**Receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative.** Accepting orders directly from member entities may result in a violation of the State of Texas competitive bid statute and cancellation of the proposal award therefore all orders must be processed through the Cooperative in order to comply. We request your assistance in immediately forwarding by fax (1-800-211-5454) to the cooperative any orders received directly from member entities. If by chance an order sent directly to you has been unintentionally processed, please fax it to the Cooperative (1-800-211-5454) and note it as **RECORD ONLY** to prevent duplication.

**Per proposal specifications, awarded vendors will have 60 days to submit their electronic catalog including pricing. If the electronic data is not provided within 60 days of notice of award, we reserve the right to inactivate any company's award information from the BuyBoard until such time the electronic data is received.**

### **AFFIRMATION REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES**

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, attached to this Form F, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services.

By signature below, the undersigned affirms that Proposer has read and understands the Advisory attached to this Form F and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

COMM.V.3.31.15

## **BUYBOARD PROCUREMENT AND CONSTRUCTION-RELATED GOODS AND SERVICES ADVISORY FOR TEXAS MEMBERS**

**Why make purchases using BuyBoard?** Purchasing through a cooperative or "interlocal contract" satisfies the requirement of local governments to seek competitive procurement for the purchase of goods or services.<sup>1</sup> Therefore, you may purchase goods and services from a vendor through BuyBoard without having to conduct your own competitive procurement. If, however, you are procuring construction-related services through a BuyBoard Job Order Contract (JOC) or contract for the installation of equipment or materials (e.g., athletic fields and surfaces, kitchen equipment, HVAC, playground equipment, or modular buildings), you may, as explained in this Advisory, need to procure certain aspects of these services using a separate procurement process outside of the BuyBoard and should consult your procurement officer and/or legal advisor for specific advice.

**What is BuyBoard's Procurement Process?** The BuyBoard uses a competitive procurement process to award contracts to vendors for goods and services that the BuyBoard determines, based on an evaluation of multiple criteria, represents the best value for its members.

**How does BuyBoard award a contract to a vendor?** As a condition of being awarded a BuyBoard contract, a vendor is bound by and must agree to comply with all the terms of the BuyBoard's proposal invitation (or specifications), the vendor's proposal response, and any additional contract terms negotiated with the BuyBoard member. Among other things, the vendor must honor the pricing submitted in the vendor's proposal. **THE PRICE YOU PAY FOR THE GOODS AND SERVICES COVERED BY THE BUYBOARD CONTRACT MAY BE LESS THAN THE AWARDED PRICING, BUT CANNOT BE MORE.** Additionally, the vendor must comply with the BuyBoard contract's general terms and conditions, and any additional terms and conditions that apply to the specific BuyBoard contract, as set out in the proposal invitation.

**How does a BuyBoard member make purchases through the BuyBoard contract?** You utilize the awarded BuyBoard contract by issuing a signed purchase order through the BuyBoard online application to procure the selected goods or services. Although BuyBoard must receive a copy of the signed purchase order, BuyBoard does not review or approve the purchase order or other supplemental agreement that you obtain – this is a matter between you and the vendor. If construction-related services are procured through the BuyBoard, additional contracts with professionals and the contractor may be required, depending on the nature and scope of the services. As stated above, you should consult your procurement officer and/or legal advisor for specific advice.

### **How do I know that my entity has made a purchase through the BuyBoard?**

BuyBoard must have a copy of the purchase order in order for the purchase to be considered a BuyBoard procurement. To ensure that your entity has satisfied state law requirements for competitive procurement, make sure that the BuyBoard has your purchase order. Do not rely on the vendor to submit the purchase order on your behalf; it is your responsibility to make sure that the BuyBoard has the signed purchase order. You may log in to [www.buyboard.com](http://www.buyboard.com) using your member I.D. and password to view the Purchase Order Status Report to confirm that the purchase order is in the BuyBoard system.

