Adam, can you confirm the time on the schedule (invite) is accurate. My calendar is indicating 830am. I assume it is 830am ET and 930am CT, correct. May everyone enjoy their weekend.

Happy Friday everyone,

Can we move Monday's meeting to 9:30 instead of 10? I got roped into a search committee that meets at that time. I'm even available at 11:30.

This might be for the next few Mondays but I'll have to check.

Thanks,

Johnny
