**Re: Response Your Public Records Requests Received by the City of El Monte on May 1, 2023–
PRR #354**

Dear MuckRock News:

Reference is made to your request for records (the "Request") made pursuant to the California Public Records Act (the "Act"), which was received by the City of El Monte (the "City") on May 1, 2023. Please accept this correspondence as the City's response to the Request, which is timely provided in accordance with Government Code Section 7922.525.

The City has undertaken a review of the Request and determined that it seeks records which are subject to disclosure, either in whole or in part, under the Act, and which are in the possession, custody, or control of the City. The Request is granted to the extent that the City has disclosable and responsive public records in its possession, custody, or control. The Request is denied to the extent that the Request seeks records that are exempt from disclosure pursuant to Government Code Sections 7927.700, 7927.705, Evidence Code Section 1060, and Article I, Section of the California Constitution, and other applicable laws. To the extent that an otherwise disclosable record contains certain information which is exempt from disclosure, the non-disclosable information will be redacted.

In accordance with Government Code section 7922.535, the City estimates that the responsive, disclosable documents in its possession, custody, or control shall be available on or before **Thursday, June 15, 2023**.

Should you have any questions or need any additional information, please do not hesitate to contact our office at (626) 580-2016, Monday through Thursday between the hours of 7:00 a.m. to 5:30 p.m.

Respectfully,

A blue ink signature of Karina Casas.
