Subject:	Aggravated Vehicular Hijacking
Attachment:	image001.jpg image002.png

Sending this to the group on behalf of my Detective Sergeant Dave Allen (cc'd at dallen@burr-ridge.gov).

On 12/06/21 at approximately 1200 hours we received a report of an aggravated vehicular hijacking. Our victim, a deliver driver for Enjoy Technologies, stopped to use the bathroom at a grocery store in our town when a M/B armed with a handgun stole her Nissan Versa (rental – EAN Holdings) Ohio Reg: **HXR5464**. Not the typical target vehicle for the vehicular hijackings but this Nissan was loaded with $30K of Apple and Samsung phones and devices that were to be delivered later in the day.

Video was recovered and a suspect vehicle was identified, an 09 Cadillac IL Reg: CH83925. With the assistance of Hinsdale Detectives our department located the Cadillac and its owner, Linwood Little, [redacted] Little and the Cadillac were taken into custody. At this time Little admits to driving to Burr Ridge to drop someone off, but denied involvement and identification of the person he dropped off. Little is not believed to be our armed offender. We have not identified the armed offender that stole the Nissan and it's $30K of electronics. Little and the Cadillac are being held at our PD for continued investigation.

The Nissan is still missing and entered into LEADS (#V21I824) as stolen, occupants armed. As of this email there have been no LPR captures in Vigilant or Flock since the incident. If any LPR hits are located via CPIC please forward them to Dave Allen dallen@burr-ridge.gov

If the Nissan is located please contact the Burr Ridge PD Investigations Division (630-322-8181). After hours calls will be forwarded to DuComm and ask for the on duty watch commander.

Thanks,

Lou

Kelly,

When you have a chance can you provide Officer Kudra with an LPR log in? If you have a few gas mask options, can you leave them on my desk? He starts on Monday.

Thanks,

Timothy Naleway | Sergeant

15. Illinois Municipal League Statehouse Briefing - December 6, 2021

From: IML Legislation <IMLLegislation@iml.org>
To:
Hidden recipients: kmt@vniles.com, mrk@vniles.com, dnb@vniles.com, dmm@vniles.com, mv@vniles.com, jsl@vniles.com, rs@vniles.com, dg@vniles.com, gdalpogianis@vniles.com, jcj@vniles.com, hsv@vniles.com, dhs@vniles.com, dom@vniles.com
Sent Date: Dec 06, 2021 11:03:38
Subject: Illinois Municipal League Statehouse Briefing - December 6, 2021
Attachment: image001.jpg

December 6, 2021

This edition of the *Statehouse Briefing* highlights the Illinois Municipal League (IML) survey regarding spending *American Rescue Plan Act of 2021 (ARPA)* funding, a new mandate from the Illinois Department of Labor (IDOL) and a broadband expansion opportunity from the Illinois Department of Commerce and Economic Opportunity (DCEO).

IML Collecting ARPA Spending Information

On November 23, IML sent a memo to municipalities (available via this link) requesting information on how municipalities intend to spend the funding they are receiving from ARPA.

IML is asking all municipalities to take 10 minutes to complete our ARPA survey (available via this link) prior to Wednesday, December 15. The information provided may be shared with federal, state and local officials to highlight success stories.

Thank you to all of the communities that have already submitted a response.

Questions regarding distribution of ARPA funding can be submitted to the DCEO's third party administrator, Crowe LLP, by email at ILARPA@crowe.com or by phone at (217) 862-2730.

IDOL Provides Essential Health Benefits Checklist Required for Employers

Public Act 102-0630 (available via this link) requires any employer, who provides group health insurance coverage to employees in Illinois, to provide all employees, upon hire or request and annually thereafter, with a list of essential health benefits (EHB) regulated by the State of Illinois. Employers are also required to provide a comparison of which EHBs are covered under the employer's insurance plan.

This requirement applies to units of local government, including municipalities.

Additional information and resources regarding this mandate are available via on IDOL's website via this link.

IDOT Reminding Local Governments to Receive Permits Before Placing License Plate Readers

The Illinois Department of Transportation (IDOT) has become aware that many units of local government, also known as local public agencies (LPA), have been installing license plate reader (LPR) cameras within IDOT rights-of-way without express permission from IDOT.

IDOT requires that an LPA receive a permit prior to any installation of LPR cameras or other work done within an IDOT right-of-way. IDOT's license plate reader permit request is available via this link and should be submitted to your municipality's IDOT regional office. Any questions regarding completing work within an IDOT right-of-way should also be directed to your municipality's IDOT regional office.

Additional Area Code Slotted for the 309 Region

On November 29, the Illinois Commerce Commission (ICC) announced that the region of the state currently served by the 309 area code will be receiving a new 861 area code. The new 861 area code will be available for assignment when all assignable prefixes within the 309 area code have been exhausted, which is currently not expected to occur until sometime in 2023.

With the new 861 area code, current 309 area code customers will retain their phone numbers.

More information about this new area code is available in ICC’s press release via this link.

Notice of Collaboration Opportunity to Explore Community-Driven Broadband Expansion

On December 1, Governor JB Pritzker and DCEO announced a new planning and capacity building program to help Illinois communities leverage federal funding for broadband infrastructure. Additional information is also available in DCEO’s press release via this link.

DCEO has published a Notice of Collaboration Opportunity (available via this link) for communities to apply for consideration to be a part of the state’s broadband expansion program. Up to 12 communities will be selected during this round. **The deadline to apply is December 30, 2021.**

REMINDER: All-America City Program Letters of Intent Due January 10, 2022

Since 1949, the National Civic League’s (NCL) All-America City Award has celebrated the best in American civic innovation. The recognition is awarded annually to 10 communities highlighting their work in using inclusive civic engagement to address critical issues and create stronger connections among residents, businesses and nonprofit and government leaders. The 2022 All-America City Award theme is “Housing as a Platform for Early School Success and Equitable Learning Recovery.”

The 2022 All-America City Awards application is available via this link. Communities may submit optional letters of intent. Those letters are due by Monday, January 10, 2022.

General information about NCL’s All-America City award is available on their website via this link.

Contact Us

As always, IML staff will continue to monitor any prospective legislative developments and aggressively advocate on behalf of our membership. Should you have any questions, please contact our Legislative Department at (217) 525-1220 or IMLLegislation@iml.org. Thank you.

If you do not wish to receive information from the Illinois Municipal League via email, please reply to this email, include the words "Please remove from list" along with your name, municipality and email address included in the message. If you have updates to your contact information, please submit them similarly. Thank you.

Seeing Beyond a Body Worn Camera’s Field of View: Digital Media Forensics &Officer-Involved Shootings

While video footage and photographs are important pieces of evidence, they do not tell the whole story of an incident. And yet, these pieces of digital evidence can end up in the media to be tried by the court of public opinion.

They are doing demolition, excavation and hauling of debris, electrical work, site utilities landscaping and some concrete work. Also, can you change the amount to 20,000-35,000 and add that the total project cost will be approximately $95,000. Anything beyond the $20,000-$35,000 requested will be raised by donations through our public and private partnership.

Thanks,

Mike

What is the $25,000 for? Is that the portion PW is doing? If so, what are they doing?

What is the total cost of the project? A majority of the funding is coming from private donations from the committee (name?)?

I am interested in talking to agencies that have LPR cameras on State (IDOT) roadways and have handled whatever permitting was required to affix LPR cameras to their traffic standards.

Vigilant is our LPR camera company but I would be happy to talk to Flock customers as well.

Thanks,

Benjamin Kadolph #58

Subject: NVLS Assiatnce for NPD Case #2021-39814

Hello

I am investigating a felony retail theft involving a black 2014 Nissan Altima (IL Registration plate CW85868) and seeking NVLS assistance in locating where this vehicle may have been on 11/04/2020 between 0300 hours and 2359 hours. (Reference NPD Case #2021-39814). Thank you in advance for any assistance you can provide.

Detective Johnny Oracion #120

Advanced Search Package.pdf
Flock Safety - Information Packet.pdf
IL - Niles PD - MOU.pdf

Chief,

Below you will find the quote I received today for Flock LPR's. Also attached is some additional information on the system.

I will update my original memo changing the price and the vendor.

I have Cc'd Rehman on this email to keep him in the loop as well.

We will be meeting with the Flock sales representative on Tuesday at 10 AM to discuss this project further.

Please let me know if you have any additional questions.

Thanks,
Mike

Sgt,

Thank you for your time today. I thought our conversation was very productive. Basically the important things that set Flock apart from other LPR systems are 4 things.

1. We can deploy cameras without existing infrastructure, runs on solar with built in LTE.

2. Our cameras are much less expensive than traditional LPR's, so you get much more coverage. Only $2,500 per Camera a year. (Quote Attached)

3. Free Sharing between departments. You can access your neighbors cameras just like your own if they allow you access. All for free. (MOU Attached)

4. We don't need a plate to get you a hit. We are capturing the whole car. Are you looking for a Silver Toyota car. We will show you all the Silver Toyota Cars in the area.

I have attached an information packet, Quote MOU and more to this email. If you have any questions please let me know, Otherwise I will touch base with you soon.

Hi Joe,

Attached is the Flock quote and some additional information about the system.

The memo I submitted for the Vigilant LPR's is still good as far as why we need LPRs I just need to change the cost and the company name.

Let me know what you think. I have not sent this tonthe Chief yet but if you would like me to I will.

Thanks,

Mike

Advanced Search Package.pdf
Flock Safety - Information Packet.pdf
IL - Niles PD - MOU.pdf

Sgt,

Thank you for your time today. I thought our conversation was very productive. Basically the important things that set Flock apart from other LPR systems are 4 things.

1. We can deploy cameras without existing infrastructure, runs on solar with built in LTE.

2. Our cameras are much less expensive than traditional LPR's, so you get much more coverage. Only $2,500 per Camera a year. (Quote Attached)

3. Free Sharing between departments. You can access your neighbors cameras just like your own if they allow you access. All for free. (MOU Attached)

4. We don't need a plate to get you a hit. We are capturing the whole car. Are you looking for a Silver Toyota car. We will show you all the Silver Toyota Cars in the area.

I have attached an information packet, Quote MOU and more to this email. If you have any questions please let me know, Otherwise I will touch base with you soon.

Regards,

Dan Murdock

Hi Brendan,

Thanks for getting back to me so quick. It is starting to look like Flock is the way to go, plus the quote that I received from Vigilant is outrageous. I actually just spoke to Dan, he is going to come out and give us a demo.

Thanks,

Mike

Subject: RE: Flock question

Hi Mike,

The rep from FlockSafety that works with Law Enforcement is Dan Murdock - 312-415-3858, dan.murdock@flocksafety.com. We did a test between Flock and Vigilant with our detectives. According to them, Flock is more user friendly and easier to navigate. They also have the ability to search by other means other than just a license plate which is very helpful considering not everyone writes down a license plate. When you speak with Dan he will set up a meeting and show you all of the possible ways to search. The Flock camera is motion activated rather than IR which works better in our area because we tend to see a lot of paper license plates and temp tags. In reviewing the two cameras, the Vigilant ones did not capture as many temp tags, if any. I think everyone prefers Flock and they are definitely growing in our area. There are quite a few towns around us that have researched and are interested in Flock; Dan would be able to provide you better information in those regards. No, you cannot get the two systems (Flock and Vigilant) to speak to each other. We have accounts for both and this is where I noticed the bigger discrepancies between the two (I tried search simply for a Dodge Caravan and got returns images of an F150, Nissan Versa and a Toyota Prius from Vigilant along with Dodge Caravans, better overall vehicle pictures with Flock). We usually email CPIC for Chicago hits with their cameras

also. Please understand we demoed Solar Powered LPR's (Vigilant's is a Reconyx camera), I don't know if the images would have been improved if Vigilant's camera was hardwired. I know that it is much pricier for the hardwired camera systems. The customer service between the two is night and day. Flock has reached out to us multiple times since the demo was installed and Vigilant only got in touch with me after I wrote multiple emails complaining about camera issues. Vigilant promises a lot of improvements are in the works whereas Flock already has many of the features available.

I work 1200-2200, feel free to reach out to me whenever with questions.

Subject: LPR's

Mike, the chief and I attended a Mutual Aid Mtg this morning and a large part of the discussion was about LPR's. Apparently, Vigilant is not the leading company in this market and has serious flaws when it comes to customer service and performance of their cameras when it comes to maximum ability compared to other systems on the market.

There is a company named Flock Safety who has 70% of the LPR market right now. They also work hand and hand with AXON as it relates to storage and video playback. Northbrook is one of many departments that use Flock and can compare it to Vigilant.

Northbrook's point of contact is Detective Brendan Cain (847-664-4464 or Brendan.cain@northbrook.il.us). Please make contact with Brendan and see who his contact is at Flock and make contact with Flock before the LPR quotes get presented to the board. Thanks.

Hi Rehman,

It was great meeting with you yesterday. I have attached the quotes that I have received from Vigilant Solutions for the purchase of LPR's The quotes are in order from the most recent, and most expensive to the least expensive option. I have also included a memo that I provided to the Chief explaining how the agency would benefit from the purchase of LPR's.

I will reach out to the sales rep today to see if he can break the quote down.

Thanks,

Mike

Adaptive Recognition News - November 2021
View this email in your browser

Hi there,

Zsofia here with the latest edition on the Adaptive Recognition newsletter.

We aim to keep our valued customers and partners like you up to date with our activities and industry news, market insights, and more.

Adaptive Recognition Turns 30

We have turned **30 this year**! Founded back in 1991 as ARH, our company's philosophy remained the same over the decades: **Transforming the safety of the individual and society**. Be sure to follow us on Linkedin, where we will be posting before/after pictures, team members' reflections over the past three decades, and more.

Product Updates

- **NEW firmware for Vidar** cameras is now available for installation. The most important improvements include an **automatic zoom/focus setting** (Vidars shipped after Q3 will come with this feature), a brand new **Adaptive Target option for Brightness Control**, SNMPv3 Protocol support for health monitoring, and many more. For more details, contact us to get the changelog.

Find out more about Vidar traffic monitoring cameras

- **A NEW firmware version for Einar** is also available. With the latest update, Einar cameras **support the ANPR Cloud and the ParkIT system software**. You can now **select what attachments to include in event packages**, and querying motion states has become easier thanks to a **dedicated motion detector**. For more details, contact us to get the changelog.

Find out more about Einar access control cameras

- The **MicroCAM** mobile ANPR cameras now **retrieve GPS coordinates** from vehicles' GPS devices. When **searching for wanted vehicles, monitoring traffic, or patrolling for parking control**, this is an essential feature. On this note, check out this video on how the Royal Thai police use MicroCAMs to detect stolen or suspect vehicles.

Find out more about the MicroCAM mobile ANPR/LPR cameras

Events

Focus Days 2 took place between 16 and 18 November. Nearly **400 participants from 78 countries** around the globe attended the event series, comprising six interactive online discussions hosted by our product managers.
A big thank you to all of you who joined us!
There will be more events like this, so stay tuned.

Articles and Success Stories

Can you trust plate recognition cameras with your data? What laws and regulations govern the **handling and storage of license plate, vehicle, and driver information**? Find out from our blog article. Read more **E-tolling made easy** in Denmark: Road users register on a website with their number plates and card details and get **automatically charged each time they cross a bridge** near Frederikssund. Our Carmen ANPR/LPR software is at the heart of the system. Read more
Thanks to ANPR/LPR-based **Pay-by-Plate technology**, New Zealand's Z Energy fuel chain customers can now enjoy **touchless payment at fuel stations**. Read more
I will be coming with more updates soon. Until then

Best regards,
Zsofia

Subject: Revised - 2020-2021Tigera Eval

Hadley,

Per our conversation, I have revised my eval with additional examples for three categories…this would put my scores from 30 to 33…any questions, pls call me..