**What should BuyBoard members consider when using BuyBoard for construction-related purchases?** While purchasing goods and services through BuyBoard satisfies your legal requirement to competitively procure a good or service, as a general matter you must keep in mind other legal requirements that may relate to the purchase, especially when using BuyBoard for construction-related procurement.

When making construction-related purchases through a BuyBoard contract, BuyBoard members must consider the following:

12007 Research Boulevard • Austin, Texas 78759-2439

PH: 800-695-2919 • FAX: 800-211-5454 • www.vendor.buyboard.com

FORM F-PAGE 2

COMM.V.3.31.15

- **Best value determination.** In compliance with Texas law and any local policy, your entity must first determine that purchasing through an interlocal contract or purchasing cooperative is the procurement method that will provide best value.<sup>ii</sup> This is done by the governing body (e.g., board of trustees, council, commissioners' court, etc.) or may be delegated by the governing body to an individual or committee, with written notice.
- **Products or services not covered by the BuyBoard contract.** The BuyBoard contract covers only the specific goods and services awarded by the BuyBoard. If you want to purchase from a BuyBoard vendor goods or services from a BuyBoard vendor that are not covered by the vendor's BuyBoard contract, such as architectural, design, or engineering services, you must procure them separately in accordance with state law and local policy.
- **Architectural or Engineering and Independent Testing services.** If your procurement includes a construction component that requires architectural or engineering services, you must procure those services separately. YOU MAY NOT PROCURE ARCHITECTURAL OR ENGINEERING SERVICES THROUGH A BUYBOARD CONTRACT. Texas law requires architectural and engineering services to be obtained in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and prohibits them from being procured through a purchasing cooperative.<sup>iii</sup>
  - **Architecture.** A new building owned by a political subdivision having construction costs exceeding \$100,000 or an alteration or addition to an existing building having construction costs exceeding \$50,000 must have architectural plans and specifications prepared by an architect.<sup>iv</sup> (An "alteration" or "addition" for purposes of this requirement requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.)
  - **Engineering.** If the goods or services procured through the BuyBoard will involve engineering in which the public health, welfare, or safety is involved, the plans for structural, mechanical, electrical, electronic, fire suppression, geotechnical systems, foundation design, surface water drainage, plumbing and certain roof modifications and associated estimates must be prepared by an engineer, and the engineering construction must be performed under the direct supervision of an engineer.<sup>v</sup> The Engineering Practice Act provides two exceptions to this rule – no engineer is required if (1) the project involves mechanical or electrical engineering and will cost \$8,000 or less, or (2) the project does not require mechanical or electrical engineering and will cost \$20,000 or less.<sup>vi</sup>
  - **Independent Testing.** If acceptance of a facility by a public entity involves independent testing of construction materials engineering and/or verification testing services, the testing services should be procured under the Professional Services Procurement Act, and may not be procured under a BuyBoard contract.
  - **Written Certification.** Effective 09/01/2013, a local governmental entity purchasing construction-related goods and services through a cooperative in an amount that exceeds \$50,000 must designate a person to certify in writing that the project does not require the preparation of plans or specifications by an architect or engineer OR that an architect or engineer has prepared the plans or specifications.<sup>vii</sup>

12007 Research Boulevard • Austin, Texas 78759-2439  
PH: 800-695-2919 • FAX: 800-211-5454 • [www.vendor.buyboard.com](http://www.vendor.buyboard.com)

