Attn: Gregg Horton

Re: Request for Public Records Received 3/16/2021

Dear Gregg Horton:

The City of Benicia ("City") is in receipt of your email request seeking:

"Any emails, written communications, documents, contracts, presentations, or other communications between officials from the Benicia Police Department and officials from the company "Flock Safety."

In your request, you further describe that this request includes:

"Benicia Police Department records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, and minutes of any meetings. The search should be limited to responsive records created between January 1, 2019 and the day the request is fulfilled."

This letter shall serve as the City's further formal written response to your request under the California Public Records Act (Government Code section 6250 *et seq.*). A copy of your request is enclosed for reference.

The City wishes to cooperate to the fullest extent possible with the Public Records Act. Under established California law, the City is obliged to comply with a request for a public record so long as the requester makes a specific and focused request for information, that information is maintained by the City in its ordinary course of business, the information is disclosable, and the record can be located with reasonable effort. The Public Records Act provides for the inspection or copying of existing identifiable public records; it does not compel the City to create new records, lists, privilege logs, or reports in response to a request.

The City is required to determine whether the request, in whole or in part, seeks copies of disclosable public records. Pursuant to the California Public Records Act (Government Code §§6250 *et seq.*), such determination must take place within ten (10) days of the City's receipt of the request, unless the requestor is advised that more time is needed. In my April 9, 2021 letter, I stated that the City had determined that your request seeks disclosable records, and that due to the voluminous size of the response to your request, the City would produce these responsive documents on a rolling schedule, with documents provided by Friday of each week, until all responsive records have been sent.

I am enclosing a copy of the next grouping of responsive files in response to your request.

The next response will be sent on or before next Friday, May 14, 2021.

If you have any questions about this response, or if you would like to discuss ways to narrow your search so that the City can provide more specific records in a quicker fashion, please feel free to contact me directly at [jbergstrom@ci.benicia.ca.us](mailto:jbergstrom@ci.benicia.ca.us) or 707-746-4200.

Sincerely,

Benicia Police Department  
PRA Office  
200 East L. Street  
Benicia, CA 94510

March 16, 2021

To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

Any emails, written communications, documents, contracts, presentations, or other communications between officials from the Benicia Police Department and officials from the company "Flock Safety."

We seek Benicia Police Department records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, and minutes of any meetings. The search should be limited to responsive records created between January 1, 2019 and the day the request is fulfilled.

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Gregg Horton

Hi Chief Upson,

Flock is excited to be exhibiting at IACP this year in Chicago. We are a technology company dedicated to stopping non-violent crime. Our license plate readers are infrastructure free and capture the evidence required to solve crime, not just watch it.

We'll be at booth 4450 to learn more! (we're the blue dot!).

Hi Chief of Police Upson,

I just left you a voicemail. Were you able to read my last note?

When you have the time, I'd like to share how Flock Safety has helped agencies in California reduce crime with our new ALPR camera technology.

I'll be visiting neighboring PDs over the next few weeks and would be happy to drop by. Is there a day that works best?

Garrett,

We're just waiting for a few pieces to fall into place. Nothing you can do at this point. I'm very hopeful it will work out, but it needs to get through process first. Sorry, wish I could just snap my fingers and make it happen. Essentially, to summarize, hoping that our one retail cannabis business will pay for half or all of the complete system we've discussed. They are not through the process yet. They are through the Cannabis Public Safety Licensing process, they are through the planning process and now are off to the Planning Commission. Then, if appealed (very possible) to the City Council. So...months out I'm afraid, before we have the funding locked in. The business itself is very interested in the idea.

Thanks,

Erik

Hey!

Just wanted to give you a heads up that my head of product will be in town the first week of March meeting with a few agencies. Would it be valuable to have him meet with City Council / City Manager to get the budget process started?

Talk soon

Morning Chief,

Looks like my buddy Chase got Bay Vista on Board. Hopefully that helps with the conversations in City Hall.

Let me know how I can help,

Garrett

Happy New Year Garrett!

That is excellent! Hope it works out.

Still working on financial aspects here on our end...I'll let you know as soon as we have any movement.

Despite the spelling mistake ;) excited to see some good feedback from a HOA in your city.

Hope you had a nice Holiday and look forward to getting this project off the ground in 2020!

Just got this from one of my potential customers in Benecia CA:

"Just got a great review from the city of Benecia's police chief on you. We will give you our decision after the holidays. Merry Christmas to you and your staff and a happy New Year."

Excited to bring them on in the new year and stop the crime in the area -