Luis C. Tigera

Chief of Police|Niles Police Department
7000 W. Touhy Avenue

Niles, Illinois 60714

Direct (847) 588-6501

Fax (847) 588-6551

Subject: LPR memo and quotes

Hi Joe,

I thought you and the Chief may want to see this before Monday so I have attached my memo regarding the LPR purchase along with the newest quote that I received today that includes the mobile LPR's and the fixed LPR'S. I also included the quotes for the purchase of 4 LPR's plus updating our current cameras and the purchase of 2 LPR's and the updating of our 2 existing cameras. All 3 options will give us access to all of the data and cameras that Vigilant has throughout the country.

Have a great Thanksgiving! See you Monday.

Thanks,

Mike

Hello,

As part of our continued attempt murder investigation, can the Illinois License plate CJ18004 be added to a hotlist so I can receive notification when the plate is detected by a LPR? The Niles case number is 2021-42450.

Thanks in advance,

Michael Boba

Subject: LPR memo and quotes

Hi Joe,

I thought you and the Chief may want to see this before Monday so I have attached my memo regarding the LPR purchase along with the newest quote that I received today that includes the mobile LPR's and the fixed LPR'S. I also included the quotes for the purchase of 4 LPR's plus updating our current cameras and the purchase of 2 LPR's and the updating of our 2 existing cameras. All 3 options will give us access to all of the data and cameras that Vigilant has throughout the country.

Have a great Thanksgiving! See you Monday.

Thanks,

Mike

Hi Sam,

We have had some new developments on the LPR purchase. Can you please send me a quote for 4 new fixed LPR cameras with just law enforcement access, plus updating our current 2 Rekor cameras to operate on the Vigilant platform and Mobile LPR's for 6 squad cars.

We are considering partnering with our IT department to cover the cost plus some forfeiture money we have.

Thanks,

Mike

Subject: FY22 Grant Notes, ISP Info Request, Child Abduction Trainings

Greetings,

For who have just been added to my distribution list, I am your Law Enforcement Coordinator for the US Attorneys Office in Northern IL.
For everyone, please see below for some reminders about the upcoming grant season and a message I am forwarding on behalf of ISP. There has also been quite a lot going on in our courts recently, so you may be interested in seeing some of our press releases below noting State, Local, and Federal partnerships.

I wish everyone a Happy Thanksgiving!

ISP: Working with the Statewide Terrorism &Intelligence Center (STIC), the Illinois State Police (ISP) Division of Criminal Investigation (DCI) is compiling an index of the license plate readers (LPR) in use in Illinois. The goal of this project is to leverage this information for use by all law enforcement organizations in their investigations. We have some quick questions about the use, sharing and storage of LPR data. None of this material will be released outside the STIC and ISP. Thank you for your participation and write me at aaron.kustermann@illinois.gov with any questions. To get started and participate in this effort click the link below. ISP hosts this data internally.

NOTABLE GRANTS / FUNDING

Some notes about grants:

· I want to remind everyone that the federal grant season will resume again in the new year with some grants being released starting in February and really getting rolling in May. I am here to answer any questions and provide feedback to the extent I am able.

· The FY 2022 Presidential Budget has requested $537.0 million for the COPS Hiring Program (CHP), an increase of $300.0 million above the FY 2021 Enacted level of $237.0 million. If you have been thinking of applying for this program but haven't – this might be a good year.

· *Remember, to qualify for a federal grant* you must be compliant with the U.S. Department of Justice's standards on safe policing (Executive Order No. 13929). This means you must have received your Federal Use of Force Certification from the Illinois Association of Chiefs of Police, through its Illinois Law Enforcement Accreditation Program (ILEAP). If you haven't received this (see list in link) I would start the process now: https://www.ilchiefs.org/use-of-force-certification

198. FY22 Grant Notes, ISP Info Request, Child Abduction Trainings

From: Thomas, Kali (USAILN) <Kali.Thomas@usdoj.gov>
To:
Cc: Thomas, Kali (USAILN) <Kali.Thomas@usdoj.gov>
Hidden recipients: lct@vniles.com
Sent Date: Nov 23, 2021 13:10:33
Subject: FY22 Grant Notes, ISP Info Request, Child Abduction Trainings
Attachment:

Greetings,

For who have just been added to my distribution list, I am your Law Enforcement Coordinator for the US Attorneys Office in Northern IL.
For everyone, please see below for some reminders about the upcoming grant season and a message I am forwarding on behalf of ISP. There has also been quite a lot going on in our courts recently, so you may be interested in seeing some of our press releases below noting State, Local, and Federal partnerships.

I wish everyone a Happy Thanksgiving!

ISP: Working with the Statewide Terrorism &Intelligence Center (STIC), the Illinois State Police (ISP) Division of Criminal Investigation (DCI) is compiling an index of the license plate readers (LPR) in use in Illinois. The goal of this project is to leverage this information for use by all law enforcement organizations in their investigations. We have some quick questions about the use, sharing and storage of LPR data. None of this material will be released outside the STIC and ISP. Thank you for your participation and write me at aaron.kustermann@illinois.gov with any questions. To get started and participate in this effort click the link below. ISP hosts this data internally.

NOTABLE GRANTS / FUNDING
Some notes about grants:
· I want to remind everyone that the federal grant season will resume again in the new year with some grants being released starting in February and really getting rolling in May. I am here to answer any questions and provide feedback to the extent I am able.

· The FY 2022 Presidential Budget has requested $537.0 million for the COPS Hiring Program (CHP), an increase of $300.0 million above the FY 2021 Enacted level of $237.0 million. If you have been thinking of applying for this program but haven't – this might be a good year.

· *Remember, to qualify for a federal grant* you must be compliant with the U.S. Department of Justice's standards on safe policing (Executive Order No. 13929). This means you must have received your Federal Use of Force Certification from the Illinois Association of Chiefs of Police, through its Illinois Law Enforcement Accreditation Program (ILEAP). If you haven't received this (see list in link) I would start the process now: https://www.ilchiefs.org/use-of-force-certification

Digital Media Forensics &Vehicle-Related Officer Involved Shootings: Critical Incident Scene Reconstruction
When a critical incident occurs, most law enforcement agencies do not have the resources, staff, and training to perform in-depth analysis on the digital evidence associated with each case. And yet, these pieces of digital evidence can end up in the media to be tried by the court of public opinion.
Download
Sponsored by Leonardo

LPR Technology: A Solution for Law Enforcement Agencies Facing National Scrutiny, Decreased Budgets, and High Officer Attrition
It is a challenging time for law enforcement agencies nationwide. Now more than ever before, officers need to have access to technology that promotes equitable policing while increasing the safety of their communities. This whitepaper explores one example of this technology: license plate readers.
Download
Sponsored by Magnet Forensics

A New Paradigm in Digital Investigations
Digital evidence has become integral to solving crimes today, but agencies are often overwhelmed with the volume of data – causing major challenges for labs and agencies around the world.

Subject:	ChicagolandMVT / (U//LES) Auto Theft & Carjacking Pattern: Daytime Targeting of Auto Dealerships
Attachment:	Hinsdale IL PD - Daytime Auto Dealership & Carjacking Pattern - Fall 2021 - 111821.pdf

---

Greetings ***ChicagolandMVT***:

Bodden sent out the attached intel bulletin to his *Hot Wheels* distro.

After doing so, we've learned a lot more information in this crime pattern.

Today, we collected some video in Chicago from several of their MVT incidents.

We've also linked up more crimes, such an armed robbery in Des Plaines (casino related). With that, we have names to begin populating our intelligence dossier with suspects.

The volume &frequency of the swapping of stolen plates across cars is quite impressive. And complicated.

As such, we are creating a link analysis for **cars + plates**, to better run ALPR queries &find hot spots.

We are also creating a map for **incidents + recoveries** (though some of the recovery spots have low value).

PLEASE click on the below spreadsheets to see what cases or information you may have that connects.

Link to connected incidents:
https://docs.google.com/spreadsheets/d/16eXyjm54il8DirJXOyYJTYosPgAK8pXwNGxm4SCS8B4/edit?usp=sharing

Link to vehicle theft and recovery info:
https://docs.google.com/spreadsheets/d/1lsIzY_QbV1G59KqRB_8WxyAUqT8AqHL1YbuqlHaei6A/edit?usp=sharing

With the recent purchase of over 300 L5F fixed LPR camera systems, the Illinois State Police will be scanning millions of license plates a day. The department is putting up cameras around the Chicagoland area with the goal of having 75% of the cameras installed by Winter of 2021. Implementation will be complete by next spring. After the cameras read and capture the license plates, the data will be hosted in our Vigilant LEARN platform. The great news is that with the easy data sharing capabilities in the LEARN platform, you too can access and make use of this data with Vigilant PlateSearch - and you don't even need to install any cameras! If you're interested in learning more about how Vigilant PlateSearch can help you generate leads and close cases, and how you can leverage the data from Illinois State Police, contact **Sam Baldassano**. Thank you.
I am sorry his last name is Gruskan no Grusak. Gruskan Sergey – That is only info which Danielle provide me. I will ask her for more information if she knows.

I will let you know.

Warm Regards,

Stanislava Radovanovic

See attached reports/abstracts. Anita will forward the rest of the abstracts when we receive them. Bob will forward the videos.

Do you have any other info on Sergey Grusak, I couldn't locate anything under that name? I also had trouble printing case 2019-33313, it kept timing out due to it's size. I'll forward that on later.

Having trouble viewing this email? View it in your browser. Helps law enforcement find suspect vehicles faster and close cases quicker!

New! The solar-powered ELSAG® Street Sentry license plate reader is economical and easy-to-deploy

Helps law enforcement find suspect vehicles faster and close cases quicker!

Keep city streets and neighborhoods safer with the low-cost ELSAG Street Sentry fixed LPR system. Every license plate it reads is instantaneously compared to law enforcement databases to identify suspect vehicles, which triggers real-time alarms to officers for immediate interdiction.

Deploy just one to increase police presence in a specific place or saturate vulnerable areas to create LPR safety nets in your community. Ideal areas to deploy include:

•Community borders
•Parks and other public areas
•School campuses
•High traffic intersections
•High crime areas

Agencies of all sizes can reap the force-multiplying benefits of LPR technology with the ELSAG® Street Sentry:

•Easy and economical to deploy
•Convenient purchase options: pay in full up-front, opt for a three-year plan, or subscribe annually
•Flexible installation options offered by solar power
•Best-in-class software able to read plates of all 50 states, Mexico, and Canada
•Seamlessly integrates with your existing ELSAG ALPR ecosystem (fixed, mobile and covert)
•Sustainably powered to support green initiatives

There's no better time to start or expand the LPR network in your community. For more information, download the ELSAG Street Sentry product sheet.

For information about ELSAG Plate Hunter® LPR systems, visit **leonardocompany-us.com**

Selex ES Inc., a Leonardo company 4221 Tudor Lane Greensboro NC USA 27410-8105

Hinsdale IL PD - Daytime Auto Dealership & Carjacking Pattern - Fall 2021 - 111821.pdf

---

Good Evening everyone,

Hope everyone is well and ready for Thanksgiving. I will be off until after Thanksgiving and I hope that our bad guys will also take the next week and a half off.

It appears that some different patterns are starting to emerge. Here in Highland Park and north of us it seems like we are getting hit by a crew in the Zion area. Also it seems that daytime Auto Dealership theft and carjacking pattern is also emerging. We will get to that later…

We left off with Crystal Lake where they had 6 vehicles taken on November 3rd and they are actively working on recovering their vehicles. At least 2 have been recovered in Chicago. A previous dealership theft from August was just recovered down in Goodlettsville, TN.

November 5 – St Charles had a vehicle stolen from Mercedes Benz of St Charles. Vehicle was recovered in Chicago and was used in a Homicide.

November 5 – Highland Park had a break in at Audi where the chase vehicles were Infiniti Q60 (stolen from Lake Geneva, WI) and a Red Fiat SUV (fresh steal from Winthrop Harbor. This is where the new pattern is emerging. Both vehicles were chased by Lake County Sheriff's Department just prior to the burglary at our Audi Dealership. I believe this is going to be tied to our other dealership burglary at Ford where both stolen cars were recovered in Kenosha just west of the I (94). That would be tied to Kwantrall Williams (see previous Hot Wheels bulletin).

November 6 – Antioch – Kunes Ford had a F350 stolen possibly with a programmer. The chase vehicle is a newer white BMW SUV and a 2011 (ish) Ford Fusion. It looks like Kenosha PD might be seeing this pattern also (FYI – STAY SAFE KENOSHA)

November 7 – Matteson – Arnie Buick had 2 Cadillacs stolen. One red and one black one. The chase vehicle is a red Dodge Charger IL/ CJ42780 which is stolen from 8041 S Vernon Ave in

Chicago on October 26th.

November 7 – Elmhurst – Burglary – chase car white BMW X6 IL/ CW40238

November 8 – Hoffman Estates – Attempt – Officers observed a red Cadillac (maybe Matteson?) and a dark grey or black Mercedes or Infiniti leaving the scene.

November 8 – Schaumburg – 4 vehicles stolen Cadillacs and a Vette/ 40 key fobs stolen – chase car was a red sedan (Matteson?)

November 8 – Pontiac – Theft – 1 stolen – chase car is a silver Camaro SS

November 10 – 2 stolen/ offenders removed work orders, keys and ipads that are used by employees and later dumped the items in a residential area. Chase vehicle was a dark colored Cadillac sedan (Matteson or Schaumburg?)

November 11 – Antioch – Burglary – 1 stolen and the chase vehicle was a white Dodge Durango

November 11 – Schaumburg – Attempt – attempted to take a 2019 Dodge Charger Hellcat via programmer, however was unsuccessful (Not properly trained, incompetent, or expired Pin?) – Chase vehicles were a red and white Dodge Durango's (Antioch?)

I'm gonna hold off on the daytime stuff for a minute or two (depends on how fast you read)……

November 11 – Gurnee – 2 stolen, 1 vehicle dumped by Pleasant Prairie PD (WI) on Green Bay road which is just barely over the border and occupied mainly by former Illinois residents. I'm feeling this one is connected to the Zion area crew. I could be wrong.. I have been known to be wrong many times. Just ask my wife J

Alright.. here is the new pattern and I'll spare you with the lines and post it notes and just let Sgt Hayes from Hinsdale step in and explain it (at this time please open up the second attachment).

From 04 OCT 2021 to 18 NOV 2021, west suburban Chicago has experienced a surge in daytime auto thefts &attempts from auto dealerships.

While concentrated to DuPage County's Ogden Ave corridor (Naperville to Hinsdale), the pattern confidently extends into other jurisdictions that will be identified in (Unclassified // Law Enforcement Sensitive) portions of this document.

Targeted vehicles: high-performance Jeep/Dodge or other high-end luxury cars &SUVs.

Offenders: black males, 16-22 yoa, armed with pistols, wearing ski masks &hoods, driving previously stolen cars.

Failed auto thefts at dealerships have turned into auto thefts at gas station pumps &a carjacking attempt in-traffic.

Ok, I'm back…….. Thanks Lou.

New Pattern

November 11 – 1604 hrs – Oak Lawn - Haggerty VW – 3 M/B's instruct porter to stay back from the 2021 VW Atlas and steal it. The chase car is a black Cadillac sedan.

November 12 – 1304 hrs – Naperville – Jaguar – chase vehicle is a black Cadillac IL/ AT36889

1316 hrs – Naperville – Cadillac – 2 M/B w/ face coverings and gloves enter service area through unlocked employee entrance door. Suspect 1 enters a black 2018 Cadillac CTS-V while the 2nd suspect kindly opens the service bay door and the vehicle is then stolen

November 16 – 1330 hrs – Naperville – Jaguar – attempt – chase car black Cadillac IL/ AT36889

1402 hrs – Westmont – Lincoln – Attempt – chase car black Cadillac IL/ AT36889 attempted to run over an employee as it fled. Possible other chase cars – dark colored Lincoln MKT and gray Audi sedan with gold rims.

