applicable to the sale, transportation, or use of the products purchased. You are responsible for all taxes and fees.

Shipping; Title; Risk of Loss. Shipping and handling are additional unless otherwise expressly indicated at the time of sale. Freight charges will be invoiced to and paid for by you as a separate line item. All orders are shipped F.O.B. shipping point or F.O.B./EX.W. (for international customers) via common carrier, unless otherwise specified. Title and risk of loss pass to you upon delivery to the common carrier by TASER. You must promptly file claims for damaged items with the freight carrier. You are responsible for providing, upon request by TASER and prior to shipment, proof of insurance for goods in transit. TASER reserves the right to make partial shipments unless specifically stated otherwise on your purchase order. Products may ship from multiple locations. Delivery is typically 4-6 weeks after receipt of order or payment. On-time shipment is dependent upon your promptly supplying all necessary documentation.

Excusable delays. TASER will use commercially reasonable efforts to deliver all products ordered by you as soon as reasonably practicable. In the event of interruption of any delivery due to causes beyond the reasonable control of TASER, including but not limited to force majeure, fire, labor disturbances, riots, accidents, or inability to obtain necessary materials or components, TASER has the right, in its sole discretion and upon oral or written notice to you, to delay or terminate the delivery.

Export Restrictions. You agree to comply with all applicable controls with TASER, export laws, assurances, codes and license requirements, and controls of the United States and other applicable jurisdictions in connection with the use and resale of TASER products including your acceptance of responsibility for the payment of any relevant taxes or duties. Shipping some TASER products out of the United States is restricted by U.S. federal law and neither the TASER product nor its technology can be exported out of the U.S. without a validated export license issued by the U.S. Department of Commerce. Distribution or resale of TASER products is authorized only within (i) the country of ultimate destination listed on the export license; and (ii) the territory in your applicable contract with TASER. No export is permitted for certain products without prior U.S. Government authorization.

Regulations and Restrictions. Certain countries, states, provinces, municipalities and cities prohibit or regulate the sale and use of some of the TASER products. Many countries require import permits to receive some TASER products. You agree to comply with all applicable laws, codes and license requirements, and controls of the

United States and other applicable jurisdictions in connection with your purchase and resale of the TASER products. Please go to the TASER website (www.TASER.com) or contact TASER's customer service department for a list of known regulations and restrictions regarding the sale, possession, and use of TASER products. You are responsible for understanding and complying all local laws, regulations, and restrictions.

Product Background Checks. Some products and/or some government regulations require that a background check of the end user purchaser must be completed before the product is sold to the end user purchaser.

Warranty; Exclusions and Limitations; Release. See TASER's website (www.TASER.com) for current warranty provisions, warranty limitations, release and any limitations of liability. To the extent permitted by law, TASER's warranty and the remedies set forth in that warranty are exclusive and in lieu of all other warranties, remedies, and limitations, whether oral or written, statutory, express or implied, as permitted by applicable law, TASER specifically disclaims any and all statutory or implied warranties, including without limitation, warranties of merchantability, design, fitness for a particular purpose, arising from a course of dealing, usage or trade practice, warranties against latent or latent defects, and warranties against patent infringement. If TASER cannot fully disclaim statutory or implied warranties than to the extent permitted by law, all such warranties are limited to the duration of the express warranty ascribed above and limited to the other provisions contained in the warranty document.

Remedies. Remedies provided for in these Sales Terms and Conditions create a partnership, joint venture, or other combination between TASER and you. You and TASER are independent contractors. Neither party will make any warranties or representations or assume any obligations on the other party's behalf. Neither party is or will claim to be a legal representative, partner, franchisee, agent, or employee of the other party.

Severable Provisions. If any provision of these Sales Terms and Conditions is found by a court of competent jurisdiction to be invalid or unenforceable, then the remainder will have their full force and effect and the invalid provision will be modified or partially enforced by the court to the maximum extent permitted by law to effectuate the purpose of this agreement.

Entire Agreement. These Sales Terms and Conditions, along with

notwithstanding any failure of essential purpose of any exclusive remedy provided in the warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you. TASER disclaims any representation that it will be able to repair any product under this warranty or make a product exchange without risk to or loss of programs or data.

Buyer agrees to release and save TASER harmless from any and all liability arising out of the deployment, use or misuse of the TASER product, including any claims for damages and personal injuries. Buyer agrees to assume all risks of loss and all liability for any damages and personal injury which may result from the deployment, use or misuse of the TASER product. TASER is not liable for the failure of the TASER product to perform and TASER is not liable for any claims made by a third party or by Buyer for or on behalf of a third party.

Product Warnings. See TASER's website at www.TASER.com for the most current product warnings.

Proprietary Information. You agree that TASER has and claims various proprietary rights in the hardware, firmware, software, and the integration of ancillary materials, knowledge, and designs that constitute TASER products, and that you will not directly or indirectly cause any proprietary rights to be violated.

Design changes. TASER reserves the right to make changes in design of any of its products without incurring any obligation to notify you or to make the same change to products previously purchased.

Independent Contractors. No provision of these Sales Terms and Conditions creates a partnership, joint venture, or other combination between TASER and you. You and TASER are independent contractors. Neither party will make any warranties or representations or assume any obligations on the other party's behalf. Neither party is or will claim to be a legal representative, partner, franchisee, agent, or employee of the other party.

Entire Agreement. These Sales Terms and Conditions, along with

the product warranty and your applicable contract with TASER, if any, constitute the entire agreement between the parties. These Sales Terms and Conditions supersede and replace any prior agreement or understanding between the parties, including any oral representations concerning the subject matter of this agreement. Any prior or extrinsic representations or agreements, with the exception of the product warranty and your applicable contract with TASER, if any, are intended to be discharged or nullified.

Governing Law. The laws of the State of Arizona, U.S.A., govern this transaction and agreement, without regard to conflicts of law.

TASER Simulation Training Suit

The TASER Simulation Training Suit is the first training suit manufactured for use with TASER-brand energy weapons. Using the TASER Simulation Training Suit along with simulation cartridges allows the trainer to have students in real-life Taser-related scenarios without compromising the safety of the trainer. This greatly supplements the training for users of Taser technology in scenario-based training to become accustomed to their Taser on a human target. It also provides the trainee the sense of timing, speed and weight that accompanies a TASER energy weapon. This can greatly assist in preventing injuries to both police officers and citizens. The TASER Simulation Training Suit is also extremely mobile. With this mobility, the training officers can portray a more realistic scenario. Because of this mobility, it is ideal for students in light combat.

Re: Sole Source Letter for TASER International, Inc.'s AXON® brand products, EVIDENCE.com services, and conducted electrical weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International.

TASER Digital Evidence Solution Description

AXON flex™ Camera (DVR)

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux.
- Audio tones to alert user of usage
- High, medium, and low quality recording available (customizable by the agency)
- 30-second buffering period to record footage before pressing record button
- Multiple mounting options using magnetic attachment: head, collar, shoulder, helmet, ball cap, car dash, and Oakley sunglass mounts available

AXON flex Controller

- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket

AXON body Video Camera

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux
- Audio tones to alert user of usage
- High, medium, and low quality recording available (customizable by the agency)
- 30-second buffering period to record footage before pressing record button
- Multiple mounting options using holster attachment: shirt, vest, belt, and dash mounts available
- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket
- 130-degree lens

TASER EVIDENCE.com Dock

- Automated docking station uploads to EVIDENCE.com services through Internet connection
- No computer necessary for secure upload to EVIDENCE.com
- Charges and uploads simultaneously

TASER EVIDENCE.com System

- Hosted data management system that allows agencies to seamlessly manage and share digital evidence.

- No local storage infrastructure or software needed
- Controlled access to evidence: pre-defined roles and permissions, pre-defined individuals, and passwords (these options are all completely customizable by the agency)
- Automated category-based evidence retention policies assists with efficient database management
- Ability to recover deleted evidence within 7 days of deletion
- Stores and supports all major digital file types: .mpeg, .doc, .pdf, .jpeg, etc.
- Requires NO proprietary file formats
- Ability to upload files directly from the computer to EVIDENCE.com via an Internet browser
- 256-bit AES encryption in storage and transport
- Storage includes geo-dispersed redundant back-up
- Automatically tracks all system and user activity
- Generates real-time full Audit Reports in PDF format to show chain-of-custody for evidence
- Case creation for multiple evidence files
- Easily create tags, markers and clips
- 11 indexing fields
- 7 searchable fields in addition to 5 category-based fields
- Agency licenses only available through TASER International

TASER EVIDENCE Mobile Application

- Free app for iOS and Android mobile devices
- Allows users to capture videos, audio recordings, and photos and upload these files to their EVIDENCE.com account from the field
- Allows adding metadata to these files, such as: Category, Title, Case ID, and GPS data

TASER AXON Mobile Application

- Free app for iOS and Android mobile devices
- Allows user to view the camera feed from a paired AXON body or AXON flex camera in real-time
- Allows for playback of videos stored on a paired AXON body or AXON flex system
- Allows adding meta-data to videos, such as: Category, Title, Case ID, and GPS data

TASER Professional Services

- Dedicated implementation team
- Project management and deployment best practices aid
- Training and train-the-trainer sessions
- Integration services with other systems

TASER Customer Support

- Online and email-based support available 24/7
- Human phone-based support available Monday–Friday 7:00 AM–5:00 PM MST; support is located in Scottsdale, AZ, USA
- Library of webinars available 24/7
- Remote-location troubleshooting

City of Miramar
SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM

7. Explain why the price for this product or service is considered to be fair and reasonable.

The City has already invested in Taser products. They produce a very high quality product to keep failure and malfunctions to a minimum. Overall they produce a safe product for the end user.

In terms of safety the Taser is safer than the legal weapon that would be used.

8. Describe the negotiations efforts, if any, that have been made with the vendor/provider to obtain the best possible price.

Working directly with the manufacturer no middle man or distributor.

They are the only outlet for their product.

Complete for Sole Source and Product Standardization

9. Describe the actions the department will take, if feasible, to overcome the present barriers to competition prior to any future procurement of this product or service.

The Department is always on the lookout to any new product or procedure that can be utilized by law enforcement.

Complete for Sole Source and Product Standardization

PLEASE ALSO ATTACH ADDITIONAL SHEETS OR INFORMATION AS NEEDED

Re: Sole Source Letter for TASER International, Inc.'s Axon brand products and Evidence.com Data Management Solutions¹

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International.

