Thank you for choosing Georgia Power Company. We look forward to servicing your surveillance needs. The following proposal is for the custom installation of a Genetec Security Center Surveillance system to include Flock Safety LPR cameras.

**Georgia Power Company proposes the following:**

- Install (12) Flock Safety LPR Surveillance Cameras.
- Install (8) Axis 2MP High Definition PTZ Cameras.
- Install (1) Genetec Clearance 100 Plan (100 new cases per month)
- Install (1) Genetec On-Premise Security Center Server.
- 30-Day Edge Storage accessible via cloud.

**Cost Breakdown:**

**Total Monthly Cost: \$6,479.58**

**Total Annual Cost: \$77,754.96**

**The monthly cost covers all maintenance and data storage for your state of art Surveillance System. There will be no upfront payment associated with this installation. An initial one-month agreement is required after which, will automatically renew at the same stated amount.**

Please note, for surveillance cameras to tie in with local police department, they must utilize Genetec security center. If you decide you use our surveillance system I will prepare the appropriate paper work for you to sign. This proposal is valid for 30 days from the date of this letter. Should you have any questions, please call me at the number listed below.

Sincerely,

Nealy Scott