Let’s not forget Morton Grove’s Armed Robbery/ Vehicular Hijacking incident from November 2nd - McGrath - chase car was a Hyundai Genesis that was stolen earlier in the day at a dealership in Arlington Heights and continued to a BP Gas station where a vehicle was taken that was fueling up.

The Intel sheet, maps and Outstanding are somewhat up to date. If you have any recovered vehicles still on my list please let me know with dates of recovery, location of recovery, any important details would be nice. We have added a few new suspects to the Master Book.

Kwantrell Williams 2326 Joppa Ave Zion IL 6/29/1997 11/3/2021 Highland Park Seen with recovered stolen vehicles/ was with stolen vehicles at Red Dot Storage Facility in Zion, IL

Tony Bush 3104 W Douglas Blvd Chicago IL 12/20/1992 1/24/2021 Highland Park DNA tied to burglary connected with Westmont Dealership Burglary (8/29/21)

Dionate Horace 9322 S Loomis Chicago IL 12/6/2001 2432194 11/3/2021 Libertyville CPD attempted to curb IL/ CH77606 which registered to 9322 S Loomis/ offender left vehicle and fled into residence. located in garage was Libertyville stolen car (11-2-21 burglary)

Allen Newsom 948 Bordeaux Place Nashville TN 7/21/1998 11/3/2021 Crystal Lake 2016 BMW VIN#42955 recovered in TN

Hinsdale IL PD - Daytime Auto Dealership & Carjacking Pattern - Fall 2021 - 111821.pdf

---

Good Evening everyone,

Hope everyone is well and ready for Thanksgiving. I will be off until after Thanksgiving and I hope that our bad guys will also take the next week and a half off.

It appears that some different patterns are starting to emerge. Here in Highland Park and north of us it seems like we are getting hit by a crew in the Zion area. Also it seems that daytime Auto Dealership theft and carjacking pattern is also emerging. We will get to that later…

We left off with Crystal Lake where they had 6 vehicles taken on November 3rd and they are actively working on recovering their vehicles. At least 2 have been recovered in Chicago. A previous dealership theft from August was just recovered down in Goodlettsville, TN.

November 5 – St Charles had a vehicle stolen from Mercedes Benz of St Charles. Vehicle was recovered in Chicago and was used in a Homicide.

November 5 – Highland Park had a break in at Audi where the chase vehicles were Infiniti Q60 (stolen from Lake Geneva, WI) and a Red Fiat SUV (fresh steal from Winthrop Harbor. This is where the new pattern is emerging. Both vehicles were chased by Lake County Sheriff's Department just prior to the burglary at our Audi Dealership. I believe this is going to be tied to our other dealership burglary at Ford where both stolen cars were recovered in Kenosha just west of the I (94). That would be tied to Kwantrall Williams (see previous Hot Wheels bulletin).

November 6 – Antioch – Kunes Ford had a F350 stolen possibly with a programmer. The chase vehicle is a newer white BMW SUV and a 2011 (ish) Ford Fusion. It looks like Kenosha PD might be seeing this pattern also (FYI – STAY SAFE KENOSHA)

November 7 – Matteson – Arnie Buick had 2 Cadillacs stolen. One red and one black one. The chase vehicle is a red Dodge Charger IL/ CJ42780 which is stolen from 8041 S Vernon Ave in

Chicago on October 26th.

November 7 – Elmhurst – Burglary – chase car white BMW X6 IL/ CW40238

November 8 – Hoffman Estates – Attempt – Officers observed a red Cadillac (maybe Matteson?) and a dark grey or black Mercedes or Infiniti leaving the scene.

November 8 – Schaumburg – 4 vehicles stolen Cadillacs and a Vette/ 40 key fobs stolen – chase car was a red sedan (Matteson?)

November 8 – Pontiac – Theft – 1 stolen – chase car is a silver Camaro SS

November 10 – 2 stolen/ offenders removed work orders, keys and ipads that are used by employees and later dumped the items in a residential area. Chase vehicle was a dark colored Cadillac sedan (Matteson or Schaumburg?)

November 11 – Antioch – Burglary – 1 stolen and the chase vehicle was a white Dodge Durango

November 11 – Schaumburg – Attempt – attempted to take a 2019 Dodge Charger Hellcat via programmer, however was unsuccessful (Not properly trained, incompetent, or expired Pin?) – Chase vehicles were a red and white Dodge Durango's (Antioch?)

I'm gonna hold off on the daytime stuff for a minute or two (depends on how fast you read)……

November 11 – Gurnee – 2 stolen, 1 vehicle dumped by Pleasant Prairie PD (WI) on Green Bay road which is just barely over the border and occupied mainly by former Illinois residents. I'm feeling this one is connected to the Zion area crew. I could be wrong.. I have been known to be wrong many times. Just ask my wife J

Alright.. here is the new pattern and I'll spare you with the lines and post it notes and just let Sgt Hayes from Hinsdale step in and explain it (at this time please open up the second attachment).

From 04 OCT 2021 to 18 NOV 2021, west suburban Chicago has experienced a surge in daytime auto thefts &attempts from auto dealerships.

While concentrated to DuPage County's Ogden Ave corridor (Naperville to Hinsdale), the pattern confidently extends into other jurisdictions that will be identified in (Unclassified // Law Enforcement Sensitive) portions of this document.

Targeted vehicles: high-performance Jeep/Dodge or other high-end luxury cars &SUVs.

Offenders: black males, 16-22 yoa, armed with pistols, wearing ski masks &hoods, driving previously stolen cars.

Failed auto thefts at dealerships have turned into auto thefts at gas station pumps &a carjacking attempt in-traffic.

Ok, I'm back…….. Thanks Lou.

New Pattern

November 11 – 1604 hrs – Oak Lawn - Haggerty VW – 3 M/B's instruct porter to stay back from the 2021 VW Atlas and steal it. The chase car is a black Cadillac sedan.

November 12 – 1304 hrs – Naperville – Jaguar – chase vehicle is a black Cadillac IL/ AT36889

1316 hrs – Naperville – Cadillac – 2 M/B w/ face coverings and gloves enter service area through unlocked employee entrance door. Suspect 1 enters a black 2018 Cadillac CTS-V while the 2nd suspect kindly opens the service bay door and the vehicle is then stolen

November 16 – 1330 hrs – Naperville – Jaguar – attempt – chase car black Cadillac IL/ AT36889

1402 hrs – Westmont – Lincoln – Attempt – chase car black Cadillac IL/ AT36889 attempted to run over an employee as it fled. Possible other chase cars – dark colored Lincoln MKT and gray Audi sedan with gold rims.

Let’s not forget Morton Grove’s Armed Robbery/ Vehicular Hijacking incident from November 2nd - McGrath - chase car was a Hyundai Genesis that was stolen earlier in the day at a dealership in Arlington Heights and continued to a BP Gas station where a vehicle was taken that was fueling up.

The Intel sheet, maps and Outstanding are somewhat up to date. If you have any recovered vehicles still on my list please let me know with dates of recovery, location of recovery, any important details would be nice. We have added a few new suspects to the Master Book.

Kwantrell Williams 2326 Joppa Ave Zion IL 6/29/1997 11/3/2021 Highland Park Seen with recovered stolen vehicles/ was with stolen vehicles at Red Dot Storage Facility in Zion, IL

Tony Bush 3104 W Douglas Blvd Chicago IL 12/20/1992 1/24/2021 Highland Park DNA tied to burglary connected with Westmont Dealership Burglary (8/29/21)

Dionate Horace 9322 S Loomis Chicago IL 12/6/2001 2432194 11/3/2021 Libertyville CPD attempted to curb IL/ CH77606 which registered to 9322 S Loomis/ offender left vehicle and fled into residence. located in garage was Libertyville stolen car (11-2-21 burglary)

Allen Newsom 948 Bordeaux Place Nashville TN 7/21/1998 11/3/2021 Crystal Lake 2016 BMW VIN#42955 recovered in TN

Jomir Starks 50 W 71st Apt 10 Chicago IL 4/4/2002 2425817 10/16/2021 Barrington Fingerprint located on vehicle

If anyone has any questions feel free to reach out to me. Have a good week and stay safe!

Brian

HOT WHEELS INTEL SPLASHSHEET.pdf
Hinsdale IL PD - Daytime Auto Dealership & Carjacking Pattern - Fall 2021 - 111821.pdf

---

Good Evening everyone,

Hope everyone is well and ready for Thanksgiving.

FYI - I will be off until after Thanksgiving and I hope that our bad guys will also take the next week and a half off.

It appears that some different patterns are starting to emerge. Here in Highland Park and north of us it seems like we are getting hit by a crew in the Zion area. It also it seems that daytime Auto Dealership theft and carjacking pattern is starting to emerge. We will get in to that later…

We left off with Crystal Lake where they had 6 vehicles taken on November 3rd and they are actively working on recovering their vehicles. At least 2 have been recovered in Chicago. A

previous dealership theft from August was just recovered down in Goodlettsville, TN.

November 5 – St Charles had a vehicle stolen from Mercedes Benz of St Charles. Vehicle was recovered in Chicago and was used in a Homicide.

November 5 – Highland Park had a break in at Audi where the chase vehicles were Infiniti Q60 (stolen from Lake Geneva, WI) and a Red Fiat SUV (fresh steal from Winthrop Harbor. This is where the new pattern is emerging. Both vehicles were chased by Lake County Sheriff's Department just prior to the burglary at our Audi Dealership. I believe this is going to be tied to our other dealership burglary at Ford where both stolen cars were recovered in Kenosha just west of the I (94). That would be tied to Kwantrall Williams (see previous Hot Wheels bulletin).

November 6 – Antioch – Kunes Ford had a F350 stolen possibly with a programmer. The chase vehicle is a newer white BMW SUV and a 2011 (ish) Ford Fusion. It looks like Kenosha PD might be seeing this pattern also (FYI – STAY SAFE KENOSHA)

November 7 – Matteson – Arnie Buick had 2 Cadillacs stolen. One red and one black one. The chase vehicle is a red Dodge Charger IL/ CJ42780 which is stolen from 8041 S Vernon Ave in Chicago on October 26th.

November 7 – Elmhurst – Burglary – chase car white BMW X6 IL/ CW40238

November 8 – Hoffman Estates – Attempt – Officers observed a red Cadillac (maybe Matteson?) and a dark grey or black Mercedes or Infiniti leaving the scene.

November 8 – Schaumburg – 4 vehicles stolen Cadillacs and a Vette/ 40 key fobs stolen – chase car was a red sedan (Matteson?)

November 8 – Pontiac – Theft – 1 stolen – chase car is a silver Camaro SS

November 10 – 2 stolen/ offenders removed work orders, keys and ipads that are used by employees and later dumped the items in a residential area. Chase vehicle was a dark colored Cadillac sedan (Matteson or Schaumburg?)

November 11 – Antioch – Burglary – 1 stolen and the chase vehicle was a white Dodge Durango

November 11 – Schaumburg – Attempt – attempted to take a 2019 Dodge Charger Hellcat via programmer, however was unsuccessful (Not properly trained, incompetent, or expired Pin?) – Chase vehicles were a red and white Dodge Durango's (Antioch?)

I'm gonna hold off on the daytime stuff for a minute or two (depends on how fast you read)……

November 11 – Gurnee – 2 stolen, 1 vehicle dumped by Pleasant Prairie PD (WI) on Green Bay road which is just barely over the border and occupied mainly by former Illinois residents. I'm feeling this one is connected to the Zion area crew. I could be wrong.. I have been known to be wrong many times. Just ask my wife J

Alright.. here is the new pattern and I'll spare you with the lines and post it notes and just let Sgt Hayes from Hinsdale step in and explain it (at this time please open up the second attachment).

From 04 OCT 2021 to 18 NOV 2021, west suburban Chicago has experienced a surge in daytime auto thefts &attempts from auto dealerships.

While concentrated to DuPage County's Ogden Ave corridor (Naperville to Hinsdale), the pattern confidently extends into other jurisdictions that will be identified in (Unclassified // Law Enforcement Sensitive) portions of this document.

Targeted vehicles: high-performance Jeep/Dodge or other high-end luxury cars &SUVs.

Offenders: black males, 16-22 yoa, armed with pistols, wearing ski masks &hoods, driving previously stolen cars.

Failed auto thefts at dealerships have turned into auto thefts at gas station pumps &a carjacking attempt in-traffic.

Ok, I'm back…….. Thanks Lou.

New Pattern

November 11 – 1604 hrs – Oak Lawn - Haggerty VW – 3 M/B's instruct porter to stay back from the 2021 VW Atlas and steal it. The chase car is a black Cadillac sedan.

November 12 – 1304 hrs – Naperville – Jaguar – chase vehicle is a black Cadillac IL/ AT36889

1316 hrs – Naperville – Cadillac – 2 M/B w/ face coverings and gloves enter service area through unlocked employee entrance door. Suspect 1 enters a black 2018 Cadillac CTS-V while the 2nd suspect kindly opens the service bay door and the vehicle is then stolen

November 16 – 1330 hrs – Naperville – Jaguar – attempt – chase car black Cadillac IL/ AT36889

1402 hrs – Westmont – Lincoln – Attempt – chase car black Cadillac IL/ AT36889 attempted to run over an employee as it fled. Possible other chase cars – dark colored Lincoln MKT and gray Audi sedan with gold rims.

Let's not forget Morton Grove's Armed Robbery/ Vehicular Hijacking incident from November 2nd - McGrath - chase car was a Hyundai Genesis that was stolen earlier in the day at a dealership in Arlington Heights and continued to a BP Gas station where a vehicle was taken that was fueling up.

The Intel sheet, maps and Outstanding are somewhat up to date. If you have any recovered vehicles still on my list please let me know with dates of recovery, location of recovery, any important details would be nice. We have added a few new suspects to the Master Book.

Kwantrell Williams 2326 Joppa Ave Zion IL 6/29/1997 11/3/2021 Highland Park Seen with recovered stolen vehicles/ was with stolen vehicles at Red Dot Storage Facility in Zion, IL

Tony Bush 3104 W Douglas Blvd Chicago IL 12/20/1992 1/24/2021 Highland Park DNA tied to burglary connected with Westmont Dealership Burglary (8/29/21)

Dionate Horace 9322 S Loomis Chicago IL 12/6/2001 2432194 11/3/2021 Libertyville CPD attempted to curb IL/ CH77606 which registered to 9322 S Loomis/ offender left vehicle and fled into residence. located in garage

was Libertyville stolen car (11-2-21 burglary)

Allen Newsom 948 Bordeaux Place Nashville TN 7/21/1998
11/3/2021 Crystal Lake 2016 BMW VIN#42955 recovered in TN

Jomir Starks 50 W 71st Apt 10 Chicago IL 4/4/2002
2425817 10/16/2021 Barrington Fingerprint located on vehicle

If anyone has any questions feel free to reach out to me. Have a good week and stay safe!

Brian

HOT WHEELS INTEL SPLASHSHEET.pdf
Hinsdale IL PD - Daytime Auto Dealership & Carjacking Pattern - Fall 2021 - 111821.pdf

---

Good Evening everyone,

Hope everyone is well and ready for Thanksgiving.

FYI - I will be off until after Thanksgiving and I hope that our bad guys will also take the next week and a half off.

It appears that some different patterns are starting to emerge. Here in Highland Park and north of us it seems like we are getting hit by a crew in the Zion area. It also it seems that daytime Auto Dealership theft and carjacking pattern is starting to emerge. We will get in to that later…

We left off with Crystal Lake where they had 6 vehicles taken on November 3rd and they are actively working on recovering their vehicles. At least 2 have been recovered in Chicago. A

previous dealership theft from August was just recovered down in Goodlettsville, TN.

November 5 – St Charles had a vehicle stolen from Mercedes Benz of St Charles. Vehicle was recovered in Chicago and was used in a Homicide.