TASER Digital Evidence Solution Description

Axon Flex Camera (DVR)

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux
- Audio tones to alert user of usage
- High, medium, and low quality recording available (customizable by the agency)
- 30-second buffering period to record footage before pressing record button
- Multiple mounting options using magnetic attachment: head, collar, shoulder, helmet, ball cap, car dash, and Oakley sunglass mounts available

Axon Flex Controller

- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket

Axon Body Video Camera

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux
- Audio tones to alert user of usage
- High, medium, and low quality recording available (customizable by the agency)
- 30-second buffering period to record footage before pressing record button
- Multiple mounting options using holster attachment: shirt, vest, belt, and dash mounts available
- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket
- 130-degree lens

Evidence.com Dock

- Automated docking station uploads to Evidence.com services through Internet connection
- No computer necessary for secure upload to Evidence.com
- Charges and uploads simultaneously

Evidence.com Data Management System

- Software as a Service (SaaS) delivery model that allows agencies to manage and share digital evidence without local storage infrastructure or software needed
- SaaS model reduces security and administration by local IT staff: no local installation required
- Automatic, timely security upgrades and enhancements deployed to application without the need for

¹ TASER is also the sole developer and offeror of the Evidence.com data management services. Evidence.com is both a division of TASER and a data management product solution offered by TASER. Evidence.com is not a separate corporate entity.

- any local IT staff involvement
- Securely share digital evidence with other agencies or prosecutors without creating copies or requiring the data to leave your agency's domain of control
- Controlled access to evidence based on pre-defined roles and permissions and pre-defined individuals
- Password authentication includes customizable security parameters: customizable password complexity, IP-based access restrictions, and multi-factor authentication support
- Automated category-based evidence retention policies assists with efficient database management
- Ability to recover deleted evidence within 7 days of deletion
- Stores and supports all major digital file types: .mpeg, .doc, .pdf, .jpeg, etc.
- Requires NO proprietary file formats
- Ability to upload files directly from the computer to Evidence.com via an Internet browser
- Data Security: Robust Transport Layer Security (TLS) implementation for data in transit and 256-bit AES encryption for data in storage
- Security Testing: Independent security firms perform in-depth security and penetration testing
- Reliability: Fault- and disaster-tolerant infrastructure in at least 4 redundant data centers in both the East and West regions of the United States
- Chain-of-Custody: Audit logs automatically track all system and user activity. These logs cannot be edited or deleted, even by account administrators and IT staff
- Protection: With no on-site application, critical evidence stored in Evidence.com is protected from local malware that may penetrate agency infrastructure
- Stability: TASER International is a publicly traded company with stable finances and funding, reducing concerns of loss of application support or commercial viability
- Application and data protected by a CJIS and ISO 27001 compliant information security program
- Dedicated information security department that protects Evidence.com and data with security monitoring, centralized event log analysis and correlation, advanced threat and intrusion protection, and incident response capabilities
- Redact videos easily within the system, create tags, markers and clips, search 7 fields in addition to 5 category-based fields, create cases for multiple evidence files

Evidence.com for Prosecutors

- All the benefits of the standard Evidence.com services
- Ability to share information during the discovery process
- Standard licenses available for free to prosecutors working with agencies already using Evidence.com services
- Unlimited storage for data collected by Axon cameras and Evidence Mobile

Evidence Mobile Application

- Free app for IOS and Android mobile devices
- Allows users to capture videos, audio recordings, and photos and upload these files to their Evidence.com account from the field
- Allows adding metadata to these files, such as: Category, Title, Case ID, and GPS data

Axon Mobile Application

- Free app for IOS and Android mobile devices
- Allows user to view the camera feed from a paired Axon Body or Axon Flex camera in real-time
- Allows for playback of videos stored on a paired Axon Body or Axon Flex system
- Allows adding meta-data to videos, such as: Category, Title, Case ID, and GPS data

TASER Professional Services

- Dedicated implementation team
- Project management and deployment best practices aid
- Training and train-the-trainer sessions
- Integration services with other systems

TASER Customer Support

- Online and email-based support available 24/7
- Human phone-based support available Monday–Friday 7:00 AM–5:00 PM MST; support is located in Scottsdale, AZ, USA
- Library of webinars available 24/7
- Remote-location troubleshooting

Re: Sole Source Letter for TASER International, Inc.'s Conducted Electrical Weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International. TASER is also the sole distributor of all TASER® brand products in the States of CT, DE, FL, GA, HI, IL, IN, MA, MD, ME, MI, MN, MS, NH, NJ, NY, OK, OR, PA, RI, TX, VA, VT, WI, WV, and the District of Columbia.

TASER CEW Descriptions

X2™ CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart cartridge installed
- Central Information Display (CID): Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy™ log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com™ services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM™ HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart™ cartridges only

X26P™ CEW

- High efficiency flashlight
- Red LASER (used for target acquisition)
- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy™ log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM™ HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER standard series cartridges

TERMS AND CONDITIONS

following Terms and Conditions are applicable to this order entered by and between City of Miramar (referred to as the "City") and Vendor referred to as the "Seller")

DEFINITIONS

A purchase order form and any other document pertaining to this transaction that has been acknowledged in writing by the Chief Procurement Officer constitute the complete and exclusive statement of order. Accordingly, no modification or amendment shall be binding in the City unless signed by the Chief Procurement Officer.

CITY ATTORNEY APPROVAL

The City Attorney has approved these standard terms and conditions as form and legality. Accordingly, no modification of these terms and conditions shall be binding upon the City unless they are endorsed and approved by the City Attorney. In the event of a conflict between these terms and conditions and any other document pertaining to the transaction entered by this order, these terms and conditions shall prevail.

ASSIGNMENT

Assignment of this order or the performance of work hereunder, in whole or in part, is prohibited.

CUSABLE DELAYS

The City may grant additional time for any delay or failure to perform under if the delay will not adversely impact the best interests of the City and is due to causes beyond the control of the Seller. Such grant must be in writing and made part of the order.

FAULT

In the event of default by the Seller, City may procure the articles or services covered by this order from other sources and hold the Seller responsible for any excess costs occasioned thereby, in addition to all other available remedies at law or equity.

TERMINATION

Acting through its City Manager or his/her designee, reserves the right to terminate this order in whole or in part for default (a) if Seller fails to perform in accordance with any of the requirements of this order or (b) if Seller becomes insolvent or suspends any of its operations or if any action is filed or proceeding commenced by or against Seller under any State or Federal Law relating to bankruptcy, reorganization, receivership or assignment for the benefit of creditors. Any such termination will be without liability to City, except for completed items delivered and accepted by the Seller. Seller will be liable for excess costs of reprocurement.

B.

In those cases where F.O.B. point is not Destination, Seller is required to pay freight charges and list separately on the invoice. Collect shipments will not be accepted.

RMS

Accepting this order, the Seller agrees that payment terms shall be Net 30 unless otherwise stated.

INVOICING

Seller must render original invoice to the City of Miramar: Accounts Payable, 2300 Civic Center Place, Miramar, FL 33025-6577.

The City of Miramar is exempt from Federal and State taxes for tangible personal property. Sellers doing business with the City, which are not otherwise exempt, shall not be exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City, nor shall any Seller be authorized to use the City Tax Exemption Number inuring such materials.

RESPONSIBILITY

The City is not responsible for any goods delivered or services performed unless covered by a duly signed and authorized City of Miramar order, issued by the Procurement Division.

ACCEPTANCE

Seller's acceptance of this order will be presumed, unless Seller acknowledges exception, in writing, to the City within (10) calendar days of the date of the order.

REPRESENTATIVE

Parties to this order agree that the representatives named herein possess full and complete authority to bind the parties.

DELIVERIES

Deliveries are to be made during the hours of 8:00 AM to 5:00 PM, Monday through Thursday, excluding holidays, unless otherwise indicated. Seller shall notify the City of deliveries that require special handling and/or assistance for off-loading. Failure to notify the City concerning this type of delivery will result in the billing to Seller of any on-receiving, storage or handling charges.

INSPECTION

Commodities delivered on this order are subject to inspection upon receipt by a representative of the City. All rejected commodities shall remain the property of the Seller and will be returned at the Seller's expense.

QUANTITIES

Quantities specified in the order cannot be changed without City approval. Goods shipped in excess of quantity designated may be returned at the Seller's expense.

PAYMENT CHANGES

Payments shall be made only to the company and address as set forth on the order unless the Seller has requested a change thereto on official company letterhead, signed by an authorized officer of the company.

ANTI-DISCRIMINATION

Seller shall not discriminate against any person in its operations, activities or delivery of services. Seller shall affirmatively comply with all applicable provisions of federal, state, and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for disqualification.

UNIFORM COMMERCIAL CODE

Florida law, including without limitation the Uniform Commercial Code (Chapter 670-680, Florida Statutes), shall apply to and supplement the terms and conditions of this order.

LEGAL RESPONSIBILITY

By accepting this order, Seller understands and agrees that the items covered herein, or services to be rendered, shall be manufactured, sold or performed in compliance with applicable Federal, State, County and Local laws, ordinances, rules and regulations. Lack of knowledge by the Seller shall in no way be a cause for relief from responsibility.

LIABILITY-COPYRIGHT/PATENT/TRADEMARK

Seller shall save and hold harmless City, its officers, employees and agents from liability for infringement of any United States patent, trademark or copyright for or on account of the use of any product sold to City or used in the performance of this order.

INDEMNIFICATION

Seller shall indemnify, hold harmless and defend City, its officers, employees and agents from and against any and all claims, damages, liability, judgments or causes of action, including costs, expenses and attorney fees, incurred as a result of any error, omission or negligent act by the Seller, its officers, employees, agents, subcontractors or assignees arising out of this order.

OCCUPATIONAL SAFETY AND HEALTH

Seller must comply with requirements under Chapter 442, Florida Statutes, that any toxic substance delivered as a part of this order must be accompanied by a Material Safety Data Sheet (M.S.D.S.)

PUBLICITY

No endorsement by the City of the product and/or service will be used by Seller in any way, manner or form in product literature, advertising, or for any other purpose.

INSURANCE

The Seller of services must have secured and maintained the required amount of \$1,000,000 general and \$500,000 automobile liability limits and must list the City as an additional insured of this coverage. The Seller must have worker's compensation coverage as required by law. Any exception to the above stated limits or other requirements must be endorsed and approved by the City of Miramar Risk Manager.

COMPLIANCE WITH LAWS

Seller shall fully obey and comply with all laws, ordinances and administrative regulations duly made in accordance therewith, which are or shall become applicable to this order or the performance of work hereunder.

