Subject: [EXTERNAL] Athens-Clarke County PD/Atlanta PD | Fusus Mutual Aid Request

Team,

By way of email, I would like to introduce agency stakeholders to obtain approval for a mutual aid arrangement.

This proposed arrangement presents an opportunity for Athens-Clarke County PD and Atlanta PD to share strategic video assets in an effort to increase situational awareness.

After receipt of written confirmation from both agencies, the Fusus Helpdesk will create shares between the agreed upon assets. Please let me know if you have any questions or concerns.

We appreciate your consideration.