November 5 – Highland Park had a break in at Audi where the chase vehicles were Infiniti Q60 (stolen from Lake Geneva, WI) and a Red Fiat SUV (fresh steal from Winthrop Harbor. This is where the new pattern is emerging. Both vehicles were chased by Lake County Sheriff's Department just prior to the burglary at our Audi Dealership. I believe this is going to be tied to our other dealership burglary at Ford where both stolen cars were recovered in Kenosha just west of the I (94). That would be tied to Kwantrall Williams (see previous Hot Wheels bulletin).

November 6 – Antioch – Kunes Ford had a F350 stolen possibly with a programmer. The chase vehicle is a newer white BMW SUV and a 2011 (ish) Ford Fusion. It looks like Kenosha PD might be seeing this pattern also (FYI – STAY SAFE KENOSHA)

November 7 – Matteson – Arnie Buick had 2 Cadillacs stolen. One red and one black one. The chase vehicle is a red Dodge Charger IL/ CJ42780 which is stolen from 8041 S Vernon Ave in Chicago on October 26th.

November 7 – Elmhurst – Burglary – chase car white BMW X6 IL/ CW40238

November 8 – Hoffman Estates – Attempt – Officers observed a red Cadillac (maybe Matteson?) and a dark grey or black Mercedes or Infiniti leaving the scene.

November 8 – Schaumburg – 4 vehicles stolen Cadillacs and a Vette/ 40 key fobs stolen – chase car was a red sedan (Matteson?)

November 8 – Pontiac – Theft – 1 stolen – chase car is a silver Camaro SS

November 10 – 2 stolen/ offenders removed work orders, keys and ipads that are used by employees and later dumped the items in a residential area. Chase vehicle was a dark colored Cadillac sedan (Matteson or Schaumburg?)

November 11 – Antioch – Burglary – 1 stolen and the chase vehicle was a white Dodge Durango

November 11 – Schaumburg – Attempt – attempted to take a 2019 Dodge Charger Hellcat via programmer, however was unsuccessful (Not properly trained, incompetent, or expired Pin?) – Chase vehicles were a red and white Dodge Durango's (Antioch?)

I'm gonna hold off on the daytime stuff for a minute or two (depends on how fast you read)……

November 11 – Gurnee – 2 stolen, 1 vehicle dumped by Pleasant Prairie PD (WI) on Green Bay road which is just barely over the border and occupied mainly by former Illinois residents. I'm feeling this one is connected to the Zion area crew. I could be wrong.. I have been known to be wrong many times. Just ask my wife J

Alright.. here is the new pattern and I'll spare you with the lines and post it notes and just let Sgt Hayes from Hinsdale step in and explain it (at this time please open up the second attachment).

From 04 OCT 2021 to 18 NOV 2021, west suburban Chicago has experienced a surge in daytime auto thefts &attempts from auto dealerships.

While concentrated to DuPage County's Ogden Ave corridor (Naperville to Hinsdale), the pattern confidently extends into other jurisdictions that will be identified in (Unclassified // Law Enforcement Sensitive) portions of this document.

Targeted vehicles: high-performance Jeep/Dodge or other high-end luxury cars &SUVs.

Offenders: black males, 16-22 yoa, armed with pistols, wearing ski masks &hoods, driving previously stolen cars.

Failed auto thefts at dealerships have turned into auto thefts at gas station pumps &a carjacking attempt in-traffic.

Ok, I'm back…….. Thanks Lou.

New Pattern

November 11 – 1604 hrs – Oak Lawn - Haggerty VW – 3 M/B's instruct porter to stay back from the 2021 VW Atlas and steal it. The chase car is a black Cadillac sedan.

November 12 – 1304 hrs – Naperville – Jaguar – chase vehicle is a black Cadillac IL/ AT36889

1316 hrs – Naperville – Cadillac – 2 M/B w/ face coverings and gloves enter service area through unlocked employee entrance door. Suspect 1 enters a black 2018 Cadillac CTS-V while the 2nd suspect kindly opens the service bay door and the vehicle is then stolen

November 16 – 1330 hrs – Naperville – Jaguar – attempt – chase car black Cadillac IL/ AT36889

1402 hrs – Westmont – Lincoln – Attempt – chase car black Cadillac IL/ AT36889 attempted to run over an employee as it fled. Possible other chase cars – dark colored Lincoln MKT and gray Audi sedan with gold rims.

Let's not forget Morton Grove's Armed Robbery/ Vehicular Hijacking incident from November 2nd - McGrath - chase car was a Hyundai Genesis that was stolen earlier in the day at a dealership in Arlington Heights and continued to a BP Gas station where a vehicle was taken that was fueling up.

The Intel sheet, maps and Outstanding are somewhat up to date. If you have any recovered vehicles still on my list please let me know with dates of recovery, location of recovery, any important details would be nice. We have added a few new suspects to the Master Book.

Kwantrell Williams 2326 Joppa Ave Zion IL 6/29/1997 11/3/2021 Highland Park Seen with recovered stolen vehicles/ was with stolen vehicles at Red Dot Storage Facility in Zion, IL

Tony Bush 3104 W Douglas Blvd Chicago IL 12/20/1992 1/24/2021 Highland Park DNA tied to burglary connected with Westmont Dealership Burglary (8/29/21)

Dionate Horace 9322 S Loomis Chicago IL 12/6/2001 2432194 11/3/2021 Libertyville CPD attempted to curb IL/ CH77606 which registered to 9322 S Loomis/ offender left vehicle and fled into residence. located in garage

was Libertyville stolen car (11-2-21 burglary)

Allen Newsom 948 Bordeaux Place Nashville TN 7/21/1998
11/3/2021 Crystal Lake 2016 BMW VIN#42955 recovered in TN

Jomir Starks 50 W 71st Apt 10 Chicago IL 4/4/2002
2425817 10/16/2021 Barrington Fingerprint located on vehicle

If anyone has any questions feel free to reach out to me. Have a good week and stay safe!

Hi Ron,

Please see attached. I think that our potential LPR program would qualify for this grant through the County.

If you need additional details about the plan please contact Sgt. Boba. He would be able to provide information that would be important for the application.

Thank you sir.

No. 01

Please report relevant information and direct all media inquiries to the Cook County EMRS DUTYDESK via e-mail: duty.desk@cookcountyil.gov or phone: (312) 603-8185.

Dear Cook County Public Safety Partner,

As you may know, the Cook County Department of Emergency Management and Regional Security (EMRS) is responsible for administering a number of public safety and homeland security-related grant programs to strengthen the County's resilience in the face of significant threats, be they human caused or natural hazards. One of the most significant programs is the Urban Area Security Initiative (UASI), a component of the Federal Emergency Management Agency's Homeland Security Grant Program. This program is designed to assist high-threat, high density Urban Areas in efforts to build, sustain, and deliver the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism. For the purpose of this

grant program, the Urban Area is limited to the city of Chicago and communities located in Cook County.

While the amount of available UASI funding for our Urban Area varies each year, our department is undertaking an assessment of potential projects for consideration in the future funding cycles with a specific focus on projects that have a regional impact by means of a Notice of Interest (NOI). Compiling responses to this NOI will provide EMRS with the general scope of UASI needs outside of the city of Chicago, the approximate number of projects, their ability to improve regional resilience, the core capabilities to be served and estimated cost. Toward that end, EMRS has prepared the enclosed NOI form. If your jurisdiction intends to apply for UASI funds, please complete and electronically return the form to EMRS at EMRS.Finance@cookcountyil.gov **no later than Friday, December 17, 2021.**

To guide your efforts, it is important to note the UASI program has a specific target: eligible projects must have a distinct nexus to counter-terrorism. Generally speaking, UASI funds are used to address a gap in one or more of the 32 core capabilities as defined by FEMA, which support the National Preparedness Goal (https://www.fema.gov/core-capabilities.) In addition, UASI funds are not intended to supplant or replace local funding for normal operations. Rather, they serve to supplement existing budgets – providing Urban Areas the opportunities to purchase equipment or fund training that they would not otherwise be able to afford. Therefore, in soliciting potential UASI projects, EMRS seeks ideas for investments in physical assets, equipment and/or training with a direct nexus to counter-terrorism and a focus on regional capabilities and collaboration.

Additionally, beginning in 2020, the federal government identified national priorities for UASI investments. These priorities include the following categories, which are explained in more detail in the attached FAQ:

· **Cybersecurity** -- Cybersecurity investments must support the security and functioning of critical infrastructure and core capabilities as they relate to preventing, preparing for, protecting against, or responding to acts of terrorism.

2) **Soft Targets/Crowded Places** -- Given the increased emphasis by terrorists and other extremist actors to leverage less sophisticated methods to inflict harm in public areas, it is vital that the public and private sectors collaborate to enhance security of locations such as transportation centers, parks, restaurants, shopping centers, special event venues, and similar facilities.

3) **Information and Intelligence Sharing and Cooperation** – Cooperation and information sharing among state, federal, and local partners across all areas of the homeland security enterprise – including both international and domestic terrorism, cybersecurity, border security, transnational organized crime, immigration enforcement, economic security, and other areas – is critical to homeland security operations and the prevention of, preparation for, protection against, and responding to acts of terrorism, and other threats to life and criminal acts of targeted violence.

4) **Domestic Violent Extremism** – Domestic violent extremists, including ideologically motivated lone offenders and small groups, present the most persistent and lethal terrorist threat to the Homeland. These violent extremists capitalize on social and political tensions, which have resulted in an elevated threat environment. This investment must be in support of the urban area's efforts to combat the rise, influence, and spread of domestic violent extremism.

5) **Emerging Threats** – The spread of rapidly evolving and innovative technology, equipment, techniques, and knowledge presents new and emerging dangers for homeland security in the years ahead. Terrorists, criminal actors, and foreign adversaries continue to utilize open source and other technologies to spread misinformation and sow discord in the United States. These actors also remain intent on acquiring Weapons of Mass Destruction (WMD) capabilities, and rogue nations and non-state actors are aggressively working to develop, acquire, and modernize WMDs that they could use against the Homeland. Meanwhile, biological and chemical materials and technologies with dual use capabilities are more accessible throughout the global market. This investment must be in support of the urban area's efforts to address emergency threats.

Finally, EMRS is interested in understanding the timeline of specific projects. To that end, you will be asked to designate your project as short term (expansion of existing program or shovel ready new initiative, contracts in place, immediate execution), medium term (can be fully operational or funds expended within 6-12 months) and and longer-term (new program or initiative that would take more than 12 months from the date of funding receipt to be fully operational) to help plan future grant spending cycles.

In closing, please note that any Notice of Interest submitted to EMRS is for informational purposes only and does not obligate EMRS to fund any requested project(s). Further, this program is driven by the availability of federal funds and selected projects may be funded on a rolling basis.

If you have any questions regarding the NOI process, please refer to the attached frequently asked questions form, or email your inquiry to EMRS.Finance@cookcountyil.gov. EMRS will respond to your questions within 24 hours.

We look forward to receiving your notice(s) of interest.

Sincerely,

William M. Barnes

Enclosure

Information labeled FOUO should be safeguarded, and withheld from public release until approved for release by the originating agency.

Dissemination of FOUO is restricted to persons with “need-to-know.” Need-to-know is defined as the determination made by an authorized holder of information that a prospective recipient requires access to specific information in order to perform or assist in the lawful and authorized governmental function, i.e., access is required for the performance of official duties.

Typical FOUO requirements include:

1. FOUO information will not be disseminated in any manner - orally, visually, or electronically - to unauthorized personnel.
1. The holder of the information will comply with access and dissemination restrictions.
1. Ensure the recipient of FOUO has valid need-to-know, and that precautions are taken to prevent unauthorized individuals from overhearing the conversation, observing the materials, or otherwise obtaining the information.

If you have any questions, please e-mail: **duty.desk@cookcountyil.gov**

Email Newsletter
Luis,

Yesterday over 100 law enforcement agencies across the country joined us for our educational webinar "Combating Gun Violence with Technology." We were joined by Amazon Web Services (AWS) justice and public safety team and Captain Jason Potts from Vallejo Police Department.

During the webinar we discussed:

•Influencing policy around "ghost guns"
•How to rally your community around gun violence and "sideshow" prevention, including Vallejo PD's four part-plan for crime reduction and community policing
•How to leverage technology and data, such as pairing detection and ALPRs, to improve clearance rates and drive down violent crime rates

You can view the webinar here, as well as gain access to a playbook and additional resources around how audio detection and ALPR evidence capture can unlock investigative leads to reduce gun violence in your area.

Subject: [ilist] LPR Policy

Greetings all,

My department recently started using camera License Plate Readers (LPRs) for use in parking enforcement. I’m looking for a couple of policies on this program. Could you share your department’s policy if you have one?

Thanks in advance.

-Veronica

Greetings all,

My department recently started using camera License Plate Readers (LPRs) for use in parking enforcement. I’m looking for a couple of policies on this program. Could you share your department’s policy if you have one?

Thanks in advance.

-Veronica

Subject: Re: ChicagolandMVT / Att to ID - Blue BMW X5

Hit Naperville just prior to westmont incident. Don’t believe anything was taken.

Get Outlook for iOS

Westmont PD 11/16/21 1402 hours Report # WSPC2101778

Attempted Motor Vehicle Theft (Lincoln Dealer) and Aggravated Assault (Vehicle)

Two, male, black, suspects wearing black surgical masks attempted to take a motor vehicle from Westmont Lincoln dealer (100 West Ogden) service bay before being chased out by employees. The suspects fled in a black Cadillac sedan IL Reg AT36889. As they were exiting the lot they attempted to strike employees with their vehicle as they fled. Possible chase vehicles of dark colored Lincoln MKT suv and gray Audi sedan with gold rims, unknown registration on chase vehicles.

On Tue, Nov 16, 2021 at 11:17 AM Carter Sward <csward@villageofhinsdale.org> wrote:
Looking to identify the blue BMW X5 in the attached photo. The registration (IN reg BRIBIR) was originally on a stolen Volkswagen Jetta out of Chicago (stolen 8/31/2021). The last scan of IN/BRIBIR was on 10/31/2021 and it was on the BMW X5.

The VW Jetta was recovered on 10/24/2021 at 7930 S Greenwood, Chicago. The VW did not have any plates.

CarFax showed the VW was serviced at the Valvoline at 311 Lincoln Hwy, Chicago Heights on 09/14/2021 at 6:14 PM. The driver (attached photo) did not provide a name or any identifying information, and paid cash for the service. During the time of the service, the VW had IL reg **BU77147** on the rear. That plate was recovered on the back of a Hinsdale Land Rover (stolen by the Kia K5 PA/ LPW2755) at 3117 Miller, South Chicago Heights on 09/26/21.

NVLS search of **BU77147** shows the plate on the back of a blue BMW X5 from 03/08/2021 through 08/09/2021.

Who has a stolen blue BMW X5 that may have since been recovered with the BRIBIR plate on it? Possibly stolen around 03/08?

Subject: [ilist] LPR Policy

Greetings all,

My department recently started using camera License Plate Readers (LPRs) for use in parking enforcement. I’m looking for a couple of policies on this program. Could you share your department’s policy if you have one?

Thanks in advance.

-Veronica

Subject: Re: ChicagolandMVT / Att to ID - Blue BMW X5

Attachment: ATS36889 LPR.JPG

Hit Naperville just prior to westmont incident. Don't believe anything was taken.

Get Outlook for iOS

Westmont PD 11/16/21 1402 hours Report # WSPC2101778

Attempted Motor Vehicle Theft (Lincoln Dealer) and Aggravated Assault (Vehicle)

Two, male, black, suspects wearing black surgical masks attempted to take a motor vehicle from Westmont Lincoln dealer (100 West Ogden) service bay before being chased out by employees. The suspects fled in a black Cadillac sedan IL Reg AT36889. As they were exiting the lot they attempted to strike employees with their vehicle as they fled. Possible chase vehicles of dark colored Lincoln MKT suv and gray Audi sedan with gold rims, unknown registration on chase vehicles.