CONSENT TO JURISDICTION

Venue of any action to enforce this order or the performance of work hereunder shall be in Broward County, Florida. If City or Seller shall be required to enforce the terms of this order by court proceedings, or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

Warranty

Commodities furnished shall be new and free from defects and packaged commercially for shipment and delivery. Any implied warranty granted under the Uniform Commercial Code shall apply to all commodities purchased under this Contract. All written standard warranties for commodities shall inure to the benefit of the City, and Seller shall supply a copy of the manufacturer's written standard warranty certificates for each commodity being purchased. The warranty supplied by the manufacturer shall begin on the date of acceptance of the commodities by the City and shall remain in full force for the full period identified by the manufacturer. Any payment by the City for the commodities received does not constitute a waiver of these warranty provisions.

If Seller fails to honor the manufacturer's warranty and/or fails to correct or replace the defective items within 15 calendar days after written notice from the City of such deficiencies, the City may, at its discretion, provide additional written notice of potential debarment or of other contractual remedies if the corrections or replacements are not completed to City's satisfaction within five calendar days of receipt of the notice. If Seller fails to satisfy the manufacturer's warranty, or provide the corrections or replacements within the specified time, the Seller may be placed in default and/or the commodities may be obtained from another seller and the Seller charged the costs of procurement, either through an offset from any unpaid invoices or through invoices.

**City of Miramar
Interoffice Memorandum
Procurement Department**

TO: Randy Cross, Procurement Director

FROM: Natalie Richmond, Procurement Analyst

DATE: January 19, 2016

RE: Standardization Committee – Taser Equipment and Accessories

Please be advised that a three member Standards Committee was formed and met on November 4, 2015 in accordance with the City's Procurement Code to discuss standardization of the Taser products for the Police Department. The Committee comprised of city staff from the Police Department (Sergeant Chris Saunders) and the Procurement Department (Thomas Blaine and Natalie Richmond).

The Committee agreed on the standardization of the Taser products for use by the Police Department for the following reasons:

- 1) The Police Department currently uses Taser equipment as a part of their uniform non-lethal weapon.
- 2) Police Department personnel have been trained over the years and are familiar with using the Taser equipment as the non-lethal form of weapon.
- 3) The Police Department intends to continue to use this product as the standard non-lethal equipment in emergency situations.

I would like recommend that the purchase of Taser equipment from Taser International, Inc. be approved as City Standard purchase in accordance with Section 2-413(c) of the City Code, *City Standard Commodities*.

The estimated annual spend for Taser equipment and accessories by the Police Department is \$15,000.

Cc: Donald Livernois, Fiscal Property Supervisor
Thomas Blaine, Contract Administration Manager

SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM

Requisition No.	Department Police Department
Recommended Vendor(s), if any:	Date: 1/20/16
Taser International	Estimated Cost:
Estimated Hours for Consulting Engagement	Contact Person: Donald Livernois
<input checked="" type="checkbox"/> Ongoing Purchase / Replacement	<input type="checkbox"/> New Purchase
If an Ongoing/Replacement Purchase what was the prior year expenditure \$ 15,000	
Does this purchase request represent an increase or a decrease in utilization or price? (Please explain in detail) No	

SECTION I

Completion of this form is required in advance of all Sole Source/Bid Waiver purchases (procurements) in excess of \$2,500 from Miramar resident vendors or \$1000 from all other vendors.

Check one of the following that best describes the proposed procurement:

- Only one source (supplier) exists for the required product/service ('sole source').
- Product Standardization
- Other reason deemed to be in the best interests of the City (Commission Approval Required)

1. In 'layman's terms', describe the purpose or function of the required product or service. (Minimum 3 sentences required)

Non-Lethal weapon issued to Police Officers. It is used in place of using lethal force. Using a Taser Gun is safer for the officer, suspected and general public. " Pepper spray goes on for hours and hours, hitting someone with a baton breaks limbs, shooting someone with a firearm causes permanent damage, even punching and kicking—the intent of those tools is to inflict pain, with the Taser, the intent is not to inflict pain; it's to end the confrontation. When it's over, it's over."

—Taser Chairman Tom Smith

2. If the particular product or service was not available or could not be procured, how would the department proceed with its work? (Minimum 3 sentences required)

The officer would have to use other means to subdue the suspect. A baton could be used for less than lethal but that endangers the officer because he must be close to the suspect. Or the situation advances to the use of lethal weapons. The Taser allows for an additional level to remedy the situation.

**City of Miramar
SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM**

Sole Source

3a Explain why the product/service is the only product/service that can satisfy your requirements and explain why alternative are unacceptable. Be specific with regard to unique specification, unique features, characteristics, requirements capabilities and compatibility. Describe what steps have been undertaken to make this decision. (Minimum 4 sentences required.)

N/A

Complete for Sole Source

3b. Explain why this vendor is the only practicable available source which to obtain this product or service and describe the efforts that were made to verify and confirm whether, or not, this is so. (Obtain and include a letter from the manufacturer confirming claims made by distributor of exclusive distributorships for the product or service, if, that is cited as a reason for this request.) (Minimum 4 sentences required.)

N/A

Complete for Sole Source

Product Standardization

4. Explain why the product/service requested can best satisfy your requirements and explain why a waiver of competitive bidding is in the best interest of the City. Be specific with regard to unique specification, unique features, characteristics, requirements capabilities and compatibility. Describe what steps have been undertaken to make this decision. (Minimum 3 sentences required.)

Taser equipment is used by other local law enforcement agencies. Tasers are already in use by Miramar Police Department. Taser International is recognized leader in their field.

Sole Source and Product Standardization

5. Provide a description of the market survey conducted and the results, or a statement of the reasons a market survey was not conducted. (Minimum 4 sentences required.)

The Department currently uses Taser weapons as its standard non-lethal weapon.

The cost to switch to another manufacturer would be prohibitive.

The Taser units are a standard for other police agencies.

Training is readily available for the Taser products.

Complete for Sole Source and Product Standardization

6. Will this purchase obligate the City to a particular vendor/provider for future purchases? (Either in terms of maintenance that only this vendor will be able to perform and/or if we purchase this item, Will the City need more "like" items or services in the future to match this one?)

Yes, the Taser equipment is proprietary to Taser International. Cartridges, batteries, and repairs will be done by Taser International. This allows Taser to maintain a high level of quality control on equipment used that keeps failures to a minimum. This allows for lower liability in the long run.

Complete for Sole Source and Product Standardization

**City of Miramar
SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM**

7. Explain why the price for this product or service is considered to be fair and reasonable.

The City has already invested in Taser products. They produce a very high quality product to keep failure and malfunctions to a minimum. Overall they produce a safe product for the end user.

In terms of safety the Taser is safer than the lethal weapon that would be used.

8. Describe the negotiations efforts, if any that have been made with the vendor/provider to obtain the best possible price.

Working directly with the manufacturer no middle man or distributor.

They are the only outlet for their product.

Completion for Sole Source and Product Standardization

9. Describe the actions the department will take, if feasible, to overcome the present barriers to competition prior to any future procurement of this product or service.

The Department is always on the lookout for any new product or procedure that can be utilized by law enforcement.

Completion for Sole Source and Product Standardization

Re: Sole Source Letter for TASER International, Inc.'s Axon brand products and Evidence.com Data Management Solutions¹

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International.

TASER Digital Evidence Solution Description

Axon Flex Camera (DVR)

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux
- Audio tones to alert user of usage
- High, medium, and low quality recording available (customizable by the agency)
- 30-second buffering period to record footage before pressing record button
- Multiple mounting options using magnetic attachment: head, collar, shoulder, helmet, ball cap, car dash, and Oakley sunglass mounts available

Axon Flex Controller

- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket

Axon Body Video Camera

- Video playback on mobile devices in the field via Bluetooth pairing
- Retina Low Light capability sensitive to less than 1 lux
- Audio tones to alert user of usage
- High, medium, and low quality recording available (customizable by the agency)
- 30-second buffering period to record footage before pressing record button
- Multiple mounting options using holster attachment: shirt, vest, belt, and dash mounts available
- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket
- 130-degree lens

Evidence.com Dock

- Automated docking station uploads to Evidence.com services through Internet connection
- No computer necessary for secure upload to Evidence.com
- Charges and uploads simultaneously

Evidence.com Data Management System

- Software as a Service (SaaS) delivery model that allows agencies to manage and share digital evidence without local storage infrastructure or software needed
- SaaS model reduces security and administration by local IT staff: no local installation required
- Automatic, timely security upgrades and enhancements deployed to application without the need for

¹ TASER is also the sole developer and offeror of the Evidence.com data management services. Evidence.com is both a division of TASER and a data management product solution offered by TASER. Evidence.com is not a separate corporate entity.

- any local IT staff involvement
- Securely share digital evidence with other agencies or prosecutors without creating copies or requiring the data to leave your agency's domain of control
- Controlled access to evidence based on pre-defined roles and permissions and pre-defined individuals
- Password authentication includes customizable security parameters: customizable password complexity, IP-based access restrictions, and multi-factor authentication support
- Automated category-based evidence retention policies assists with efficient database management
- Ability to recover deleted evidence within 7 days of deletion
- Stores and supports all major digital file types: .mpeg, .doc, .pdf, .jpeg, etc.
- Requires NO proprietary file formats
- Ability to upload files directly from the computer to Evidence.com via an Internet browser
- Data Security: Robust Transport Layer Security (TLS) implementation for data in transit and 256-bit AES encryption for data in storage
- Security Testing: Independent security firms perform in-depth security and penetration testing
- Reliability: Fault- and disaster-tolerant infrastructure in at least 4 redundant data centers in both the East and West regions of the United States
- Chain-of-Custody: Audit logs automatically track all system and user activity. These logs cannot be edited or deleted, even by account administrators and IT staff
- Protection: With no on-site application, critical evidence stored in Evidence.com is protected from local malware that may penetrate agency infrastructure
- Stability: TASER International is a publicly traded company with stable finances and funding, reducing concerns of loss of application support or commercial viability
- Application and data protected by a CJIS and ISO 27001 compliant information security program
- Dedicated information security department that protects Evidence.com and data with security monitoring, centralized event log analysis and correlation, advanced threat and intrusion protection, and incident response capabilities
- Redact videos easily within the system, create tags, markers and clips, search 7 fields in addition to 5 category-based fields, create cases for multiple evidence files

Evidence.com for Prosecutors

- All the benefits of the standard Evidence.com services
- Ability to share information during the discovery process
- Standard licenses available for free to prosecutors working with agencies already using Evidence.com services
- Unlimited storage for data collected by Axon cameras and Evidence Mobile

Evidence Mobile Application

- Free app for iOS and Android mobile devices
- Allows users to capture videos, audio recordings, and photos and upload these files to their Evidence.com account from the field
- Allows adding metadata to these files, such as: Category, Title, Case ID, and GPS data

Axon Mobile Application

- Free app for iOS and Android mobile devices
- Allows user to view the camera feed from a paired Axon Body or Axon Flex camera in real-time
- Allows for playback of videos stored on a paired Axon Body or Axon Flex system
- Allows adding meta-data to videos, such as: Category, Title, Case ID, and GPS data

TASER Professional Services

- Dedicated implementation team
- Project management and deployment best practices aid
- Training and train-the-trainer sessions
- Integration services with other systems

TASER Customer Support

- Online and email-based support available 24/7
- Human phone-based support available Monday–Friday 7:00 AM–5:00 PM MST; support is located in Scottsdale, AZ, USA
- Library of webinars available 24/7

Re: Sole Source Letter for TASER International, Inc.'s Conducted Electrical Weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International. TASER is also the sole distributor of all TASER® brand products in the States of CT, DE, FL, GA, HI, IL, IN, MA, MD, ME, MI, MN, MS, NH, NJ, NY, OK, OR, PA, RI, TX, VA, VT, WI, WV, and the District of Columbia.