- **Bonds.** You must also consider whether the vendor is required to provide a payment or performance bond. A payment bond is required for contracts that exceed \$25,000 to protect subcontractors who supply labor or materials for the project. A performance bond is required for a contract that exceeds \$100,000, to protect the local government if a contractor fails to complete the project.<sup>viii</sup> Without payment and performance bonds, if the contractor fails to pay its subcontractors or to complete the project, the public entity that entered the contract can be held responsible for payment claims or costs to complete.
- **Construction Contract.** Even though the procurement of construction or construction-related services may be through the BuyBoard, your construction contract is between your entity and the contractor. The BuyBoard contract's general terms and conditions, standing alone, are not sufficient to document your entity's specific transaction. THEREFORE, YOU SHOULD USE AN APPROPRIATE FORM OF CONSTRUCTION CONTRACT JUST AS YOU WOULD DO IF YOU PROCURED CONSTRUCTION SERVICES INDEPENDENTLY, USING COMPETITIVE SEALED PROPOSALS. The contract must contain provisions required by state law including: performance and payment bonds, requirements for payment of prevailing wages to all construction workers, workers' compensation coverage for all workers and, on projects where contractor employees may have direct contact with students, criminal history record checks. Other provisions which should be considered in the construction contract are retainage, contingency, liquidated damages and dispute resolution, among others. By supplementing the BuyBoard contract with an appropriate form of construction contract, you ensure that your entity's unique interests are addressed and that your entity can enforce the contract directly.
- **Legal advice.** Because of the variety of laws that relate to construction-related purchasing and the potential risk of high exposure, you are well-advised to consult with your entity's legal counsel before procuring construction-related goods and services under any procurement method, including a purchasing cooperative.

## **NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT**

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on Form J, State Service Designation, in your Proposal.

### **By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:**

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.
2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.
3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.
4. Vendor hereby agrees and confirms that it will serve those states it has designated on Form J (State Service Designation Form) of this Proposal Invitation. Any changes to the states designated on Form J must be approved in writing by the BuyBoard Administrator.
5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

PH: 800-695-2919 • FAX: 800-211-5454 • www.vendor.buyboard.com

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

Buy Board Cooperative Purchasing

Austin, TX 78759-2439

Re: Proposal Invitation No. 500-15-Law Enforcement Body Cameras, Supplies and Equipment

TASER Internationals Marketing and Sales Strategy for Texas Buy Board Cooperative Purchasing Customers

TASERs Video and Evidence Sales Teams, for the state of Texas, would notify their agencies, in person, on the phone or via email that their agency can purchase our AXON cameras and Evidence.com services from the Buy Board Cooperative Purchasing contract and provide them with details.

If an agency/customer decides to purchase from the Buy Board Cooperative Purchasing contract, they would work directly with their sales representative to receive a quote noting the Buy Board Cooperative Purchasing contract number.

If the agency/customer decides to move forward they can either sign the quote and return it to their sales representative or send a Purchase Order to the sales representative, again referencing the Buy Board Cooperative Purchasing contract.

The sales rep is then responsible for getting the signed quote or PO to TASERs Order Entry department for processing. The order is then fulfilled through our internal teams, shipped and an invoice sent to the agency.

The sales representative is the only POC that an agency needs. TASER has dedicated Body Worn Camera sales representatives that cover the entire state of Texas.

Sincerely,

TASER International, Inc.

Products and services sold by us are expressly subject to and conditioned upon the terms and conditions set forth below. By signing a quote, issuing a purchase order, or accepting delivery of the product or service, you accept and are bound to these Sales Terms and Conditions. Any different or additional terms set forth by you, whether in your purchase order or another communication, are expressly objected to and will not be binding on us.

**Return Policies.** All sales are final and no refunds or exchanges are allowed, except as provided by state or federal law and as specified below for TASER® Citizen Products.

**Exchanges for TASER Citizen Products.** The citizen model products that are unopened and still in their sealed package may be returned or exchanged within 15 days from the date of receipt of the product for a credit or a refund of the purchase price paid, less shipping and handling, and any applicable restocking fees. Any product returned to TASER without prior authorization from us will be considered an unauthorized return, and you will not receive credit for the product and we will not ship the product back to you. Unless the product is defective or the return is a direct result of our error, we may charge a restocking fee of up to 15% of the purchase price paid, plus any applicable sales tax.