On Tue, Nov 16, 2021 at 11:17 AM Carter Sward <csward@villageofhinsdale.org> wrote:
Looking to identify the blue BMW X5 in the attached photo. The registration (IN reg BRIBIR) was originally on a stolen Volkswagen Jetta out of Chicago (stolen 8/31/2021). The last scan of IN/BRIBIR was on 10/31/2021 and it was on the BMW X5.

The VW Jetta was recovered on 10/24/2021 at 7930 S Greenwood, Chicago. The VW did not have any plates.

CarFax showed the VW was serviced at the Valvoline at 311 Lincoln Hwy, Chicago Heights on 09/14/2021 at 6:14 PM. The driver (attached photo) did not provide a name or any identifying information, and paid cash for the service. During the time of the service, the VW had IL reg **BU77147** on the rear. That plate was recovered on the back of a Hinsdale Land Rover (stolen by the Kia K5 PA/ LPW2755) at 3117 Miller, South Chicago Heights on 09/26/21.

NVLS search of **BU77147** shows the plate on the back of a blue BMW X5 from 03/08/2021 through 08/09/2021.

Who has a stolen blue BMW X5 that may have since been recovered with the BRIBIR plate on it? Possibly stolen around 03/08?

Carter Sward #223

Subject: Re: ChicagolandMVT / Att to ID - Blue BMW X5

Attachment: ATS36889 LPR.JPG

Westmont PD 11/16/21 1402 hours Report # WSPC2101778

Attempted Motor Vehicle Theft (Lincoln Dealer) and Aggravated Assault (Vehicle)

Two, male, black, suspects wearing black surgical masks attempted to take a motor vehicle from Westmont Lincoln dealer (100 West Ogden) service bay before being chased out by employees. The suspects fled in a black Cadillac sedan IL Reg AT36889. As they were exiting the lot they attempted to strike employees with their vehicle as they fled. Possible chase vehicles of dark colored Lincoln MKT suv and gray Audi sedan with gold rims, unknown registration on chase vehicles.

On Tue, Nov 16, 2021 at 11:17 AM Carter Sward <csward@villageofhinsdale.org> wrote:
Looking to identify the blue BMW X5 in the attached photo. The registration (IN reg BRIBIR) was originally on a stolen Volkswagen Jetta out of Chicago (stolen 8/31/2021). The last scan of IN/BRIBIR was on 10/31/2021 and it was on the BMW X5.

The VW Jetta was recovered on 10/24/2021 at 7930 S Greenwood, Chicago. The VW did not have any plates.

CarFax showed the VW was serviced at the Valvoline at 311 Lincoln Hwy, Chicago Heights on 09/14/2021 at 6:14 PM. The driver (attached photo) did not provide a name or any identifying information, and paid cash for the service. During the time of the service, the VW had IL reg **BU77147** on the rear. That plate was recovered on the back of a Hinsdale Land Rover (stolen by the Kia K5 PA/ LPW2755) at 3117 Miller, South Chicago Heights on 09/26/21.

NVLS search of **BU77147** shows the plate on the back of a blue BMW X5 from 03/08/2021 through 08/09/2021.

Who has a stolen blue BMW X5 that may have since been recovered with the BRIBIR plate on it? Possibly stolen around 03/08?

Carter Sward #223

Subject: Re: ChicagolandMVT / Att to ID - Blue BMW X5

Attachment: ATS36889 LPR.JPG

Westmont PD 11/16/21 1402 hours Report # WSPC2101778

Attempted Motor Vehicle Theft (Lincoln Dealer) and Aggravated Assault (Vehicle)

Two, male, black, suspects wearing black surgical masks attempted to take a motor vehicle from Westmont Lincoln dealer (100 West Ogden) service bay before being chased out by employees. The suspects fled in a black Cadillac sedan IL Reg AT36889. As they were exiting the lot they attempted to strike employees with their vehicle as they fled. Possible chase vehicles of dark colored Lincoln MKT suv and gray Audi sedan with gold rims, unknown registration on chase vehicles.

On Tue, Nov 16, 2021 at 11:17 AM Carter Sward <csward@villageofhinsdale.org> wrote:
Looking to identify the blue BMW X5 in the attached photo. The registration (IN reg BRIBIR) was originally on a stolen Volkswagen Jetta out of Chicago (stolen 8/31/2021). The last scan of IN/BRIBIR was on 10/31/2021 and it was on the BMW X5.

The VW Jetta was recovered on 10/24/2021 at 7930 S Greenwood, Chicago. The VW did not have any plates.

CarFax showed the VW was serviced at the Valvoline at 311 Lincoln Hwy, Chicago Heights on 09/14/2021 at 6:14 PM. The driver (attached photo) did not provide a name or any identifying information, and paid cash for the service. During the time of the service, the VW had IL reg **BU77147** on the rear. That plate was recovered on the back of a Hinsdale Land Rover (stolen by the Kia K5 PA/ LPW2755) at 3117 Miller, South Chicago Heights on 09/26/21.

NVLS search of **BU77147** shows the plate on the back of a blue BMW X5 from 03/08/2021 through 08/09/2021.

Who has a stolen blue BMW X5 that may have since been recovered with the BRIBIR plate on it? Possibly stolen around 03/08?

Carter Sward #223

Attachment:

Greetings all,

My department recently started using camera License Plate Readers (LPRs) for use in parking enforcement. I’m looking for a couple of policies on this program. Could you share your department’s policy if you have one?

Thanks in advance.

-Veronica

---

Just an FYI…

Sarkon Youkhana has been arrested by SPD in relation to case 21-09254 which is mentioned in the briefing. Cancel lookout for Sarkon.

PC for the arrest of Jordan Sandoval still exists.

“It is the mission of the Skokie Police Department to proactively and professionally deliver law enforcement services to the people of Skokie in order to enhance the quality of life through the preservation of peace and order” – Skokie Police Mission Statement

This electronic mail transmission may contain CONFIDENTIAL / LAW ENFORCEMENT USE ONLY or privileged information, intended only for use by the individual or entity to which this transmission is addressed to. If you are not the intended recipient, you are hereby notified that any disclosure, dissemination, copying or distribution of this transmission is strictly prohibited. Further distribution of this mail transmission or any documents contained within is restricted to law enforcement or authorized governmental agencies unless prior approval of the Skokie Police Department has been obtained. This document, or any segment thereof, may not be released to any media sources under any circumstances unless prior approval from the Skokie Police Department has been obtained. If you have received this electronic mail transmission in error or no longer wish to receive electronic mail transmissions from this sender, please notify the sender by replying to this electronic mail transmission immediately or by contacting the Skokie Police Department Intelligence Unit via telephone at (847)-982-5969.

Subject: [Live Webinar] Luis, Get Your Free Gun Violence Playbook
Attachment:

[Live Webinar] Luis, Get Your Free Gun Violence Playbook Register today to receive your FREE playbook on combating gun violence. Email not displaying correctly?
View it in your browser.

Luis, Save Your Spot

Are you interested in learning more about how to combat the rise of gun violence with technology? Join us on November 16th at 1:00 PM ET, to learn how integrated audio detection and ALPR evidence capture can unlock the investigative leads necessary to significantly reduce gun violence in your area.

We will be joined by Amazon Web Services (AWS) justice and public safety team, as well as Captain Jason Potts from Vallejo Police Department, who will share how his agency has been successful in solving gun crime.

Register below to attend and receive your FREE playbook, including proven best practices for law enforcement agencies like yours.

Maureen Mulvaney
Director, Product Marketing

340. Hanwha Techwin at ISC East 2021: eXpect more from your surveillance solutions

From: SecurityInfoWatch.com <SIW@mail.southcommmail.com>
To: jo@vniles.com
Sent Date: Nov 11, 2021 10:19:03
Subject: Hanwha Techwin at ISC East 2021: eXpect more from your surveillance solutions
Attachment:

Hanwha Techwin at ISC East 2021: eXpect more from your surveillance solutions Visit ISC East Booth #701 to see Hanwha Techwin's new AI-based cameras, cloud-based VMS
Visit ISC East Booth #701 to see Hanwha Techwin's new AI-based cameras, cloud-based VMS, LPR Solutions, intercoms and more.
Hanwha Techwin at ISC East 2021: eXpect more from your surveillance solutions
AI, Cloud VMS, LPR, IP Speakers, Intercoms and more at our ISC East booth…

Intelligent filtering

Hanwha Techwin's new X and P Series cameras combine high performance with the latest in Artificial Intelligence (AI) and Deep Learning technology. Filter out irrelevant movements and generate only the events you need to see. The result: a fully secure end-to-end workflow, fewer false alarms and greater operational efficiency.

The SKY is the limit

Customize your workflow with our Wisenet SKY cloud-based video management system supporting nearly every type of camera, with easy deployment, secure remote management and scalability, increasing functionality and improving ROI.

Hit the road with us

Wisenet Advanced License Plate Recognition Solution uses AI-based ALPR cameras with edge-based, embedded applications and enhanced ability to recognize make, model and color of vehicles while displaying traffic statistics.

Touch(less) and go

A new Video Network Intercom series (TID-600R) has a touchless sensor built in, allowing people to trigger calls from six inches away without touching the call button.

Now hear this…

Make announcements using a SIP phone or VMS. A unique horn speaker design fits wall or pole-mount installations. Speaker groups controlled over the network and sound files automatically trigger as a deterrent at night.

We look forward to seeing you in person soon at ISC East!

365. Pass Through - (U//LES) CANCELLED - BOLO - Vehicle of Interest - HOMICIDE - Bloomington Police Department - CANCELLED

From: CCSO Intel <CCSO.Intel@ccsheriff.org>
To:
Hidden recipients: as@vniles.com
Sent Date: Nov 10, 2021 06:39:09
Subject: Pass Through - (U//LES) CANCELLED - BOLO - Vehicle of Interest - HOMICIDE - Bloomington Police Department - CANCELLED
Attachment: CB7 Bolo Homicide Vehicle Bloomington PD.pdf

CANCELLED

The Bloomington Police Department is seeking a vehicle involved in a homicide on November 4, 2021, in Bloomington, IL. This vehicle left Bloomington, traveled to Peoria, IL and then arrived in area of Harvey, IL on November 5, 2021. LPR data shows the vehicle in various locations around Harvey and Calumet City, IL., from November 5 8,

2021.

The vehicle is a silver 2016 Ford Edge, IL reg. CS 13026, registered to Gregory Hightower of Bloomington, IL. Today, Hightower advised that his sister, Tosha

Hightower, may be in possession of the vehicle. Tosha Hightower recently moved from Bloomington to the Calumet City, IL., area.

A complaint has NOT been signed for any person related to this homicide, but reasonable grounds exist to justify an investigative stop.

Any agency making contact with this vehicle should contact Det. Brad Melton, 3092612505 or Det. Kevin Raisbeck, 3092751791.

If you no longer wish to be on this distribution list, please send an email to ccso.intel@ccsheriff.org to discontinue receiving these emails. If you would like any member under your command to receive these emails, please send an email to ccso.intel@ccsheriff.org and include their name, title and email address in the body of the request.

Subject: Pass Through - (U//LES) BOLO - Vehicle of Interest - HOMICIDE - Bloomington Police Department

The Bloomington Police Department is seeking a vehicle involved in a homicide on November 4, 2021, in Bloomington, IL. This vehicle left Bloomington, traveled to Peoria, IL and then arrived in area of Harvey, IL on November 5, 2021. LPR data shows the vehicle in various locations around Harvey and Calumet City, IL., from November 5 8,

2021.

The vehicle is a silver 2016 Ford Edge, IL reg. CS 13026, registered to Gregory Hightower of Bloomington, IL. Today, Hightower advised that his sister, Tosha

Hightower, may be in possession of the vehicle. Tosha Hightower recently moved from Bloomington to the Calumet City, IL., area.

A complaint has NOT been signed for any person related to this homicide, but reasonable grounds exist to justify an investigative stop.

Any agency making contact with this vehicle should contact Det. Brad Melton, 3092612505 or Det. Kevin Raisbeck, 3092751791.

If you no longer wish to be on this distribution list, please send an email to ccso.intel@ccsheriff.org to discontinue receiving these emails. If you would like any member under your command to receive these emails, please send an email to ccso.intel@ccsheriff.org and include their name, title and email address in the body of the request.

Hidden recipients: dew@vniles.com
Sent Date: Nov 09, 2021 13:26:09
Subject: Pass Through - (U//LES) BOLO - Vehicle of Interest - HOMICIDE - Bloomington Police Department
Attachment: CB7 Bolo Homicide Vehicle Bloomington PD.pdf

The Bloomington Police Department is seeking a vehicle involved in a homicide on November 4, 2021, in Bloomington, IL. This vehicle left Bloomington, traveled to Peoria, IL and then arrived in area of Harvey, IL on November 5, 2021. LPR data shows the vehicle in various locations around Harvey and Calumet City, IL., from November 5 8,

2021.

The vehicle is a silver 2016 Ford Edge, IL reg. CS 13026, registered to Gregory Hightower of Bloomington, IL. Today, Hightower advised that his sister, Tosha

Hightower, may be in possession of the vehicle. Tosha Hightower recently moved from Bloomington to the Calumet City, IL., area.

A complaint has NOT been signed for any person related to this homicide, but reasonable grounds exist to justify an investigative stop.

Any agency making contact with this vehicle should contact Det. Brad Melton, 3092612505 or Det. Kevin Raisbeck, 3092751791.

If you no longer wish to be on this distribution list, please send an email to ccso.intel@ccsheriff.org to discontinue receiving these emails. If you would like any member under your command to receive these emails, please send an email to ccso.intel@ccsheriff.org and include their name, title and email address in the body of the request.

EMRS 08, SAU 01, 2022 UASI Funding
Hi Ron,

Please see attached. I think that our potential LPR program would qualify for this grant through the County.

If you need additional details about the plan please contact Sgt. Boba. He would be able to provide information that would be important for the application.

Thank you sir.

No. 01

Please report relevant information and direct all media inquiries to the
Cook County EMRS DUTYDESK
via e-mail: duty.desk@cookcountyil.gov or phone: (312) 603-8185.

Dear Cook County Public Safety Partner,

As you may know, the Cook County Department of Emergency Management and Regional Security (EMRS) is responsible for administering a number of public safety and homeland security-related grant programs to strengthen the County's resilience in the face of significant threats, be they human caused or natural hazards. One of the most significant programs is the Urban Area Security Initiative (UASI), a component of the Federal Emergency Management Agency's Homeland Security Grant Program. This program is designed to assist high-threat, high density Urban Areas in efforts to build, sustain, and deliver the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism. For the purpose of this grant program, the Urban Area is limited to the city of Chicago and communities located in Cook County.

While the amount of available UASI funding for our Urban Area varies each year, our department is undertaking an assessment of potential projects for consideration in the future funding cycles with a specific focus on projects that have a regional impact by means of a Notice of Interest

(NOI). Compiling responses to this NOI will provide EMRS with the general scope of UASI needs outside of the city of Chicago, the approximate number of projects, their ability to improve regional resilience, the core capabilities to be served and estimated cost. Toward that end, EMRS has prepared the enclosed NOI form. If your jurisdiction intends to apply for UASI funds, please complete and electronically return the form to EMRS at EMRS.Finance@cookcountyil.gov **no later than Friday, December 17, 2021.**

To guide your efforts, it is important to note the UASI program has a specific target: eligible projects must have a distinct nexus to counter-terrorism. Generally speaking, UASI funds are used to address a gap in one or more of the 32 core capabilities as defined by FEMA, which support the National Preparedness Goal (https://www.fema.gov/core-capabilities.) In addition, UASI funds are not intended to supplant or replace local funding for normal operations. Rather, they serve to supplement existing budgets – providing Urban Areas the opportunities to purchase equipment or fund training that they would not otherwise be able to afford. Therefore, in soliciting potential UASI projects, EMRS seeks ideas for investments in physical assets, equipment and/or training with a direct nexus to counter-terrorism and a focus on regional capabilities and collaboration.