TASER CEW Descriptions

X2™ CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart cartridge installed
- Central Information Display (CID). Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy™ log system records information from a variety of sensors into three data logs. Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com™ services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM™ HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart™ cartridges only

X26P™ CEW

- High efficiency flashlight
- Red LASER (used for target acquisition)
- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy™ log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM™ HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER standard series cartridges

**City of Miramar
Interoffice Memorandum
Procurement Department**

TO: Randy Cross, Procurement Director

FROM: Natalie Richmond, Procurement Analyst

DATE: January 19, 2016

RE: Standardization Committee – Taser Equipment and Accessories

Please be advised that a three member Standards Committee was formed and met on November 4, 2015 in accordance with the City's Procurement Code to discuss standardization of the Taser products for the Police Department. The Committee comprised of city staff from the Police Department (Sergeant Chris Saunders) and the Procurement Department (Thomas Blaine and Natalie Richmond).

The Committee agreed on the standardization of the Taser products for use by the Police Department for the following reasons:

- 1) The Police Department currently uses Taser equipment as a part of their uniform non-lethal weapon.
- 2) Police Department personnel have been trained over the years and are familiar with using the Taser equipment as the non-lethal form of weapon.
- 3) The Police Department intends to continue to use this product as the standard non-lethal equipment in emergency situations.

I would like recommend that the purchase of Taser equipment from Taser International, Inc. be approved as City Standard purchase in accordance with Section 2-413(c) of the City Code, *City Standard Commodities*.

The estimated annual spend for Taser equipment and accessories by the Police Department is \$15,000.

Cc: Donald Livernois, Fiscal Property Supervisor
Thomas Blaine, Contract Administration Manager

<input checked="" type="checkbox"/> Ongoing Purchase / Replacement	<input type="checkbox"/> New Purchase
If an Ongoing/Replacement Purchase what was the prior year expenditure \$ 15,000	
Does this purchase request represent an increase or a decrease in utilization or price? (Please explain in detail) No	

SECTION I

Completion of this form is required in advance of all Sole Source/Bid Waiver purchases (procurements) in excess of \$2,500 from Miramar resident vendors or \$1000 from all other vendors.

Check one of the following that best describes the proposed procurement:

- Only one source (supplier) exists for the required product/service ("sole source").
- Product Standardization
- Other reason deemed to be in the best interests of the City (Commission Approval Required)

1. In 'layman's terms', describe the purpose or function of the required product or service. (Minimum 3 sentences required.)

Non-Lethal weapon issued to Police Officers. It is used in place of using lethal force. Using a Taser Gun is safer for the officer, suspected and general public. "Pepper spray goes on for hours and hours, hitting someone with a baton breaks limbs, shooting someone with a firearm causes permanent damage, even punching and kicking—the intent of those tools is to inflict pain, with the Taser, the intent is not to inflict pain; it's to end the confrontation. When it's over, it's over."

—Taser Chairman Tom Smith

2. If the particular product or service was not available or could not be procured, how would the department proceed with its work? (Minimum 3 sentences required.)

The officer would have to use other means to subdue the suspect. A baton could be used for less than lethal but that endangers the officer because he must be close to the suspect. Or the situation advances to the use of lethal weapons. The Taser allows for an additional level to remedy the situation.

Product Standardization

4. Explain why the product/service requested can best satisfy your requirements and explain why a waiver of competitive bidding is in the best interest of the City. Be specific with regard to unique specification, unique features, characteristics, requirements capabilities and compatibility. Describe what steps have been undertaken to make this decision. (Minimum 3 sentences required.)

Taser equipment is used by other local law enforcement agencies. Tasers are already in use by Miramar Police Department. Taser International is recognized leader in their field.

Sole Source and Product Standardization

5. Provide a description of the market survey conducted and the results, or a statement of the reasons a market survey was not conducted. (Minimum 4 sentences required)
The Department currently uses Taser weapons as its standard non-lethal weapon.
The cost to switch to another manufacture would be prohibitive.
The Taser units are a standard for other police agencies.
Training is readily available for the Taser products.

Complete for Sole Source and Product Standardization

6. Will this purchase obligate the City to a particular vendor/provider for future purchases? (Either in terms of maintenance that only this vendor will able to perform and/or if we purchase this item, Will the City need more "like" items or services in the future to match this one?)

Yes, the Taser equipment is proprietary to Taser International. Cartridges, batteries, and repairs will be done by Taser International. This allows Taser to maintain a high level of quality control on equipment used that keeps failures to a minimum. This allows for lower liability in the long run.

Complete for Sole Source and Product Standardization

**City of Miramar
SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM**

7. Explain why the price for this product or service is considered to be fair and reasonable.

The City has already invested in Taser products. They produce a very high quality product to keep failure and malfunctions to a minimum. Overall they produce a safe product for the end user.

In terms of safety the Taser is safer than the lethal weapon that would be used.

8. Describe the negotiations efforts, if any that have been made with the vendor/provider to obtain the best possible price.

Working directly with the manufacturer no middle man or distributor.

They are the only outlet for their product.

Completion for Sole Source and Product Standardization

9. Describe the actions the department will take, if feasible, to overcome the present barriers to competition prior to any future procurement of this product or service.

The Department is always on the lookout for any new product or procedure that can be utilized by law enforcement.

- 12+ hours of battery operation per shift (even in recording mode)
- LED lights to show current battery level and operating mode
- Tactical beveled button design for use in pocket
- 130-degree lens

Evidence.com Dock

- Automated docking station uploads to Evidence.com services through Internet connection
- No computer necessary for secure upload to Evidence.com
- Charges and uploads simultaneously

Evidence.com Data Management System

- Software as a Service (SaaS) delivery model that allows agencies to manage and share digital evidence without local storage infrastructure or software needed
- SaaS model reduces security and administration by local IT staff: no local installation required
- Automatic, timely security upgrades and enhancements deployed to application without the need for

¹ TASER is also the sole developer and offeror of the Evidence.com data management services. Evidence.com is both a division of TASER and a data management product solution offered by TASER. Evidence.com is not a separate corporate entity.

- any local IT staff involvement
- Securely share digital evidence with other agencies or prosecutors without creating copies or requiring the data to leave your agency's domain of control
- Controlled access to evidence based on pre-defined roles and permissions and pre-defined individuals
- Password authentication includes customizable security parameters: customizable password complexity, IP-based access restrictions, and multi-factor authentication support
- Automated category-based evidence retention policies assists with efficient database management
- Ability to recover deleted evidence within 7 days of deletion
- Stores and supports all major digital file types: .mpeg, .doc, .pdf, .jpeg, etc
- Requires NO proprietary file formats
- Ability to upload files directly from the computer to Evidence.com via an Internet browser
- Data Security:** Robust Transport Layer Security (TLS) implementation for data in transit and 256-bit AES encryption for data in storage
- Security Testing:** Independent security firms perform in-depth security and penetration testing
- Reliability:** Fault- and disaster-tolerant infrastructure in at least 4 redundant data centers in both the East and West regions of the United States
- Chain-of-Custody:** Audit logs automatically track all system and user activity. These logs cannot be edited or deleted, even by account administrators and IT staff
- Protection:** With no on-site application, critical evidence stored in Evidence.com is protected from local malware that may penetrate agency infrastructure
- Stability:** TASER International is a publicly traded company with stable finances and funding, reducing concerns of loss of application support or commercial viability
- Application and data protected by a CJIS and ISO 27001 compliant information security program
- Dedicated information security department that protects Evidence.com and data with security monitoring, centralized event log analysis and correlation, advanced threat and intrusion protection, and incident response capabilities
- Redact videos easily within the system, create tags, markers and clips, search 7 fields in addition to 5 category-based fields, create cases for multiple evidence files

Evidence.com for Prosecutors

- All the benefits of the standard Evidence.com services
- Ability to share information during the discovery process
- Standard licenses available for free to prosecutors working with agencies already using Evidence.com services
- Unlimited storage for data collected by Axon cameras and Evidence Mobile

Evidence Mobile Application

- Free app for iOS and Android mobile devices
- Allows users to capture videos, audio recordings, and photos and upload these files to their Evidence.com account from the field
- Allows adding metadata to these files, such as: Category, Title, Case ID, and GPS data

Axon Mobile Application

- Free app for iOS and Android mobile devices
- Allows user to view the camera feed from a paired Axon Body or Axon Flex camera in real-time
- Allows for playback of videos stored on a paired Axon Body or Axon Flex system
- Allows adding meta-data to videos, such as: Category, Title, Case ID, and GPS data

TASER Professional Services

- Dedicated implementation team
- Project management and deployment best practices aid
- Training and train-the-trainer sessions
- Integration services with other systems

Re: Sole Source Letter for TASER International, Inc.'s Conducted Electrical Weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International. TASER is also the sole distributor of all TASER® brand products in the States of CT, DE, FL, GA, HI, IL, IN, MA, MD, ME, MI, MN, MS, NH, NJ, NY, OK, OR, PA, RI, TX, VA, VT, WI, WV, and the District of Columbia.

TASER CEW Descriptions

X2™ CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart cartridge installed
- Central Information Display (CID). Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy™ log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com™ services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM™ HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart™ cartridges only

TERMS AND CONDITIONS

The following Terms and Conditions are applicable to this order entered by and between City of Miramar (referred to as the "City") and Vendor referred to as the "Seller")

MODIFICATIONS

Any purchase order form and any other document pertaining to this transaction that has been acknowledged in writing by the Chief Procurement Officer constitute the complete and exclusive statement of this order. Accordingly, no modification or amendment shall be binding on the City unless signed by the Chief Procurement Officer.

