Great! I've sent out an invitation for Wednesday morning. Looking forward to it.

Best,

Thanks, Johnny. I believe you said we can get started on the work before we finish the grant process - if so, let's schedule a kick off call next week to start getting into the detailed planning for the white paper. Could you loop in Professor Helfers as well and we can find a time that works for him as well? Here are time slots that work for us - I think 30 minutes should be sufficient:

- Monday, August 28: 9-9:30 or 9:30-10am CT (your time)
- Wednesday, August 30: 9:30-10am CT
- Thursday, August 31: 9-9:30am CT
- Friday, September 1: 9-9:30am CT

Thanks again,

Andrea

Hi Johnny,

Thanks for reaching out! We're excited to get started with you.

Kristi - can you share more information about how we can get started?

Best,

For example, you might want a manuscript for publication that I submit, an internal executive summary report, or some presentation, etc. to Flock. We can discuss the amount of the grant as well and maybe this is a multi-year, multi-part grant, etc.

Thank you both and please let me know if I can answer any questions.
