This is a request under the Texas Public Information Act (Act), Chapter 552 of the Government Code. The Act prohibits a government body from inquiring into a requestor's reasons or motives for requesting information. However, the Act permits a governmental body to establish proper identification. A governmental body may ask a requestor to clarify a request for information if the request is unclear. If a large amount of information is requested, the governmental body is permitted to discuss with the requestor how the scope of a request might be narrowed. The Act applies only to information already in existence and does not require a governmental body to prepare new information in response to a request. Nor does the Act require a governmental body to inform a requestor if the requested information comes into existence after the request has been made. A governmental body is not required to comply with a continuing request to supply information on a periodic basis as such information is prepared in the future, nor is the body required to prepare answers to questions or to do legal research.

I request the following public information currently existing in the records of the Town of Bartonville, Texas (Provide detailed information about what type(s) of information and/or documents you want to receive)