CITY ATTORNEY APPROVAL

The City Attorney has approved these standard terms and conditions as to form and legality. Accordingly, no modification of these terms and conditions shall be binding upon the City unless they are endorsed and approved by the City Attorney. In the event of a conflict between these terms and conditions and any other document pertaining to the transaction covered by this order, these terms and conditions shall prevail.

SIGNMENT

Any assignment of this order or the performance of work hereunder, in whole or in part, is prohibited.

CUSABLE DELAYS

The City may grant additional time for any delay or failure to perform hereunder if the delay will not adversely impact the best interests of the City and is due to causes beyond the control of the Seller. Such grant must be in writing and made part of the order.

FAULT

In the event of default by the Seller, City may procure the articles or services covered by this order from other sources and hold the Seller responsible for any excess costs occasioned thereby, in addition to all other available remedies at law or equity.

TERMINATION

The City, acting through its City Manager or his/her designee, reserves the right to terminate this order in whole or in part for default (a) if Seller fails to perform in accordance with any of the requirements of this order or (b) if Seller becomes insolvent or suspends any of its operations or if any petition is filed or proceeding commenced by or against Seller under any state or Federal Law relating to bankruptcy, reorganization, receivership or assignment for the benefit of creditors. Any such termination will be without liability to City except for completed items delivered and accepted by the City. Seller will be liable for excess costs of reprocurement.

O.B.

In those cases where F.O.B. point is not Destination, Seller is required to pay freight charges and list separately on the invoice. Collect payments will not be accepted.

RMS

Accepting this order, the Seller agrees that payment terms shall be Net unless otherwise stated.

INVOICING

Seller must render original invoice to the City of Miramar: Accounts Payable, 2300 Civic Center Place, Miramar, FL 33025-6577.

X

The City of Miramar is exempt from Federal and State taxes for tangible personal property. Sellers doing business with the City, which are not otherwise exempt, shall not be exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City, nor shall any Seller be authorized to use the City Tax Exemption Number in curing such materials.

RESPONSIBILITY

The City is not responsible for any goods delivered or services performed unless covered by a duly signed and authorized City of Miramar order, issued by the Procurement Division.

ACCEPTANCE

Seller's acceptance of this order will be presumed unless Seller acknowledges exception, in writing, to the City within (10) calendar days of the date of the order.

PRESENTATIVE

Parties to this order agree that the representatives named herein possess full and complete authority to bind the parties.

LIVERIES

Deliveries are to be made during the hours of 8:00 AM to 5:00 PM, Monday through Thursday, excluding holidays, unless otherwise indicated. Seller shall notify the City of deliveries that require special handling and/or assistance for off-loading. Failure to notify the City concerning this type of delivery will result in the billing to Seller of any on-re-delivery, storage or handling charges.

REJECTION

Commodities delivered on this order are subject to inspection upon receipt by a representative of the City. All rejected commodities shall remain the property of the Seller and will be returned at the Seller's expense.

QUANTITIES

Quantities specified in the order cannot be changed without City approval. Goods shipped in excess of quantity designated may be returned at the Seller's expense.

PAYMENT CHANGES

Payments shall be made only to the company and address as set forth on the order unless the Seller has requested a change thereto on official company letterhead, signed by an authorized officer of the company.

ANTI-DISCRIMINATION

Seller shall not discriminate against any person in its operations, activities or delivery of services. Seller shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for disqualification.

UNIFORM COMMERCIAL CODE

Florida law, including without limitation the Uniform Commercial Code (Chapter 670-680, Florida Statutes), shall apply to and supplement the terms and conditions of this order.

LEGAL RESPONSIBILITY

By accepting this order, Seller understands and agrees that the items covered herein, or services to be rendered, shall be manufactured, sold or performed in compliance with applicable Federal, State, County and Local laws, ordinances, rules and regulations. Lack of knowledge by the Seller shall in no way be a cause for relief from responsibility.

LIABILITY-COPYRIGHT/PATENT/TRADEMARK

Seller shall save and hold harmless City, its officers, employees and agents from liability for infringement of any United States patent, trademark or copyright or on account of the use of any product sold to City or used in the performance of this order.

INDEMNIFICATION

Seller shall indemnify, hold harmless and defend City, its officers, employees and agents from and against any and all claims, damages, liability, judgments or causes of action, including costs, expenses and attorney fees, incurred as a result of any error, omission or negligent act by the Seller, its officers, employees, agents, subcontractors or assignees arising out of this order.

OCCUPATIONAL SAFETY AND HEALTH

Seller must comply with requirements under Chapter 442, Florida Statutes, that any toxic substance delivered as a part of this order must be accompanied by a Material Safety Data Sheet (M.S.D.S.)

PUBLICITY

No endorsement by the City of the product and/or service will be used by Seller in any way, manner or form in product literature, advertising, or for any other purpose.

INSURANCE

The Seller of services must have secured and maintained the required amount of \$1,000,000 general and \$500,000 automobile liability limits and must list the City as an additional insured of this coverage. The Seller must have worker's compensation coverage as required by law. Any exception to the above stated limits or other requirements must be endorsed and approved by the City of Miramar Risk Manager.

COMPLIANCE WITH LAWS

Seller shall fully obey and comply with all laws, ordinances and administrative regulations duly made in accordance therewith, which are or shall become applicable to this order or the performance of work hereunder.

CONSENT TO JURISDICTION

Venue of any action to enforce this order or the performance of work hereunder shall be in Broward County, Florida. If City or Seller shall be required to enforce the terms of this order by court proceedings or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

Warranty

Commodities furnished shall be new and free from defects and packaged commercially for shipment and delivery. Any implied warranty granted under the Uniform Commercial Code shall apply to all commodities purchased under this Contract. All written standard warranties for commodities shall inure to the benefit of the City, and Seller shall supply a copy of the manufacturer's written standard warranty certificates for each commodity being purchased. The warranty supplied by the manufacturer shall begin on the date of acceptance of the commodities by the City and shall remain in full force for the full period identified by the manufacturer. Any payment by the City for the commodities received does not constitute a waiver of these warranty provisions.

If Seller fails to honor the manufacturer's warranty and/or fails to correct or replace the defective items within 15 calendar days after written notice from the City of such deficiencies, the City may, at its discretion, provide additional written notice of potential debarment or of other contractual remedies if the corrections or replacements are not completed to City's satisfaction within five calendar days of receipt of the notice. If Seller fails to satisfy the manufacturer's warranty, or provide the corrections or replacements within the specified time, the Seller may be placed in default and/or the commodities may be obtained from another seller, and the Seller charged the costs of procurement, either through an offset from any unpaid invoices or through invoices.

6. City, state, and ZIP code Scottsdale, Arizona 85255-9306		
7. List account number(s) here (optional):		

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification Instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.
Future developments: Information about developments affecting Form 1040 is at

For developments, information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requestor) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.

SEP 27 1987

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester.
2. You do not certify your TIN when required (see the Part II Instructions on page 3 for details).

3. The IRS tells the requester that you furnished an incorrect TIN.

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting* code on page 3 and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(ii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

RE: TASER INTERNATIONAL, INC. NAME CHANGE

To whom it may concern:

On April 5th, 2017 TASER International, Inc. changed its corporate name to Axon Enterprise, Inc. Based on our evolution as a business over the last 23 years, as well as the continuously evolving needs of law enforcement, we see the future of policing as demanding a connected approach to technology. The Axon network of devices, apps and people is that connected approach, and is the natural umbrella for our expanded offerings today and in the future. We're very proud of the TASER weapons that remain an important part of the network, and that brand will live on as a product name.

Please be advised that all contracts will be honored in their existing form, and all invoices will be issued as usual, just reflecting the new legal name of Axon Enterprise, Inc. In addition, our FEIN will remain the same. Please find our new W9 attached to this letter.

If you have any questions or concerns, please do not hesitate to reach out to me directly or contracts@axon.com.

**City of Miramar
Interoffice Memorandum
Procurement Department**

TO: Randy Cross, Procurement Director

FROM: Natalie Richmond, Procurement Analyst

DATE: January 19, 2016

RE: Standardization Committee – Taser Equipment and Accessories

Please be advised that a three member Standards Committee was formed and met on November 4, 2015 in accordance with the City's Procurement Code to discuss standardization of the Taser products for the Police Department. The Committee comprised of city staff from the Police Department (Sergeant Chris Saunders) and the Procurement Department (Thomas Blaine and Natalie Richmond).

The Committee agreed on the standardization of the Taser products for use by the Police Department for the following reasons:

- 1) The Police Department currently uses Taser equipment as a part of their uniform non-lethal weapon.
- 2) Police Department personnel have been trained over the years and are familiar with using the Taser equipment as the non-lethal form of weapon.
- 3) The Police Department intends to continue to use this product as the standard non-lethal equipment in emergency situations.

I would like recommend that the purchase of Taser equipment from Taser International, Inc. be approved as City Standard purchase in accordance with Section 2-413(c) of the City Code, *City Standard Commodities*.

The estimated annual spend for Taser equipment and accessories by the Police Department is \$15,000.

Cc: Donald Livernois, Fiscal Property Supervisor

Does this purchase request represent an increase or a decrease in utilization or price? (Please explain in detail) No	

SECTION I

Completion of this form is required in advance of all Sole Source/Bid Waiver purchases (procurements) in excess of \$2,500 from Miramar resident vendors or \$1000 from all other vendors.

Check one of the following that best describes the proposed procurement:

- Only one source (supplier) exists for the required product/service ("sole source").
- Product Standardization
- Other reason deemed to be in the best interests of the City (Commission Approval Required)

1. In 'layman's terms', describe the purpose or function of the required product or service. (Minimum 3 sentences required.)

Non-Lethal weapon issued to Police Officers. It is used in place of using lethal force. Using a Taser Gun is safer for the officer, suspected and general public. "Pepper spray goes on for hours and hours, hitting someone with a baton breaks limbs, shooting someone with a firearm causes permanent damage, even punching and kicking—the intent of those tools is to inflict pain, with the Taser, the intent is not to inflict pain; it's to end the confrontation. When it's over, it's over."

—Taser Chairman Tom Smith

2. If the particular product or service was not available or could not be procured, how would the department proceed with its work? (Minimum 3 sentences required.)

The officer would have to use other means to subdue the suspect. A baton could be used for less than lethal but that endangers the officer because he must be close to the suspect. Or the situation advances to the use of lethal weapons. The Taser allows for an additional level to remedy the situation.

**City of Miramar
SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM**

Sole Source

3a. Explain why the product/service is the only product/service that can satisfy your requirements and explain why alternative are unacceptable. Be specific with regard to unique specification, unique features, characteristics, requirements capabilities and compatibility. Describe what steps have been undertaken to make this decision. (Minimum 4 sentences required.)

