In accordance with the California Public Records Act (Government Code Section 6250 et seq.) The City's various departments have reviewed the records responsive to your request which are subject to disclosure under the provisions of the Act, and it has been represented to the City Manager's office that due diligence has been performed by the City departments and all records applicable to your request are being provided. You will notice that certain information has been redacted pursuant to Government Code section 6255 based upon the City Attorney's determination that, with respect to such information, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure of the information. The records consist of 70 pages, which are being forwarded electronically. If you have any questions regarding the information above, please contact our office.