To return a citizen model product, you must first go to our website, [www.TASER.com](http://www.TASER.com) and obtain a Return Material Authorization ("RMA") number before the end of the applicable return period. We will not accept returns without an RMA number. See the Product Warranty, [www.TASER.com](http://www.TASER.com), or contact us at 800.978.2737 (+1.480.905.2000 for International callers) for information on how to obtain an RMA number. - with the RMA number clearly marked on the outside of the return packaging;
- with proof of purchase of the product (receipt, purchase order, or invoice); and
- with your name, address, and phone number of where to send the exchange item or the product credit or refund.

Upon receipt of your return, we will issue a credit or a refund of the purchase price paid, less shipping and handling, and any applicable restocking fees. For partial returns, your credit may be less than the invoice or individual component price due to bundled or promotional pricing or any unadvertised discounts or concessions. If you fail to follow the return or exchange instructions and policies provided by us, we are not responsible for product that is lost, damaged, modified, or otherwise processed for disposal or resale.

(Effective May 15, 2015)**

These Sales Terms and Conditions ("Terms") apply to your purchase of the TASER® Evidence.com Dock ("Dock"), AXON flex™ camera/AXON body camera, related accessories, and the TASER Assurance Plan ("TAP").<sup>1</sup> The products and TAP are expressly subject to and conditioned upon the Terms set forth below. By signing a quote, issuing a purchase order, or accepting delivery of the products, you accept and are bound to these Terms. Any different or additional terms set forth by you, whether in a purchase order or another communication, are expressly objected to and will not be binding on TASER.

**TASER Assurance Plan (TAP).** TAP may be purchased as part of the Evidence.com Ultimate License ("Ultimate License"), Evidence.com Unlimited License ("Unlimited License"), Officer Safety Plan ("OSP"), or on a standalone basis. If TAP is purchased on a standalone basis, TAP's purchase price does not include any initial hardware, software and the Evidence.com services must be purchased separately. TAP provides you with hardware extended warranty coverage, Spare Products (for AXON cameras), and Upgrade Models at the end of the TAP Term. TAP only applies to the AXON flex camera and controller, AXON body camera, or Dock, depending on the plan purchased. TAP does not apply to software or services offered for, by, on, or through the TASER.com or Evidence.com websites.

To qualify to purchase TAP, you must either purchase: (a) Ultimate or Unlimited Licenses for a 3-year term; (b) OSP for a 5-year term; or (c) standalone TAP and Evidence.com services for at least 3 years.

You may not buy more than one TAP for any one AXON camera or Dock product. TAP must be purchased for all AXON cameras/Docks purchased by your agency after your agency elects to participate in TAP.

**TAP Warranty Coverage.** See TASER's current *Hardware Warranty, Limitations and Release for Law Enforcement CEW Products and On-Officer Cameras* at [www.TASER.com](http://www.TASER.com) ("Hardware Warranty"). You may not have both an optional extended warranty and TAP on the AXON camera/Dock product.

**SPARE AXON cameras.** For TAP for AXON camera products, TASER will provide a predetermined number of spare AXON cameras (and controllers if applicable) (collectively the "Spare

Within 30 days of the end of the TAP Term you must return to TASER all Spare Products. You will be invoiced for and are obligated to pay to TASER the MSRP then in effect for all Spare Products not returned to TASER. If all the Spare Products are returned to TASER, then TASER will refresh your allotted number of Spare Products with Upgrade Models if you purchase a new TAP for the Upgrade Models.

**TAP Upgrade Models.** Upgrade Models to be provided as follows during and/or after the TAP Term: (i) after 3 years if you purchased 3 years of Evidence.com services/Ultimate Licenses/Unlimited Licenses and all TAP payments are made; or (ii) once after 2.5 years and once again after 5 years if you purchased 5 years of Evidence.com services/Ultimate Licenses/Unlimited Licenses/OSP and made all TAP payments.