N/A

Complete for Sole Source

3b. Explain why this vendor is the only practicable available source which to obtain this product or service and describe the efforts that were made to verify and confirm whether, or not, this is so. (Obtain and include a letter from the manufacturer confirming claims made by distributor of exclusive distributorships for the product or service, if, that is cited as a reason for this request.) (Minimum 4 sentences required.)

4. Explain why the product/service requested can best satisfy your requirements and explain why a waiver of competitive bidding is in the best interest of the City. Be specific with regard to unique specification, unique features, characteristics, requirements capabilities and compatibility. Describe what steps have been undertaken to make this decision. (Minimum 3 sentences required.)

Taser equipment is used by other local law enforcement agencies. Tasers are already in use by Miramar Police Department. Taser International is recognized leader in their field.

Sole Source and Product Standardization

5. Provide a description of the market survey conducted and the results, or a statement of the reasons a market survey was not conducted. (Minimum 4 sentences required.)

The Department currently uses Taser weapons as its standard non-lethal weapon.

The cost to switch to another manufacturer would be prohibitive.

The Taser units are a standard for other police agencies.

Training is readily available for the Taser products.

Complete for Sole Source and Product Standardization

6. Will this purchase obligate the City to a particular vendor/provider for future purchases? (Either in terms of maintenance that only this vendor will be able to perform and/or if we purchase this item. Will the City need more "like" items or services in the future to match this one?)

Yes, the Taser equipment is proprietary to Taser International. Cartridges, batteries, and repairs will be done by Taser International. This allows Taser to maintain a high level of quality control on equipment used that keeps failures to a minimum. This allows for lower liability in the long run.

Complete for Sole Source and Product Standardization

**City of Miramar
SOLE SOURCE/PRODUCT STANDARDIZATION JUSTIFICATION FORM**

7 Explain why the price for this product or service is considered to be fair and reasonable.

The City has already invested in Taser products. They produce a very high quality product to keep failure and malfunctions to a minimum. Overall they produce a safe product for the end user.

In terms of safety the Taser is safer than the lethal weapon that would be used.

8. Describe the negotiations efforts, if any that have been made with the vendor/provider to obtain the best possible price.

Working directly with the manufacturer no middle man or distributor.

They are the only outlet for their product.

Complete for Sole Source and Product Standardization

9. Describe the actions the department will take, if feasible, to overcome the present barriers to competition prior to any future procurement of this product or service.

The Department is always on the lookout for any new product or procedure that can be utilized by law enforcement.

Re: Sole Source Letter for TASER International, Inc.'s Conducted Electrical Weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International. TASER is also the sole distributor of all TASER® brand products in the States of CT, DE, FL, GA, HI, IL, IN, MA, MD, ME, MI, MN, MS, NH, NJ, NY, OK, OR, PA, RI, TX, VA, VT, WI, WV, and the District of Columbia.

TASER CEW Descriptions

X2™ CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart cartridge installed
- Central Information Display (CID). Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy™ log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com™ services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM™ HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart™ cartridges only

X26P™ CEW

- High efficiency flashlight
- Red LASER (used for target acquisition)
- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy™ log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. TERMS AND CONDITIONS

The following Terms and Conditions are applicable to this order entered into by and between City of Miramar (referred to as the "City") and Vendor referred to as the "Seller")

MODIFICATIONS

Any purchase order form and any other document pertaining to this transaction that has been acknowledged in writing by the Chief Procurement Officer constitute the complete and exclusive statement of this order. Accordingly, no modification or amendment shall be binding on the City unless signed by the Chief Procurement Officer.

CITY ATTORNEY APPROVAL

The City Attorney has approved these standard terms and conditions as to form and legality. Accordingly, no modification of these terms and conditions shall be binding upon the City unless they are endorsed and proved by the City Attorney. In the event of a conflict between these terms and conditions and any other document pertaining to the transaction covered by this order, these terms and conditions shall prevail.

SIGNMENT

Any assignment of this order or the performance of work hereunder, in whole or in part, is prohibited.

CUSABLE DELAYS

The City may grant additional time for any delay or failure to perform hereunder if the delay will not adversely impact the best interests of the City and is due to causes beyond the control of the Seller. Such grant must be in writing and made part of the order.

FAULT

In the event of default by the Seller, City may procure the articles or services covered by this order from other sources and hold the Seller responsible for any excess costs occasioned thereby, in addition to all other available remedies at law or equity.

TERMINATION

City, acting through its City Manager or his/her designee, reserves the right to terminate this order in whole or in part for default (a) if Seller fails to perform in accordance with any of the requirements of this order or (b) if Seller becomes insolvent or suspends any of its operations or if any petition is filed or proceeding commenced by or against Seller under any state or Federal Law relating to bankruptcy, reorganization, receivership or assignment for the benefit of creditors. Any such termination will be without liability to City except for completed items delivered and accepted by the City. Seller will be liable for excess costs of reprocurement.

F.O.B.

In those cases where F.O.B. point is not Destination, Seller is required to pay freight charges and list separately on the invoice. Collect payments will not be accepted.

RMS

By accepting this order, the Seller agrees that payment terms shall be Net unless otherwise stated.

INVOICING

Seller must render original invoice to the City of Miramar. Accounts payable, 2300 Civic Center Place, Miramar, FL 33025-6577.

X

The City of Miramar is exempt from Federal and State taxes for tangible personal property. Sellers doing business with the City, which are not otherwise exempt, shall not be exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City, nor shall any Seller be authorized to use the City Tax Exemption Number in pricing such materials.

RESPONSIBILITY

The City is not responsible for any goods delivered or services performed unless covered by a duly signed and authorized City of Miramar order, issued by the Procurement Division.

ACCEPTANCE

Seller's acceptance of this order will be presumed unless Seller acknowledges exception, in writing, to the City within (10) calendar days of the date of the order.

PRESENTATIVE

Parties to this order agree that the representatives named herein possess full and complete authority to bind the parties.

DELIVERIES

Deliveries are to be made during the hours of 8:00 AM to 5:00 PM, Monday through Thursday, excluding holidays, unless otherwise indicated. Seller shall notify the City of deliveries that require special handling and/or assistance for off-loading. Failure to notify the City concerning this type of delivery will result in the billing to Seller of any on-delivery, storage or handling charges.

INSPECTION

Commodities delivered on this order are subject to inspection upon receipt by a representative of the City. All rejected commodities shall remain the property of the Seller and will be returned at the Seller's expense.

QUANTITIES

Quantities specified in the order cannot be changed without City approval. Goods shipped in excess of quantity designated may be returned at the Seller's expense.

PAYMENT CHANGES

Payments shall be made only to the company and address as set forth on the order unless the Seller has requested a change thereto on official company letterhead, signed by an authorized officer of the company.

ANTI-DISCRIMINATION

Seller shall not discriminate against any person in its operations, activities or delivery of services. Seller shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for disqualification.

UNIFORM COMMERCIAL CODE

Florida law, including without limitation the Uniform Commercial Code (Chapter 670-680, Florida Statutes), shall apply to and supplement the terms and conditions of this order.

LEGAL RESPONSIBILITY

By accepting this order, Seller understands and agrees that the items covered herein, or services to be rendered, shall be manufactured, sold or performed in compliance with applicable Federal, State, County and Local laws, ordinances, rules and regulations. Lack of knowledge by the Seller shall in no way be a cause for relief from responsibility.

LIABILITY-COPYRIGHT/PATENT/TRADEMARK

Seller shall save and hold harmless City, its officers, employees and agents from liability for infringement of any United States patent, trademark or copyright for or on account of the use of any product sold to City or used in the performance of this order.

INDEMNIFICATION

Seller shall indemnify, hold harmless and defend City, its officers, employees and agents from and against any and all claims, damages, liability, judgments or causes of action, including costs, expenses and attorney fees, incurred as a result of any error, omission or negligent act by the Seller, its officers, employees, agents, subcontractors or assignees arising out of this order.

OCCUPATIONAL SAFETY AND HEALTH

Seller must comply with requirements under Chapter 442, Florida Statutes, that any toxic substance delivered as a part of this order must be accompanied by a Material Safety Data Sheet (M.S.D.S.)

PUBLICITY

No endorsement by the City of the product and/or service will be used by Seller in any way, manner or form in product literature, advertising, or for any other purpose.

INSURANCE

The Seller of services must have secured and maintained the required amount of \$1,000,000 general and \$500,000 automobile liability limits and must list the City as an additional insured of this coverage. The Seller must have worker's compensation coverage as required by law. Any exception to the above stated limits or other requirements must be endorsed and approved by the City of Miramar Risk Manager.

COMPLIANCE WITH LAWS

Seller shall fully obey and comply with all laws, ordinances and administrative regulations duly made in accordance therewith, which are or shall become applicable to this order or the performance of work hereunder.

CONSENT TO JURISDICTION

Venue of any action to enforce this order or the performance of work hereunder shall be in Broward County, Florida. If City or Seller shall be required to enforce the terms of this order by court proceedings or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

Warranty

Commodities furnished shall be new and free from defects and packaged commercially for shipment and delivery. Any implied warranty granted under the Uniform Commercial Code shall apply to all commodities purchased under this Contract. All written standard warranties for commodities shall inure to the benefit of the City, and Seller shall supply a copy of the manufacturer's written standard warranty certificates for each commodity being purchased. The warranty supplied by the manufacturer shall begin on the date of acceptance of the commodities by the City and shall remain in full force for the full period identified by the manufacturer. Any payment by the City for the commodities received does not constitute a waiver of these warranty provisions.

If Seller fails to honor the manufacturer's warranty and/or fails to correct or replace the defective items within 15 calendar days after written notice from the City of such deficiencies, the City may, at its discretion, provide additional written notice of potential debarment or of other contractual remedies if the corrections or replacements are not completed to City's satisfaction within five calendar days of receipt of the notice. If Seller fails to satisfy the manufacturer's warranty, or provide the corrections or replacements within the specified time, the Seller may be placed in default and/or the commodities may be obtained from another seller and the Seller charged the costs of procurement, either through an offset from any unpaid invoices or through invoices.

TERMS AND CONDITIONS

The following Terms and Conditions are applicable to this order entered by and between City of Miramar (referred to as the "City") and Vendor (referred to as the "Seller")

MODIFICATIONS

Any purchase order form and any other document pertaining to this transaction that has been acknowledged in writing by the Chief Procurement Officer constitute the complete and exclusive statement of the order. Accordingly, no modification or amendment shall be binding on the City unless signed by the Chief Procurement Officer.