Additionally, beginning in 2020, the federal government identified national priorities for UASI investments. These priorities include the following categories, which are explained in more detail in the attached FAQ:

· **Cybersecurity** -- Cybersecurity investments must support the security and functioning of critical infrastructure and core capabilities as they relate to preventing, preparing for, protecting against, or responding to acts of terrorism.

2) **Soft Targets/Crowded Places** -- Given the increased emphasis by terrorists and other extremist actors to leverage less sophisticated methods to inflict harm in public areas, it is vital that the public and private sectors collaborate to enhance security of locations such as transportation centers, parks, restaurants, shopping centers, special event venues, and similar facilities.

3) **Information and Intelligence Sharing and Cooperation** – Cooperation and information sharing among state, federal, and local partners across all areas of the homeland security enterprise – including both international and domestic terrorism, cybersecurity, border security, transnational organized crime, immigration enforcement, economic security, and other areas – is critical to homeland security operations and the prevention of, preparation for, protection against, and responding to acts of terrorism, and other threats to life and criminal acts of targeted violence.

4) **Domestic Violent Extremism** – Domestic violent extremists, including ideologically motivated lone offenders and small groups, present the most persistent and lethal terrorist threat to the Homeland. These violent extremists capitalize on social and political tensions, which have resulted in an elevated threat environment. This investment must be in support of the urban area's efforts to combat the rise, influence, and spread of domestic violent extremism.

5) **Emerging Threats** – The spread of rapidly evolving and innovative technology, equipment, techniques, and knowledge presents new and emerging dangers for homeland security in the years ahead. Terrorists, criminal actors, and foreign adversaries continue to utilize open source and other technologies to spread misinformation and sow discord in the United States. These actors also remain intent on acquiring Weapons of Mass Destruction (WMD) capabilities, and rogue nations and non-state actors are aggressively working to develop, acquire, and modernize WMDs that they could use against the Homeland. Meanwhile, biological and chemical materials and technologies with dual use capabilities are more accessible throughout the global market. This investment must be in support of the urban area's efforts to address emergency threats.

Finally, EMRS is interested in understanding the timeline of specific projects. To that end, you will be asked to designate your project as short term (expansion of existing program or shovel ready new initiative, contracts in place, immediate execution), medium term (can be fully operational or funds expended within 6-12 months) and and longer-term (new program or initiative that would take more than 12 months from the date of funding receipt to be fully operational) to help plan future grant spending cycles.

In closing, please note that any Notice of Interest submitted to EMRS is for informational purposes only and does not obligate EMRS to fund any requested project(s). Further, this program is driven by the availability of federal funds and selected projects may be funded on a rolling basis.

If you have any questions regarding the NOI process, please refer to the attached frequently asked questions form, or email your inquiry to EMRS.Finance@cookcountyil.gov. EMRS will respond to your questions within 24 hours.

We look forward to receiving your notice(s) of interest.

Sincerely,

William M. Barnes

Enclosure

Information labeled FOUO should be safeguarded, and withheld from public release until approved for release by the originating agency.

Dissemination of FOUO is restricted to persons with “need-to-know.” Need-to-know is defined as the determination made by an authorized holder of information that a prospective recipient requires access to specific information in order to perform or assist in the lawful and authorized governmental function, i.e., access is required for the performance of official duties.

Typical FOUO requirements include:

1. FOUO information will not be disseminated in any manner - orally, visually, or electronically - to unauthorized personnel.
1. The holder of the information will comply with access and dissemination restrictions.
1. Ensure the recipient of FOUO has valid need-to-know, and that precautions are taken to prevent unauthorized individuals from overhearing the conversation, observing the materials, or otherwise obtaining the information.

[Live Webinar] Your Playbook for Combating Gun Violence Register to receive a free playbook on combating gun violence Email not displaying correctly?
View it in your browser.

Save Your Spot

Law enforcement budgets are decreasing, gun violence is on the rise, and it's getting more difficult to deploy police resources while meeting community expectations. But, with the power of force-multiplying technology and strategic police work, we can work together to reduce the alarming trends in gun-related crimes.

Join us on Tuesday, November 16th, at 1:00 PM EST, for a live webinar including

- **Amazon Web Services (AWS),** who have been dedicated to supporting justice and public safety through their programs and services
- Success stories and best practices from **Jason Potts of Vallejo Police Department**
- Access to a **downloadable playbook** with actionable steps for combating gun violence with integrated audio and ALPR evidence capture

[EXTERNAL EMAIL]

Ghida:

Good afternoon. Thank you for sending the date confirmation for the ILCMA event. I am looking forward to the presentations and working with you on this event. Melaniphy &Associates received some great press in Crain's Chicago Business and the Chicago Tribune in the last couple of weeks regarding the Melaniphy Report and the surge in retail sales in the first half of 2021 in the Chicago Metropolitan Area. I plan to touch on retail sales productivity during my remarks at ILCMA. I hope you have a nice weekend.

Kind regards,

John

John C. Melaniphy III

Subject: ILCMA Professional Development Program Details

Good morning John,

I hope you are doing well. Thank you again for serving as a speaker for the ILCMA Professional Development program. I've copied my colleague, Kenilworth Village Manager Patrick Brennan on this communication so you have his email too.

As a friendly reminder, we have four professionals confirmed to present information on hot-topics and best practices on a variety of topics: communication, law enforcement, business development and employment. Each speaker will have 20 minutes. You are welcome to use Powerpoint for your presentation.

Please mark your calendar as the date/time has been confirmed:

Wednesday, May 4, 2022

8:30 AM – registration

9:00 AM – 11:00 AM – Program

NIU Naperville Campus

1120 E. Diehl Road, Naperville

We'll set-up a presenter meeting in 2022 to confirm and review all the details. In the interim, if you have any questions, please let us know.

Ghida S. Neukirch, CM
City Manager

1707 St Johns Avenue

[EXTERNAL EMAIL]

Ghida:

Good afternoon. It was great to speak with you today and catch up on things. I have attached a bio and a head shot for the conference in May. The only days that I may have a conflict might be on Thursday mornings in May. I would likely be provided with dispensation to speak at the conference. Please keep me posted on your plans.

Kind regards,

John

Subject: Follow-up from the City of Highland Park

Hi John,
So great to talk to you this afternoon. As noted, I'm working with Kenilworth Manager, Patrick Brennan and we are coordinating a presentation in May, 2022 whereby we have four professionals who will present information on hot-topics and best practices on a variety of topics. Topic areas include communication, law enforcement (license plate reader technology and body camera implementation), employment and business development. Thank you for expressing an interest and being our expert on business development. We thought it would be worthwhile to share best practices in business retention and business attraction in light of the impact that the pandemic has had on business and our communities, and the changing retail/business climate. Each presenter would have 20 minutes.

The precise date has not been established but it will be in May, 2022. Pls send me your bio and if there any dates to stay away from in May.

Thank you!

Ghida S. Neukirch, CM
City Manager

Ghida:

Good afternoon. Thank you for sending the date confirmation for the ILCMA event. I am looking forward to the presentations and working with you on this event. Melaniphy &Associates received some great press in Crain's Chicago Business and the Chicago Tribune in the last couple of weeks regarding the Melaniphy Report and the surge in retail sales in the first half of 2021 in the Chicago Metropolitan Area. I plan to touch on retail sales productivity during my remarks at ILCMA. I hope you have a nice weekend.

Kind regards,

John

John C. Melaniphy III

Subject: ILCMA Professional Development Program Details

Good morning John,

I hope you are doing well. Thank you again for serving as a speaker for the ILCMA Professional Development program. I've copied my colleague, Kenilworth Village Manager Patrick Brennan on this communication so you have his email too.

As a friendly reminder, we have four professionals confirmed to present information on hot-topics and best practices on a variety of topics: communication, law enforcement, business development and employment. Each speaker will have 20 minutes. You are welcome to use Powerpoint for your presentation.

Please mark your calendar as the date/time has been confirmed:

Wednesday, May 4, 2022

8:30 AM – registration

9:00 AM – 11:00 AM – Program

NIU Naperville Campus

1120 E. Diehl Road, Naperville

We'll set-up a presenter meeting in 2022 to confirm and review all the details. In the interim, if you have any questions, please let us know.

[EXTERNAL EMAIL]

Ghida:

Good afternoon. It was great to speak with you today and catch up on things. I have attached a bio and a head shot for the conference in May. The only days that I may have a conflict might be on Thursday mornings in May. I would likely be provided with dispensation to speak at the conference. Please keep me posted on your plans.

Kind regards,

John

Subject: Follow-up from the City of Highland Park

Hi John,
So great to talk to you this afternoon. As noted, I'm working with Kenilworth Manager, Patrick Brennan and we are coordinating a presentation in May, 2022 whereby we have four professionals who will present information on hot-topics and best practices on a variety of topics. Topic areas include communication, law enforcement (license plate reader technology and body camera implementation), employment and business development. Thank you for expressing an interest and being our expert on business development. We thought it would be worthwhile to share best practices in business retention and business attraction in light of the impact that the pandemic has had on business and our communities, and the changing retail/business climate. Each presenter would have 20 minutes.

The precise date has not been established but it will be in May, 2022. Pls send me your bio and if there any dates to stay away from in May.

Thank you!

Email Newsletter

Flock can help protect your communities from car break-ins. Go from broken glass to a suspect arrest in near real-time.

Car break-ins are a common crime throughout cities in the US, which is why we designed the new Raven ™ audio detection device to pick up the sound of glass breaking. This will alert the Falcon ™ LPR to capture any images of the getaway vehicle.

Join Flock Safety's mission to eliminate crime, and get FREE audio crime and gunshot detection for one year.

Ready to defeat crime with us? *Reply "RAVEN" to this email to schedule a demo and unlock access to FREE integrated audio detection for a year.*

Peoria Police Department signs 10 Shared Principles

The Peoria Police Department held a live press conference with Peoria Police Chief Eric Echevarria and the local NAACP on the signing of the 10 Shared Principles on building trust in communities of color.

Learn more about the 10 Shared Principles

2 chiefs announce candidacy for 3rd VP of ILACP

Chief John Bucci of Algonquin and Chief David Wermes of Wauconda have submitted letters of nomination to run for 3rd Vice President of the Illinois Association of Chiefs of Police in the 2022 election. We will have elections for two vice president positions in 2022. The is a statewide position and the winner will be in line to become ILACP President in April 2025.

When there is more than one candidate, we conduct an online election. The Executive Board at its December meeting determines the specific criteria for the election process. Most likely, the election will take place electronically from April 25-28, 2022, and the winner will be installed on Friday evening, April 29, 2022, during a banquet at the conclusion of the Annual Conference in Northbrook.

The deadline for filing to be a candidate is February 27, which is 60 days before the beginning of the Annual Conference on April 27-29 in Northbrook. If you have any questions about this, ask any member of the Board of Officers.

Read Chief Bucci's Letter of Candidacy

REMINDER: ISP seeks your help in compiling list of LPRs in use in Illinois

Working with the Statewide Terrorism &Intelligence Center (STIC), the Illinois State Police (ISP) Division of Criminal Investigation (DCI) is compiling an index of the license plate readers (LPR) in use in Illinois. The goal of this project is to leverage this information for use by all law enforcement organizations in their investigations. We have some quick questions about the use, sharing and storage of LPR data. None of this material will be released outside the STIC and ISP. Thank you for your participation. **Send any questions to aaron.kustermann@illinois.gov.**

If you have not yet completed this effort click the link here or the button below. ISP hosts this data internally and the link is free of any cyber threats.

Thank you to the list of agencies (below) who already completed this form and to everyone who completed it last week. No need to do it again unless your system or POC email or phone changed.

Arlington Heights, Braidwood, Burbank, Calumet City, Chicago Heights, Countryside, East Hazel Crest, Elgin, Frankfort, Glen Ellyn, Homewood, Lansing, Lemont, Lombard, Minooka, Naperville, Oak Brook, Palatine, Roselle, Schaumburg, Villa Park, Wayne, Willowbrook, Wood Dale.

Retired Wheaton Chief Mark Field provides five tips

An estimated 22 million employees are “actively disengaged” in their current positions, resulting in $350 billion per year in lost productivity and absenteeism. Another 53% of workers fall into the “not engaged” category. Generally, they are satisfied but “not cognitively and emotionally connected to their work and workplace,” i.e. they usually show up for work, do the minimum required, but will quickly head for the door for a slightly better offer. If you are struggling with recruiting and retaining law enforcement professionals, this article will give you five actionable tips. Find more leadership resources at the link below.
ILACP Leadership Library

Still time to sign up for body camera training in Elgin next week

The Illinois Law Enforcement Officer-Worn Body Camera Act was amended by the SAFE-T Act of 2021, which requires all Illinois LE agencies to implement a body-worn camera program, depending on agency type and size, no later than January 1, 2025. To help prepare all agencies for the new law, this training from ILACP will teach you what’s in the law, but more important, you will learn how you can best plan for and implement a successful body-worn camera program. The session will address policies, practices, and lessons learned from these agencies. The next session is on Nov. 8, 9 a.m. - Noon in Elgin. Training is free and sponsored by Axon, Genetec and Motorola Solutions (Watchguard), but registration is requested. Click below for details or to register now.

Member perspective: 'Defund Police' Hurts Recruiting: Ex-Riverside Chief

Police departments have a harder time recruiting officers because of an anti-police environment that involves messages such as "defund the police," Riverside's former police chief. Tom Weitzel says. Weitzel, who retired in May after nearly 40 years with the Riverside department, said police

agencies need the full support of elected officials, and in many areas, officers are not getting that.

In case you missed it: Trailer bill doesn't pass

We helped to negotiate HB 3512 (Senate Amendment 1) -- what we called Trailer Bill 2 -- as an amendment to the SAFE-T Act. The Senate passed it by a 40-17 vote on Oct. 28, but when the House met early on Friday, Oct. 29, they did not call our bill. There evidently were not enough votes. We were officially neutral, but Democrats and Republicans knew that we wanted it to pass. The Sheriffs, State Police, and FOP were all neutral as well. The result is that we will not have a Trailer Bill 2 before January 1, because the veto session ended yesterday. As a result, the effective dates for the new training, new decertification requirements, and mental health screenings remain January 1, 2022. Click below to see specific upcoming

Child Passenger Safety Technician Certification and Certification Renewal

Below are classes in IL that are currently registered on the Safe Kids website. The registration fee per Safe Kids Worldwide is $95. The length of the class and additional fees vary per class. The date of the class listed is the start date:

•November 8, 2021, in Homewood
•November 8, 2021, in Braidwood
•November 10, 2021, in Rock Island
•November 10, 2021, in Rock Island

•November 15, 2021, in Rochester

•November 17, 2021, in Chicago

•January 17, 2022, in Rochester

•February 22, 2022, in Harwood Heights

•April 5, 2022, in Chicago

•June 14, 2022, in Chicago

•September 20, 2022, in Chicago

Child Passenger Safety Technician Certification Renewal Classes

Nationally Certified Child Passenger Safety (CPS) Technicians, whose certifications have expired, are eligible to take the one-day Certification Renewal Testing Course. The course is not an update/refresher class. It is for expired CPS technicians who have maintained their child passenger safety knowledge and their hands-on skills but who, for one reason or another, allowed their certifications to expire. The fee is $95. Class start dates are:

•November 4, 2021, in Rochester
•December 3, 2021, in Harwood Heights
•January 6, 2022, in Rochester
•March 4, 2022, in Chicago
•May 6, 2022, in Chicago
•July 1, 2022 in Chicago
For more information on classes, registration, and payment, go to cert.safekids.org. Any questions, contact Melanie Wingo at melaniewilacp@gmail.com. Check the Safe Kids website often as new classes are always being added.

Peoria Police Department signs 10 Shared Principles

The Peoria Police Department held a live press conference with Peoria Police Chief Eric Echevarria and the local NAACP on the signing of the 10 Shared Principles on building trust in communities of color.