TY ATTORNEY APPROVAL

The City Attorney has approved these standard terms and conditions as form and legality. Accordingly, no modification of these terms and conditions shall be binding upon the City unless they are endorsed and proved by the City Attorney. In the event of a conflict between these terms and conditions and any other document pertaining to the transaction covered by this order, these terms and conditions shall prevail.

ASSIGNMENT

Assignment of this order or the performance of work hereunder, in whole or in part, is prohibited.

CUSABLE DELAYS

The City may grant additional time for any delay or failure to perform hereunder if the delay will not adversely impact the best interests of the City and is due to causes beyond the control of the Seller. Such grant must be in writing and made part of the order.

FAULT

In the event of default by the Seller, City may procure the articles or services covered by this order from other sources and hold the Seller responsible for any excess costs occasioned thereby, in addition to all other available remedies at law or equity.

MINATION

City, acting through its City Manager or his/her designee, reserves the right to terminate this order in whole or in part for default (a) if Seller fails to perform in accordance with any of the requirements of this order or (b) if Seller becomes insolvent or suspends any of its operations or if any petition is filed or proceeding commenced by or against Seller under any state or Federal Law relating to bankruptcy, reorganization, receivership or assignment for the benefit of creditors. Any such termination will be without liability to City except for completed items delivered and accepted by the City. Seller will be liable for excess costs of reprocurement.

O.B.

In those cases where F.O.B. point is not Destination, Seller is required to pay freight charges and list separately on the invoice. Collect payments will not be accepted.

RMS

Accepting this order, the Seller agrees that payment terms shall be Net unless otherwise stated.

VOICING

Seller must render original invoice to the City of Miramar: Accounts Payable, 2300 Civic Center Place, Miramar, FL 33025-6577.

X

The City of Miramar is exempt from Federal and State taxes for tangible personal property. Sellers doing business with the City, which are not otherwise exempt, shall not be exempt from paying sales tax to their employers for materials to fulfill contractual obligations with the City, nor shall any Seller be authorized to use the City Tax Exemption Number in curing such materials.

SPONSIBILITY

The City is not responsible for any goods delivered or services performed unless covered by a duly signed and authorized City of Miramar order, issued by the Procurement Division.

CEPTANCE

Seller's acceptance of this order will be presumed unless Seller acknowledges exception, in writing, to the City within (10) calendar days of the date of the order.

PRESENTATIVE

Parties to this order agree that the representatives named herein possess full and complete authority to bind the parties.

LIVERIES

Deliveries are to be made during the hours of 8:00 AM to 5:00 PM, Monday through Thursday, excluding holidays, unless otherwise indicated. Seller shall notify the City of deliveries that require special handling and/or assistance for off-loading. Failure to notify the City concerning this type of delivery will result in the billing to Seller of any on-re-delivery, storage or handling charges.

PECTION

Commodities delivered on this order are subject to inspection upon receipt by a representative of the City. All rejected commodities shall remain the property of the Seller and will be returned at the Seller's expense.

QUANTITIES

Quantities specified in the order cannot be changed without City approval. Goods shipped in excess of quantity designated may be returned at the Seller's expense.

PAYMENT CHANGES

Payments shall be made only to the company and address as set forth on the order unless the Seller has requested a change thereto on official company letterhead, signed by an authorized officer of the company.

ANTI-DISCRIMINATION

Seller shall not discriminate against any person in its operations, activities or delivery of services. Seller shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for disqualification.

UNIFORM COMMERCIAL CODE

Florida law, including without limitation the Uniform Commercial Code (Chapter 670-680, Florida Statutes), shall apply to and supplement the terms and conditions of this order.

LEGAL RESPONSIBILITY

By accepting this order, Seller understands and agrees that the items covered herein, or services to be rendered, shall be manufactured, sold or performed in compliance with applicable Federal, State, County and Local laws, ordinances, rules and regulations. Lack of knowledge by the Seller shall in no way be a cause for relief from responsibility.

LIABILITY-COPYRIGHT/PATENT/TRADEMARK

Seller shall save and hold harmless City, its officers, employees and agents from liability for infringement of any United States patent, trademark or copyright for or on account of the use of any product sold to City or used in the performance of this order.

INDEMNIFICATION

Seller shall indemnify, hold harmless and defend City, its officers, employees and agents from and against any and all claims, damages, liability, judgments or causes of action, including costs, expenses and attorney fees, incurred as a result of any error, omission or negligent act by the Seller, its officers, employees, agents, subcontractors or assignees arising out of this order.

OCCUPATIONAL SAFETY AND HEALTH

Seller must comply with requirements under Chapter 442, Florida Statutes, that any toxic substance delivered as a part of this order must be accompanied by a Material Safety Data Sheet (M.S.D.S.)

PUBLICITY

No endorsement by the City of the product and/or service will be used by Seller in any way, manner or form in product literature, advertising, or for any other purpose.

INSURANCE

The Seller of services must have secured and maintained the required amount of \$1,000,000 general and \$500,000 automobile liability limits and must list the City as an additional insured of this coverage. The Seller must have worker's compensation coverage as required by law. Any exception to the above stated limits or other requirements must be endorsed and approved by the City of Miramar Risk Manager.

COMPLIANCE WITH LAWS

Seller shall fully obey and comply with all laws, ordinances and administrative regulations duly made in accordance therewith, which are or shall become applicable to this order or the performance of work hereunder.

CONSENT TO JURISDICTION

Venue of any action to enforce this order or the performance of work hereunder shall be in Broward County, Florida. If City or Seller shall be required to enforce the terms of this order by court proceedings or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

Warranty

Commodities furnished shall be new and free from defects and packaged commercially for shipment and delivery. Any implied warranty granted under the Uniform Commercial Code shall apply to all commodities purchased under this Contract. All written standard warranties for commodities shall inure to the benefit of the City, and Seller shall supply a copy of the manufacturer's written standard warranty certificates for each commodity being purchased. The warranty supplied by the manufacturer shall begin on the date of acceptance of the commodities by the City and shall remain in full force for the full period identified by the manufacturer. Any payment by the City for the commodities received does not constitute a waiver of these warranty provisions.

If Seller fails to honor the manufacturer's warranty and/or fails to correct or replace the defective items within 15 calendar days after written notice from the City of such deficiencies, the City may, at its discretion, provide additional written notice of potential debarment or of other contractual remedies if the corrections or replacements are not completed to City's satisfaction within five calendar days of receipt of the notice. If Seller fails to satisfy the manufacturer's warranty or provide the corrections or replacements within the specified time, the Seller may be placed in default and/or the commodities may be obtained from another seller and the Seller charged the costs of procurement, either through an offset from any unpaid invoices or through invoices.

Re: Sole Source Letter for TASER International, Inc.'s Conducted Electrical Weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International. TASER is also the sole distributor of all TASER brand products in the States of AR, CT, DE, FL, GA, HI, IA, IL, IN, KS, LA, MA, MD, ME, MI, MN, MO, MS, NC, ND, NE, NH, NJ, NY, OK, OR, PA, RI, SC, SD, TX, VA, VI, VT, WI, WV, and the District of Columbia and Guam.

TASER CEW Descriptions

X2 CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart Cartridge installed
- Central Information Display (CID): Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart Cartridges only

X26P CEW

- High efficiency flashlight
- Red LASER (used for target acquisition)
- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER standard series cartridges

Axon Signal Performance Power Magazine (SPPM)

- Battery pack for the X2 and X26P conducted electrical weapons
- Shifting the safety switch from the down (SAFE) to the up (ARMED) positions sends a signal from the SPPM. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode.

PURPOSE//JUSTIFICATION:	
-------------------------	--

The aforementioned cartridges are required to comply with CLAEA Standard 4.3.3 that each officer carrying a Taser must demonstrate annually proficiency with the Taser. The Taser components themselves are required to both equip new officers with the Taser, and replace older Tasers that are no longer functional.

Re: Sole Source Letter for TASER International, Inc.'s Conducted Electrical Weapons

A sole source justification exists because the following goods and services required to satisfy the agency's needs are only manufactured and available for purchase from TASER International. TASER is also the sole distributor of all TASER brand products in the States of AR, CT, DE, FL, GA, HI, IA, IL, IN, KS, LA, MA, MD, ME, MI, MN, MO, MS, NC, ND, NE, NH, NJ, NY, OK, OR, PA, RI, SC, SD, TX, VA, VI, VT, WI, WV, and the District of Columbia and Guam.

TASER CEW Descriptions

X2 CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart Cartridge installed
- Central Information Display (CID): Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately 5 seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart Cartridges only

X26P CEW

- High efficiency flashlight
- Red LASER (used for target acquisition)
- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER standard series cartridges

Axon Signal Performance Power Magazine (SPPM)

- Battery pack for the X2 and X26P conducted electrical weapons
- Shifting the safety switch from the down (SAFE) to the up (ARMED) positions sends a signal from the SPPM. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode.

TERMS AND CONDITIONS

following Terms and Conditions are applicable to this order entered by and between City of Miramar (referred to as the "City") and Vendor referred to as the "Seller")

MODIFICATIONS

A purchase order form and any other document pertaining to this transaction that has been acknowledged in writing by the Chief Procurement Officer constitute the complete and exclusive statement of order. Accordingly, no modification or amendment shall be binding on the City unless signed by the Chief Procurement Officer.

ATTORNEY APPROVAL

The City Attorney has approved these standard terms and conditions as form and legality. Accordingly, no modification of these terms and conditions shall be binding upon the City unless they are endorsed and proved by the City Attorney. In the event of a conflict between these terms and conditions and any other document pertaining to the transaction covered by this order, these terms and conditions shall prevail.

SIGNMENT

Assignment of this order or the performance of work hereunder, in whole or in part, is prohibited.

CUSABLE DELAYS

The City may grant additional time for any delay or failure to perform under if the delay will not adversely impact the best interests of the City and is due to causes beyond the control of the Seller. Such grant must be in writing and made part of the order.

FAULT

In the event of default by the Seller, City may procure the articles or services covered by this order from other sources and hold the Seller responsible for any excess costs occasioned thereby, in addition to all other available remedies at law or equity.

TERMINATION

City, acting through its City Manager or his/her designee, reserves the right to terminate this order in whole or in part for default (a) if Seller fails to conform in accordance with any of the requirements of this order or (b) if Seller becomes insolvent or suspends any of its operations or if any petition is filed or proceeding commenced by or against Seller under any state or Federal Law relating to bankruptcy, reorganization, receivership or assignment for the benefit of creditors. Any such termination will be without liability to City except for completed items delivered and accepted by the Seller. Seller will be liable for excess costs of reprocurement.

O.B.

In those cases where F.O.B. point is not Destination, Seller is required to pay freight charges and list separately on the invoice. Collect payments will not be accepted.

RMS

By accepting this order, the Seller agrees that payment terms shall be Net 30 unless otherwise stated.

INVOICING

Seller must render original invoice to the City of Miramar: Accounts Payable, 2300 Civic Center Place, Miramar, FL 33025-6577.

X

The City of Miramar is exempt from Federal and State taxes for tangible personal property. Sellers doing business with the City, which are not otherwise exempt, shall not be exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City, nor shall any Seller be authorized to use the City Tax Exemption Number in purchasing such materials.

RESPONSIBILITY

The City is not responsible for any goods delivered or services performed unless covered by a duly signed and authorized City of Miramar order, issued by the Procurement Division.

ACCEPTANCE

Seller's acceptance of this order will be presumed unless Seller acknowledges exception, in writing, to the City within (10) calendar days of the date of the order.

REPRESENTATIVE

Parties to this order agree that the representatives named herein possess full and complete authority to bind the parties.

DELIVERIES

Deliveries are to be made during the hours of 8:00 AM to 5:00 PM, Monday through Thursday, excluding holidays, unless otherwise indicated. Seller shall notify the City of deliveries that require special idling and/or assistance for off-loading. Failure to notify the City concerning this type of delivery will result in the billing to Seller of any on-redelivery, storage or handling charges.

INSPECTION

Commodities delivered on this order are subject to inspection upon receipt by a representative of the City. All rejected commodities shall remain the property of the Seller and will be returned at the Seller's expense.

QUANTITIES

Quantities specified in the order cannot be changed without City approval. Goods shipped in excess of quantity designated may be returned at the Seller's expense.

PAYMENT CHANGES

Payments shall be made only to the company and address as set forth on the order unless the Seller has requested a change thereto on official company letterhead, signed by an authorized officer of the company.

ANTI-DISCRIMINATION

Seller shall not discriminate against any person in its operations, activities or delivery of services. Seller shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for disqualification.

UNIFORM COMMERCIAL CODE

Florida law, including without limitation the Uniform Commercial Code (Chapter 670-680, Florida Statutes), shall apply to and supplement the terms and conditions of this order.

LEGAL RESPONSIBILITY

By accepting this order, Seller understands and agrees that the items covered herein, or services to be rendered, shall be manufactured, sold or performed in compliance with applicable Federal, State, County and Local laws, ordinances, rules and regulations. Lack of knowledge by the Seller shall in no way be a cause for relief from responsibility.

LIABILITY-COPYRIGHT/PATENT/TRADEMARK

Seller shall save and hold harmless City, its officers, employees and agents from liability for infringement of any United States patent, trademark or copyright for or on account of the use of any product sold to City or used in the performance of this order.

INDEMNIFICATION

Seller shall indemnify, hold harmless and defend City, its officers, employees and agents from and against any and all claims, damages, liability, judgments or causes of action, including costs, expenses and attorney fees, incurred as a result of any error, omission or negligent act by the Seller, its officers, employees, agents, subcontractors or assignees arising out of this order.

OCCUPATIONAL SAFETY AND HEALTH

Seller must comply with requirements under Chapter 442, Florida Statutes, that any toxic substance delivered as a part of this order must be accompanied by a Material Safety Data Sheet (M.S.D.S.)

PUBLICITY

No endorsement by the City of the product and/or service will be used by Seller in any way, manner or form in product literature, advertising, or for any other purpose.

INSURANCE

The Seller of services must have secured and maintained the required amount of \$1,000,000 general and \$500,000 automobile liability limits and must list the City as an additional insured of this coverage. The Seller must have worker's compensation coverage as required by law. Any exception to the above stated limits or other requirements must be endorsed and approved by the City of Miramar Risk Manager.

COMPLIANCE WITH LAWS

Seller shall fully obey and comply with all laws, ordinances and administrative regulations duly made in accordance therewith, which are or shall become applicable to this order or the performance of work hereunder.

CONSENT TO JURISDICTION

Venue of any action to enforce this order or the performance of work hereunder shall be in Broward County, Florida. If City or Seller shall be required to enforce the terms of this order by court proceedings, or otherwise, whether or not formal legal action is required, the prevailing party shall be entitled to recover from the other party all such costs and expenses, including but not limited to, costs and reasonable attorney's fees.

Warranty

Commodities furnished shall be new and free from defects and packaged commercially for shipment and delivery. Any implied warranty granted under the Uniform Commercial Code shall apply to all commodities purchased under this Contract. All written standard warranties for commodities shall inure to the benefit of the City, and Seller shall supply a copy of the manufacturer's written standard warranty certificates for each commodity being purchased. The warranty supplied by the manufacturer shall begin on the date of acceptance of the commodities by the City and shall remain in full force for the full period identified by the manufacturer. Any payment by the City for the commodities received does not constitute a waiver of these warranty provisions.

If Seller fails to honor the manufacturer's warranty and/or fails to correct or replace the defective items within 15 calendar days after written notice from the City of such deficiencies, the City may, at its discretion, provide additional written notice of potential debarment or of other contractual remedies if the corrections or replacements are not completed to City's satisfaction within five calendar days of receipt of the notice. If Seller fails to satisfy the manufacturer's warranty, or provide the corrections or replacements within the specified time, the Seller may be placed in default and/or the commodities may be obtained from another seller and the Seller charged the costs of procurement, either through an offset from any unpaid invoices or through invoices.

Re: Sole Manufacturer Letter for Axon Enterprise, Inc.'s Conducted Electrical Weapons, on-Officer Cameras, and Evidence.com Data Management Solutions

Axon Enterprise, Inc. (Axon), is the sole manufacturer for TASER brand conducted electrical weapons (CEWs) and Axon brand products. Axon is also the sole distributor of all Axon brand products in the USA and the sole distributor of all TASER brand products in the States of AR, CT, DE, FL, GA, HI, IA, IL, IN, KS, LA, MA, MD, ME, MN, MO, MS, NC, ND, NE, NH, NJ, NY, OK, OR, PA, RI, SC, SD, TX, VA, VI, VT, WI, WV, and the District of Columbia. Axon is also the sole developer and offeror of the Evidence.com data management services.¹

TASER CEW Descriptions

TASER 7 CEW

- Multiple-shot CEW
- High-efficiency flashlight
- Close Quarter and Standoff cartridges
- Green LASER and dual red LASERs that adjust for cartridge angle
- Arc switch enables drive-stun with or without a Smart Cartridge installed
- Central Information Display (CID): Displays mission critical data such as remaining battery energy, burst time, and cartridge status.
- Weapon logs
- TASER 7 Dock connected to Axon Evidence (Evidence.com) services
- Onboard self-diagnostic and system status monitoring and reporting
- Real-time clock updated when the battery pack is plugged into the TASER 7 Dock
- Ambidextrous safety switch
- Can be configured by the agency to alert Axon camera systems
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (unless configured by the agency to stop at five seconds). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER 7 Cartridges only

X2 CEW

- Multiple-shot CEW
- High efficiency flashlight
- Static dual LASERs (used for target acquisition)
- ARC switch enables drive-stun with or without a Smart Cartridge installed
- Central Information Display (CID): Displays mission-critical data such as remaining battery energy, burst time, operating mode, and user menu to change settings and view data on a yellow-on-black display
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch

¹ Evidence.com is both a division of Axon and a data management product solution offered by Axon. Evidence.com is not a separate corporate entity.

- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER Smart Cartridges only

X26P CEW

- High efficiency flashlight
- Red LASER (used for target acquisition)
- Central Information Display (CID): Displays data such as calculated remaining energy, burst time, and notifications
- The Trilogy log system records information from a variety of sensors into three data logs: Event log, Pulse log, and Engineering log. Data can be downloaded using a universal serial bus (USB) data interface module connected to a personal computer (PC). Data may be transferred to Evidence.com services.
- Real-time clock with back-up battery
- Onboard self-diagnostic and system status monitoring and reporting
- Ambidextrous safety switch
- Capable of audio/video recording with optional TASER CAM HD recorder
- The trigger activates a single cycle (approximately five seconds). Holding the trigger down will continue the discharge beyond the standard cycle (except when used with an APPM or TASER CAM HD AS). The CEW cycle can be stopped by placing the safety switch in the down (SAFE) position.
- Compatible with TASER standard series cartridges

Axon Signal Performance Power Magazine (SPPM)

- Battery pack for the TASER X2 and X26P conducted electrical weapons
- Shifting the safety switch from the down (SAFE) to the up (ARMED) positions sends a signal from the SPPM. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode. Axon Signal technology only works with Axon cameras.

Axon Signal Sidearm Sensor

- Can be installed on common duty holsters
- Drawing a service handgun from the holster sends a signal from the Axon Signal Sidearm sensor. Upon processing the signal, an Axon system equipped with Axon Signal technology transitions from the BUFFERING to EVENT mode.

Evidence.com Data Management System

- Software as a Service (SaaS) delivery model that allows agencies to manage and share digital evidence without local storage infrastructure or software needed
- SaaS model reduces security and administration by local IT staff: no local installation required
- Automatic, timely security upgrades and enhancements deployed to application without the need for any local IT staff involvement
- Securely share digital evidence with other agencies or prosecutors without creating copies or requiring the data to leave your agency's domain of control
- Controlled access to evidence based on pre-defined roles and permissions and pre-defined individuals
- Password authentication includes customizable security parameters: customizable password complexity, IP-based access restrictions, and multi-factor authentication support
- Automated category-based evidence retention policies assists with efficient database management
- Ability to recover deleted evidence within 7 days of deletion
- Stores and supports all major digital file types: .mpeg, .doc, .pdf, .jpeg, etc.
- Requires NO proprietary file formats
- Ability to upload files directly from the computer to Evidence.com via an Internet browser
- Data Security: Robust Transport Layer Security (TLS) implementation for data in transit and 256-bit AES encryption for data in storage
- Security Testing: Independent security firms perform in-depth security and penetration testing
- Reliability: Fault- and disaster-tolerant infrastructure in at least four redundant data centers in both the East and West regions of the United States
- Chain-of-Custody: Audit logs automatically track all system and user activity. These logs cannot be edited or deleted, even by account administrators and IT staff
- Protection: With no on-site application, critical evidence stored in Evidence.com is protected from local malware that may penetrate agency infrastructure
- Stability: Axon Enterprise is a publicly traded company with stable finances and funding, reducing concerns of loss of application support or commercial viability
- Application and data protected by a CJIS and ISO 27001 compliant information security program
- Dedicated information security department that protects Evidence.com and data with security monitoring, centralized event log analysis and correlation, advanced threat and intrusion protection, and incident response capabilities
- Redact videos easily within the system, create tags, markers and clips, search seven fields in addition to five category-based fields, create cases for multiple evidence files