Learn more about the 10 Shared Principles

2 chiefs announce candidacy for 3rd VP of ILACP

Chief John Bucci of Algonquin and Chief David Wermes of Wauconda have submitted letters of nomination to run for 3rd Vice President of the Illinois Association of Chiefs of Police in the 2022 election. We will have elections for two vice president positions in 2022. The is a statewide position and the winner will be in line to become ILACP President in April 2025.

When there is more than one candidate, we conduct an online election. The Executive Board at its December meeting determines the specific criteria for the election process. Most likely, the election will take place electronically from April 25-28, 2022, and the winner will be installed on Friday evening, April 29, 2022, during a banquet at the conclusion of the Annual Conference in Northbrook.

The deadline for filing to be a candidate is February 27, which is 60 days before the beginning of the Annual Conference on April 27-29 in Northbrook. If you have any questions about this, ask any member of the Board of Officers.

REMINDER: ISP seeks your help in compiling list of LPRs in use in Illinois

Working with the Statewide Terrorism &Intelligence Center (STIC), the Illinois State Police (ISP) Division of Criminal Investigation (DCI) is compiling an index of the license plate readers (LPR) in use in Illinois. The goal of this project is to leverage this information for use by all law enforcement organizations in their investigations. We have some quick questions about the use, sharing and storage of LPR data. None of this material will be released outside the STIC and ISP. Thank you for your participation. **Send any questions to aaron.kustermann@illinois.gov.**

If you have not yet completed this effort click the link here or the button below. ISP hosts this data internally and the link is free of any cyber threats.

Thank you to the list of agencies (below) who already completed this form and to everyone who completed it last week. No need to do it again unless your system or POC email or phone changed.

Arlington Heights, Braidwood, Burbank, Calumet City, Chicago Heights, Countryside, East Hazel Crest, Elgin, Frankfort, Glen Ellyn, Homewood, Lansing, Lemont, Lombard, Minooka, Naperville, Oak Brook, Palatine, Roselle, Schaumburg, Villa Park, Wayne, Willowbrook, Wood Dale.
Complete the survey

Retired Wheaton Chief Mark Field provides five tips

An estimated 22 million employees are “actively disengaged” in their current positions, resulting in $350 billion per year in lost productivity and absenteeism. Another 53% of workers fall into the “not engaged” category. Generally, they are satisfied but “not cognitively and emotionally connected to their work and workplace,” i.e. they usually show up for work, do the minimum required, but will quickly head for the door for a slightly better offer. If you are struggling with recruiting and retaining law enforcement professionals, this article will give you five actionable tips. Find more leadership resources at the link below.
ILACP Leadership Library

Still time to sign up for body camera training in Elgin next week

The Illinois Law Enforcement Officer-Worn Body Camera Act was amended by the SAFE-T Act of 2021, which requires all Illinois LE agencies to implement a body-worn camera program, depending on agency type and size, no later than January 1, 2025. To help prepare all agencies for the new law, this training from ILACP will teach you what’s in the law, but more important, you will learn how you can best plan for and implement a successful body-worn camera program. The session will address policies, practices, and lessons learned from these agencies. The next session is on Nov. 8, 9 a.m. - Noon in Elgin. Training is free and sponsored by Axon, Genetec and Motorola Solutions (Watchguard), but registration is requested. Click below for details or to register now.
Register now

Member perspective: 'Defund Police' Hurts Recruiting: Ex-Riverside Chief

Police departments have a harder time recruiting officers because of an anti-police environment that involves messages such as "defund the police," Riverside's former police chief. Tom Weitzel says. Weitzel, who retired in May after nearly 40 years with the Riverside department, said police

agencies need the full support of elected officials, and in many areas, officers are not getting that.

In case you missed it: Trailer bill doesn't pass

We helped to negotiate HB 3512 (Senate Amendment 1) -- what we called Trailer Bill 2 -- as an amendment to the SAFE-T Act. The Senate passed it by a 40-17 vote on Oct. 28, but when the House met early on Friday, Oct. 29, they did not call our bill. There evidently were not enough votes. We were officially neutral, but Democrats and Republicans knew that we wanted it to pass. The Sheriffs, State Police, and FOP were all neutral as well. The result is that we will not have a Trailer Bill 2 before January 1, because the veto session ended yesterday. As a result, the effective dates for the new training, new decertification requirements, and mental health screenings remain January 1, 2022. Click below to see specific upcoming

NIU PD achieves ILEAP accreditation

Northern Illinois University Acting Chief Darren Mitchell proudly holds the plaque the NIU Police Department received October 29, 2021, in DeKalb for achieving ILEAP accreditation. Also from left are ILACP Vice President Dean Stiegemeier, who made the presentation; Sergeant Karen Clifton (Maple Park PD), Sergeant Dennis Grant (NIU PD), and Officer Cynthia Zimberoff (NIU PD). Officer Zimberoff served as the accreditation manager. NIU President Lisa Freeman (not shown) participated during the presentation.

Enjoy a rate of 1.99% APR for up to 72 months with a new ISPFCU Auto Loan!

With a New Auto Loan from ISPFCU you can make your wish of driving a new vehicle with a great rate and a low monthly payment a reality! That's because through November 30th, all new qualifying 2021 and 2022 model year vehicles financed with ISPFCU will receive a loan rate of 1.99%!* This special rate offer of 1.99% even includes vehicles financed for up to 72 months! Apply online at **www.ispfcu.org** or give us a call at 800-255-0886 with any questions you may have and to get your preapproved auto loan today!

*All rates are stated as an Annual Percentage Rate (APR). Rates are subject to change at any time. Special applies to new non-preowned vehicles. Rates quoted are for individuals with excellent credit. Individuals with less than excellent credit may be offered higher rates. Fixed loan rate of 1.99% equals payments of $14.75 for 72 months for each $1,000 borrowed.

Child Passenger Safety Technician Certification and Certification Renewal

Below are classes in IL that are currently registered on the Safe Kids website. The registration fee per Safe Kids Worldwide is $95. The length of the class and additional fees vary per class. The date of the class listed is the start date:

•November 8, 2021, in Homewood
•November 8, 2021, in Braidwood
•November 10, 2021, in Rock Island
•November 10, 2021, in Rock Island

•November 15, 2021, in Rochester

•November 17, 2021, in Chicago

•January 17, 2022, in Rochester

•February 22, 2022, in Harwood Heights

•April 5, 2022, in Chicago

•June 14, 2022, in Chicago

•September 20, 2022, in Chicago

Child Passenger Safety Technician Certification Renewal Classes

Nationally Certified Child Passenger Safety (CPS) Technicians, whose certifications have expired, are eligible to take the one-day Certification Renewal Testing Course. The course is not an update/refresher class. It is for expired CPS technicians who have maintained their child passenger safety knowledge and their hands-on skills but who, for one reason or another, allowed their certifications to expire. The fee is $95. Class start dates are:

•November 4, 2021, in Rochester
•December 3, 2021, in Harwood Heights
•January 6, 2022, in Rochester
•March 4, 2022, in Chicago
•May 6, 2022, in Chicago
•July 1, 2022 in Chicago
For more information on classes, registration, and payment, go to cert.safekids.org. Any questions, contact Melanie Wingo at melaniewilacp@gmail.com. Check the Safe Kids website often as new classes are always being added.

455. Stop Illegal Dumping with Rapid Deployment LPR

From: Daniel del Soldato <danieldelsoldato@wcctv.com>
To: Luis <lct@vniles.com>
Sent Date: Nov 04, 2021 10:06:42
Subject: Stop Illegal Dumping with Rapid Deployment LPR
Attachment:

Stop Illegal Dumping with Rapid Deployment LPR Good morning Luis, WCCTV's Rapid Deployment Pole Cameras built-in LPR capability help catch illegal dumpers.
Good morning Luis,

LPR cameras provide Law Enforcement agencies with critical, indisputable video footage to investigate crimes and secure arrests.

PDs across America are utilizing WCCTV's rapid deployment LPR solutions to combat illegal dumping, business crime, parking lot theft and vehicular crimes.

WCCTV's 4G Mini Dome with built-in LPR gives you two cameras in one, with full situational overview video delivered in 1080p HD quality from the pole camera alongside crystal images of vehicle plates from the LPR camera.

This integrated solution helps build complete case files to secure arrests and convictions.

Illegal Dumping captured by WCCTV LPR Camera (plates redacted)

Learn More About WCCTV's LPR Cameras WCCTV's Pole Cameras with built-in LPR capability provide:
1. High Accuracy Plate Reads
2. Plug and Play Capability for Rapid Deployment and Portability
3. Ease of Use for Any Experience Level

Our free and unlicensed viewing software automatically converts license plate scans into a text database so you can can quickly search for vehicles of interest.

The software directly links to a nationally hosted LPR data server and car detector, allowing you to create 'hotlists' of vehicles of interest. When plates from these vehicles are scanned, you will receive an automatic email alert.

Free up your time and let WCCTV's systems do the hard work, get in touch today for a demonstration or quote.

Illegal Dumping captured by WCCTV LPR Camera (plates redacted)

How Rapid Deployment Pole Cameras Benefit Law Enforcement

WCCTV, the USA's leading provider of 4G LTE enabled pole-mounted security cameras, explores some of the key Law Enforcement based applications for these truly mobile surveillance units.

Learn more »

The Benefits of License Plate Recognition Cameras

License plate recognition (LPR) cameras are specialized surveillance units designed to detect, capture and log vehicle licence plates.

Get Audio and Gunshot Detection Free in 2022 Introducing the most powerful audio detection on the market, join our live webinar on combating gun violence, check out advanced search, and more! Email not displaying correctly?
View it in your browser.
November 2021

Product Release Digest
This monthly update will keep you informed about all the latest product improvements and releases to ensure you get the most out of your agency's partnership with Flock Safety.
Introducing Raven: Access the Most Powerful, Integrated Audio and ALPR on the Market

With an average of 185 crimes solved per day with just the Flock Safety Falcon™ ALPR camera, imagine how powerful your technology would be if it was paired with the Flock Safety Raven™ audio detection device. The raven uses audio detection and machine learning to locate the source of dangerous crimes including gunshots, glass breaking, and speeding vehicles. We just launched the product in October, and we've already seen a tremendous amount of excitement. You can get access to this device for FREE in 2022. Wanna learn more?

Unlock access to FREE audio detection for a year **A NEW Feature You Don't Want to Miss: Advanced Search Package**

Introducing Flock Safety Advanced Search, a way to experience next-level evidence delivery for law enforcement. With the NEW Advanced Search package, you'll unlock more investigative leads with less information. You will also have access to our latest features including Visual Search, Convoy Analysis, and Multi Geo Search.

Learn more here **How Anderson Police Unite the Power of People and Technology**

The Anderson Police Department in South Carolina knows that technology has changed throughout the years, and it's important to adapt in order to solve crimes faster. Though no officer can be on the job 24/7, they have Flock Safety cameras to help get the job done. Learn more about how Flock has helped detective and patrol officers be more effective at their jobs.

Watch Now **[Live Webinar] Combating Gun Violence with Technology**

Save your spot for our Live Webinar on November 16th at 1:00PM ET, where we will be joined by Jason Potts from Vallejo Police Department, as we discuss tackling the rise of gun violence with integrated audio detection and ALPR. Register below and receive a FREE playbook on combating gun violence after the webinar.

To:
Hidden recipients: as@vniles.com
Sent Date: Nov 03, 2021 12:08:30
Subject: PASSTHROUGH- Armed Vehicular Hijacking-Thorntons
Attachment: Armed Vehicular Hijacking-Thorntons.pdf

On October 31st 2021 at approximately 0045hrs, South Holland gets a report of a carjacking at the Thorntons Gas Station located at 1141 E 162nd St. This blue Dodge Challenger pulls up along side our victim who is gassing up his 2018 black Chevy Camero IL reg CJ23304. The passenger of the Challeger, who is a male black wearing a black hoodie and facemask, exits and points a firearm at my victim and the front seat passenger. The carjacker and Challenger then flee eastbound on 162nd Street from Thorntons most likely onto I94. The offending vehicle is a blue 2018 Dodge Challenger with IL reg AW76126. That was stolen in Lansing on 10-31-21 at approximately 00:15hrs. The Challenger was recovered in Country Club Hills the same day at approximately 1820hrs with a few fashionable bullet holes in it. The jacked vehicle is a black 2018 Chevy Camero with a large rear spoiler. IL reg CJ23304. My last LPR hit on that vehicle was on 11-01-21 at 23:56hrs at southbound I90 from 43rd St in Chicago. If any agency has any information, please contact South Holland Detective McGeever mmcgeever@southholland.org

Subject: CAT Converter Theft Question/Weekend Activity

Good Morning,

We had a handful of Catalytic Converter Thefts between 10/30 and 10/31 during the overnight hours, most likely early morning hours on 10/31.

Did any of your agencies take in reports over the weekend?

Thanks,

Pat

535. Pedestrian Safety Information from NPD

From: David, Alexandra <avb@vniles.com>
To: Niedermaier, Craig <cn@vniles.com>
Cc: Tigera, Luis <lct@vniles.com>
Sent Date: Oct 28, 2021 16:15:42
Subject: Pedestrian Safety Information from NPD
Attachment: 2020 Strategic Plan.pdf

Trustee Niedermaier,

The Chief asked me to send you information as it relates to pedestrian and bicycle safety initiatives at NPD.

The below information was provided by our records supervisor and commander in regards to pedestrian and bicycle crashes during the grant year October 1, 2020 – September 30, 2021:

This information shows only 8 bicycle / pedestrian crashes. The annual average for the past 5 years has been 27.6 crashes per year. There were only 5 injury crashes when the 5 year average has been 25.1 annually. There were no fatalities when the 5 year average showed 1.6 annually. **The fatal crash in the parking lot on Dempster in September is not included in these statistics as it was not on a roadway.

Commander Brandt said that we have completed the yearlong grant for pedestrian and bike safety and have met our goals of crash reduction. In addition, he will compile a more in depth report at a later date.

In addition, please see attachment for our strategic plan that has information on pedestrian and bicycle safety.

If you have any questions please let me know. Have a great day!

Allie David

Subject: Curb street racing in your jurisdiction with Flock's newest device
Attachment:

Email Newsletter

Flock can help protect your communities from reckless driving. Go from screeching tires to a suspect arrest in near real-time.

Flock Safety is on a mission to eliminate 25% of crime in the US over the next 3 years. This means we must work together to combat the rise in reckless street racing across the US.
Use Flock Safety's NEW Raven™ audio detection device to detect the sound of screeching tires to locate and respond to street-racing incidents in near real-time. The Raven logs the sound and location as evidence, while the Falcon ™ LPR camera captures a visual of the suspect vehicles nearby.

Ready to defeat crime with us? *Reply "RAVEN" to this email to schedule a demo and unlock access to FREE integrated audio detection for a year.*

Weekly Bulletin | October 28, 2021

Illinois' Voice of Professional Law Enforcement

2 openings for Vice President positions in 2022 on ILACP Board of Officers

We will have elections for two vice president positions in 2022:

•3rd Vice President, a statewide position. The winner will be in line to become ILACP President in April 2025.
•Vice President at-Large, Region 2 (northwest Illinois and parts of central Illinois). The incumbent, Chief Dean Stiegemeier, is not eligible to run because he will have completed two terms.

A map of the ILACP regions is available here. Click here to see a description of these regions. To become a candidate for vice president, send a letter to Executive Director Ed Wojcicki, at **ed@ilchiefs.org**, announcing your intention to run, and for which office. In about a page. provide an explanation of why you want to run and a little information about your background. Provide a photo of yourself to be used on the ILACP website.

The deadline for filing to be a candidate is February 27, which is 60 days before the beginning of the Annual Conference on April 27-29 in Northbrook. If you have any questions about this, ask any member of the Board of Officers.

Trailer bill 2 filed; ILACP and Sheriffs are neutral

With the General Assembly scheduled to meet for the last day of veto session today (Thursday, October 28), ILACP leaders continued discussions into last night about additional changes we seek in the SAFE-T Act.

The second trailer bill that we requested was filed late last night. It was filed as Senate Amendment 1 to HB 3512, and a copy of the language is attached to this Weekly Bulletin. The Illinois Chiefs are officially neutral on the bill, but we would like to see it passed so that we get some of what we requested, such as moving the implementation dates for training, mental health screenings, and the new decertification process to July 1, 2022, instead of January 1. Plus, there are improvements in the three-phone-call language.

Details about what's in it will be forthcoming soon.

Continue wearing mourning badges for Pontoon Beach officer killed by gunfire

As was announced earlier this week, Officer Tyler Timmins, 36, of the Pontoon Beach Police Department, died after being shot by a suspect in a stolen vehicle at a gas station early Tuesday morning. The Illinois Chiefs ask all sworn officers in the state to continue wearing their mourning badges until the services for Officer Timmins have ended, as is our custom. A long line of police vehicles escorted the body of the fallen hero from the St. Louis Medical Examiner's office to a funeral home in Wood River yesterday. Hundreds of people lined the route to pay their respects. Read more here

ISP seeks your help in compiling list of LPRs in use in Illinois

Working with the Statewide Terrorism &Intelligence Center (STIC), the Illinois State Police (ISP) Division of Criminal Investigation (DCI) is compiling an index of the license plate readers (LPR) in use in Illinois. The goal of this project is to leverage this information for use by all law enforcement organizations in their investigations. We have some quick questions about the use, sharing and storage of LPR data. None of this material will be released outside the STIC and ISP. Thank you for your participation. **Send any questions to aaron.kustermann@illinois.gov.**

To get started and participate in this effort click the link here or the button below. ISP hosts this data internally and the link is free of any cyber threats.

Thank you to the list of agencies (below) who already completed this form. No need to do it again unless your system or POC email or phone changed.

Arlington Heights, Braidwood, Burbank, Calumet City, Chicago Heights, Countryside, East Hazel Crest, Elgin, Frankfort, Glen Ellyn, Homewood, Lansing, Lemont, Lombard, Minooka, Naperville, Oak Brook, Palatine, Roselle, Schaumburg, Villa Park, Wayne, Willowbrook, Wood Dale

Hazel Crest Deputy Chief Mitchell earns Certified Eligible honor

The Village of Hazel Crest Deputy Police Chief Dale Mitchell (center) earned the honor of becoming a Certified Eligible Police Chief through the association's certification program. This designation signifies that he meets the highest standards of competency and conduct for his profession. To be eligible for consideration, those interested in pursuing certification must first meet the ILACP's criteria for experience, education, professional membership, and community involvement. The plaque was presented by Chief Mitchell Davis (left), ILACP president. Learn more about ILACP certification program here.

Enjoy a rate of 1.99% APR for up to 72 months with a new ISPFCU Auto Loan!

With a New Auto Loan from ISPFCU you can make your wish of driving a new vehicle with a great rate and a low monthly payment a reality! That's because through November 30th, all new qualifying 2021 and 2022 model year vehicles financed with ISPFCU will receive a loan rate of 1.99%!* This special rate offer of 1.99% even includes vehicles financed for up to 72 months! Apply online at **www.ispfcu.org** or give us a call at 800-255-0886 with any questions you may have and to get your preapproved auto loan today!

*All rates are stated as an Annual Percentage Rate (APR). Rates are subject to change at any time. Special applies to new non-preowned vehicles. Rates quoted are for individuals with excellent credit. Individuals with less than excellent credit may be offered higher rates. Fixed loan rate of 1.99% equals payments of $14.75 for 72 months for each $1,000 borrowed.

Child Passenger Safety Technician Certification and Certification Renewal

Below are classes in IL that are currently registered on the Safe Kids website. The registration fee per Safe Kids Worldwide is $95. The length of the class and additional fees vary per class. The date of the class listed is the start date:

•November 8, 2021, in Homewood
•November 8, 2021, in Braidwood
•November 10, 2021, in Rock Island
•November 10, 2021, in Rock Island

•November 15, 2021, in Rochester

•November 17, 2021, in Chicago

•January 17, 2022, in Rochester

•February 22, 2022, in Harwood Heights

•April 5, 2022, in Chicago

•June 14, 2022, in Chicago

•September 20, 2022, in Chicago

Child Passenger Safety Technician Certification Renewal Classes

Nationally Certified Child Passenger Safety (CPS) Technicians, whose certifications have expired, are eligible to take the one-day Certification Renewal Testing Course. The course is not an update/refresher class. It is for expired CPS technicians who have maintained their child passenger safety knowledge and their hands-on skills but who, for one reason or another, allowed their certifications to expire. The fee is $95. Class start dates are:

•November 4, 2021, in Rochester
•December 3, 2021, in Harwood Heights
•January 6, 2022, in Rochester
•March 4, 2022, in Chicago
•May 6, 2022, in Chicago
•July 1, 2022 in Chicago
For more information on classes, registration, and payment, go to cert.safekids.org. Any questions, contact Melanie Wingo at melaniewilacp@gmail.com. Check the Safe Kids website often as new classes are always being added.

Hazel Crest Deputy Chief Mitchell earns Certified Eligible honor

The Village of Hazel Crest Deputy Police Chief Dale Mitchell (center) earned the honor of becoming a Certified Eligible Police Chief through the association's certification program. This designation signifies that he meets the highest standards of competency and conduct for his profession. To be eligible for consideration, those interested in pursuing certification must first meet the ILACP's criteria for experience, education, professional membership, and community involvement. The plaque was presented by Chief Mitchell Davis (left), ILACP president. Learn more about ILACP certification program here.

Enjoy a rate of 1.99% APR for up to 72 months with a new ISPFCU Auto Loan!

With a New Auto Loan from ISPFCU you can make your wish of driving a new vehicle with a great rate and a low monthly payment a reality! That's because through November 30th, all new qualifying 2021 and 2022 model year vehicles financed with ISPFCU will receive a loan rate of 1.99%!* This special rate offer of 1.99% even includes vehicles financed for up to 72 months! Apply online at **www.ispfcu.org** or give us a call at 800-255-0886 with any questions you may have and to get your preapproved auto loan today!

*All rates are stated as an Annual Percentage Rate (APR). Rates are subject to change at any time. Special applies to new non-preowned vehicles. Rates quoted are for individuals with excellent credit. Individuals with less than excellent credit may be offered higher rates. Fixed loan rate of 1.99% equals payments of $14.75 for 72 months for each $1,000 borrowed.

Child Passenger Safety Technician Certification and Certification Renewal

Below are classes in IL that are currently registered on the Safe Kids website. The registration fee per Safe Kids Worldwide is $95. The length of the class and additional fees vary per class. The date of the class listed is the start date:

•November 8, 2021, in Homewood
•November 8, 2021, in Braidwood
•November 10, 2021, in Rock Island
•November 10, 2021, in Rock Island

•November 15, 2021, in Rochester

•November 17, 2021, in Chicago

•January 17, 2022, in Rochester

•February 22, 2022, in Harwood Heights

•April 5, 2022, in Chicago

•June 14, 2022, in Chicago

•September 20, 2022, in Chicago

Child Passenger Safety Technician Certification Renewal Classes

Nationally Certified Child Passenger Safety (CPS) Technicians, whose certifications have expired, are eligible to take the one-day Certification Renewal Testing Course. The course is not an update/refresher class. It is for expired CPS technicians who have maintained their child passenger safety knowledge and their hands-on skills but who, for one reason or another, allowed their certifications to expire. The fee is $95. Class start dates are:

•November 4, 2021, in Rochester
•December 3, 2021, in Harwood Heights
•January 6, 2022, in Rochester
•March 4, 2022, in Chicago
•May 6, 2022, in Chicago
•July 1, 2022 in Chicago
For more information on classes, registration, and payment, go to cert.safekids.org. Any questions, contact Melanie Wingo at melaniewilacp@gmail.com. Check the Safe Kids website often as new classes are always being added.

ILACP assisting as Northlake advertises for new police chief

The City of Northlake, Illinois, in Chicago's western suburbs, is seeking candidates for position of Chief of Police for a department with 35 sworn officers and 14 civilian staff.

Interested candidates should apply by sending all documents electronically to the Illinois Association of Chiefs of Police, which is consulting on this search process. Send documents to ed@ilchiefs.org. **The application package must include cover letter, resume, salary history and names and contact information of three references. For full consideration, applications must be submitted by November 15, 2021.**

Address applications to Ed Wojcicki, Executive Director, ILACP, 426 South Fifth Street, Springfield, IL 62701. Questions should be addressed to Wojcicki at (217) 523-3765, or email at **ed@ilchiefs.org**.

For complete information about this position, go to the Jobs Board at www.ilchiefs.org.

Weekly Bulletin | October 28, 2021

Illinois' Voice of Professional Law Enforcement

2 openings for Vice President positions in 2022 on ILACP Board of Officers

We will have elections for two vice president positions in 2022:

•3rd Vice President, a statewide position. The winner will be in line to become ILACP President in April 2025.
•Vice President at-Large, Region 2 (northwest Illinois and parts of central Illinois). The incumbent, Chief Dean Stiegemeier, is not eligible to run because he will have completed two terms.

A map of the ILACP regions is available here. Click here to see a description of these regions. To become a candidate for vice president, send a letter to Executive Director Ed Wojcicki, at **ed@ilchiefs.org**, announcing your intention to run, and for which office. In about a page. provide an explanation of why you want to run and a little information about your background. Provide a photo of yourself to be used on the ILACP website.

The deadline for filing to be a candidate is February 27, which is 60 days before the beginning of the Annual Conference on April 27-29 in Northbrook. If you have any questions about this, ask any member of the Board of Officers.

See ILACP's regions

Trailer bill 2 filed; ILACP and Sheriffs are neutral

With the General Assembly scheduled to meet for the last day of veto session today (Thursday, October 28), ILACP leaders continued discussions into last night about additional changes we seek in the SAFE-T Act.

The second trailer bill that we requested was filed late last night. It was filed as Senate Amendment 1 to HB 3512, and a copy of the language is attached to this Weekly Bulletin. The Illinois Chiefs are officially neutral on the bill, but we would like to see it passed so that we get some of what we requested, such as moving the implementation dates for training, mental health

screenings, and the new decertification process to July 1, 2022, instead of January 1. Plus, there are improvements in the three-phone-call language.

Details about what's in it will be forthcoming soon.

Trailer Bill 2 language

Continue wearing mourning badges for Pontoon Beach officer killed by gunfire

As was announced earlier this week, Officer Tyler Timmins, 36, of the Pontoon Beach Police Department, died after being shot by a suspect in a stolen vehicle at a gas station early Tuesday morning. The Illinois Chiefs ask all sworn officers in the state to continue wearing their mourning badges until the services for Officer Timmins have ended, as is our custom. A long line of police vehicles escorted the body of the fallen hero from the St. Louis Medical Examiner's office to a funeral home in Wood River yesterday. Hundreds of people lined the route to pay their respects.

Subject: RE: ChicagolandMVT / Roselle + Hinsdale

Attachment:

Consider the Roselle chase car may be **silver/gray Kia K5 PA/LPW2755**, which has run from Hinsdale at least a dozen times this month, with a couple stolen Hinsdale cars under its belt.

Quite conveniently, since I talked to Hartman this morning, our Patrol just took a report of stolen auto from residential driveway, &have been promised that tracking will be activated:

· **Black 2021 Bentley Bentayga IL/B138085,** VIN/SJAAM2ZV2MC033851, LDS/pending, (it's only the V8 not the V12, so it's valued under $180k)

Same Hinsdale neighborhood &time where Roselle's **Bronze 2016 Acura TLX IL/AM14981** was scanned.

Anyone know **Alexander Houston** SID/IL36353591 of Park Forest IL, whose print was lifted from a recovered Hinsdale stolen taken by that Kia K5? Identification just made yesterday…

Lou Hayes Jr #008

Detective Sergeant | Investigations Division

Investigator | DuPage MERIT Major Crimes Unit

Hinsdale (Illinois) Police Department

121 Nathaniel M. Symonds Dr, Hinsdale, IL 60521

Subject: RE: ChicagolandMVT / UPDATED EMAIL LIST - 10.06.2021

At approximately 2:30 this morning we had a Bronze 2016 Acura TLX bearing IL / AM14981 stolen from a driveway on the northside of town. NVLS shows the vehicle in the Hinsdale area at around 4:30AM. Since that time the vehicle hasn't been run on any NVLS / LPR system.

The suspect vehicle appears to be a siler sedan, possibly an Infinity or KIA K5 – CF pending.

Subject: RE: ChicagolandMVT / UPDATED EMAIL LIST - 10.06.2021

Attachment: ~WRD0000.jpg

At approximately 2:30 this morning we had a Bronze 2016 Acura TLX bearing IL / AM14981 stolen from a driveway on the northside of town. NVLS shows the vehicle in the Hinsdale area at around 4:30AM. Since that time the vehicle hasn't been run on any NVLS / LPR system.

The suspect vehicle appears to be a siler sedan, possibly an Infinity or KIA K5 – CF pending.

We did not unfortunately he would not give it up. He said it was his cousin who was in the pictures.

Chicago PD arrested him day of an incident and the store said no we just want phones back no knowing who he was and once LP advised them Chicago said it was too late.

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

I'm still awaiting response from T-Mobile. Not sure if anyone has a better contact. I did not get a positive ID for my photo lineup so the ID of Lumzy is going to be tricky for the ASA, but it does look like him and hopefully his phone ping puts him in the area.

Subject: Re: iPhone Retail Thefts - Suspect Marquis Lumzy

Hey,

My case was reviewed by felony review and was forwarded for direct indictment. I'm awaiting a grand jury date for this case from our ASA.

Lumzy claimed he was in East Chicago with his friend Tubbah on the day of our incident. Phone numbers he gave for his alibi didn't work...surprise surprise.
Have a safe weekend.

I was just advised that Lumzy was arrested on a warrant last Friday and has court on 8/2.

I am going to try and get an appointment to interview him tomorrow before if anyone wants to coordinate with me on a time. I am in training today so if you can send me a text 630-478-1937 to set up things.

That being said our surveillance next week will not be needed.

Eric

Subject: iPhone Retail Thefts - Suspect Marquis Lumzy

Squad

This is an email thread in regards to the iPhone retail thefts that have been conducted by, who we believe, is Marquis Lumzy. Your agency may have fell victim to his madness and that is why I added you. I have sent the attached incidents to T-Mobile and they are locating whether or not Lumzy's cell phone was near your store at the time of the incident. Once he confirms I will send out another email and would like to set up a meeting hopefully next week to formulate a plan

moving forward. I believe I have enough to get a Pen Register on his phone but would like to get a surveillance plan/schedule so we can do this effectively as possible and catch him in the act.

I also set up a cloud drive with all the info I have so far. If you can add any footage, photos, outstanding reports in your respective folders I would greatly appreciate it. In the Villa Park folder under search warrants is a combined map of Lumzy's cell phone historical data from 3/1 - 5/4 so if you incident occurred during that time you may be able to see if he was there at the time.

I’m still awaiting response from T-Mobile. Not sure if anyone has a better contact. I did not get a positive ID for my photo lineup so the ID of Lumzy is going to be tricky for the ASA, but it does look like him and hopefully his phone ping puts him in the area.

Hey,

My case was reviewed by felony review and was forwarded for direct indictment. I'm awaiting a grand jury date for this case from our ASA.

Lumzy claimed he was in East Chicago with his friend Tubbah on the day of our incident. Phone numbers he gave for his alibi didn't work...surprise surprise.
Have a safe weekend.

I was just advised that Lumzy was arrested on a warrant last Friday and has court on 8/2.

I am going to try and get an appointment to interview him tomorrow before if anyone wants to coordinate with me on a time. I am in training today so if you can send me a text 630-478-1937 to set up things.

That being said our surveillance next week will not be needed.

Eric
