Alison,

So I understand this correctly, if we pay the total invoice for \$46,249.86, we will be credited \$45,000 off the first year of our five-year contract?

Good afternoon,

After speaking internally and figuring out the best option forward without having to go to City Council we came to the conclusion of paying this outstanding invoice currently, and your 5 year deal year 1 will be credited \$45k due to your original contract was signed as service dates begin at Last Camera Validation and since that is not installed yet, your service dates have not begun.

Please let me know if you have any questions.

Thank you,

Alison Labowicz

Howdy Sgt Curran -

We went ahead and shifted Camera 21 further West (based on the feedback from our call). Does this look closer to where you are wanting it? Do you approve of this revised location?

Thanks!

On Mon, Jan 22, 2024 at 2:31 PM Hailey Spessard <hailey.spessard@flocksafety.com> wrote:
Howdy Sir -

Thank you for your time last week!

I just wanted to confirm that **Cameras 10 & 21** were submitted to IDOT 1/17 for permit review/approval.

We are showing on our end that the targeted location for Camera 21 (the location that was submitted to IDOT) is in Deerfield Jx. Are you OK with us keeping this location (since it is showing Deerfield)?
I know you had wanted us to shift it further West but it's showing OK on our end in this location - Just wanted to double check!

Please see the below updates for your other outstanding LPRs -
Camera 6 (GreenBay/County Line - (NB)) - tentatively scheduled for installation 1/26.

Camera 5 (Sheridan/Deere Park (NB)) - pending iDOT permit submittal

Cams 3, 4, 11 & 20 - Kimley Horn received OPERs and Bonds on 1/19. Working on creating the final permitting package to mail to IDOT. Once IDOT has this they will approve the permits.

I will check back in closer to the installation date for Camera 6 but please let me know if you have any questions and feel free to refer to your updated [Tracker](#) in the meantime.

Thanks!

Subject: Re: Highland Park IL PD | Flock Safety 5 Year Quote

[EXTERNAL EMAIL]

Howdy Sir -

My **sincere** apologies for the delay in getting you over this update!

Please see below -

Cam 6 - Installing

Installation tentatively scheduled 1/2

Cam 10 & 21 - Pending IDOT Permit Submittal

Submission to IDOT est by 12/22 (EOW)

*Cam 21 is in Deerfield Jurisdiction. IDOT is going to want to know if they approve of this location before they will review the permit.

Deerfield will also need to sign the OPER/Bond paperwork to finalize the permit

Do you know if Deerfield would be willing to do that on Highland Park's behalf? *Neither of these are anywhere near Deerfield

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER documents sent to PD - Once IDOT receives the OPER they will approve the permits.

Do you know if these have been signed and mailed off to Cowan Electric yet? Yes, these were sent approximately two weeks ago

My apologies if they have been, just wanted to double check!

If not, please see the instructions below (detailed instructions [here](#)) -

-Please print the attached document out Four (4) times and sign and date with pen under "Applicant Signature"

-Mail all 4 copies to our IDOT Approved Contractor to sign as well:

Cowan Electric

ATTN: Dawn Cowan

PO Box 5066

Elgin, IL 60121

Cam 5 (Sheridan/Deere Park (NB)) - New Location Needed - Pending PD Approval

This location was shifted to the private property location at (42.149459, -87.760626)

Do you approve of this new location?

Once approved and we have property owner permission we can get this installed ASAP *** I was asked to get permission from The Village of Glencoe for this camera which I did in March, Can we install it further South in Glencoe?**

Please let me know your thoughts on the above or if you have any questions.

Again, my sincere apologies for the gap in communication here - I will be sending out biweekly updates moving forward to help avoid this issue in the future!

Feel free to refer to your updated [Tracker](#) in the meantime.

Thank you for your patience,

---	----------	----------------------	--	------------------	--------	---

This is not happening, we were denied approval, I asked to get this moved East on City property a while ago, can I have an ETA for this along with camera # 6

#10 - Skokie Hwy Exit Ramp / Half Day (NB)	Permitting	Research	IL	DOT	Falcon	Permitting Team working on documents required for IDOT permit submittal Then will submit to IDOT asap
#05 - Sheridan/Deere Park (NB)	Permitting	Research	IL	DOT	Falcon	Originally identified as a City Permit but now it looks like it will need IDOT Pending permitting team to submit permit to IDOT

The permitting process has not started for either of the two above locations, is that correct?

Sean

These will work- I've updated the DP. The IDOT camera was shifted west just a bit to get behind the guard rail and into enough sunlight.

Mike

On Dec 13, 2023, at 5:37 PM, Dan Murdock <dan.murdock@flocksafety.com> wrote:

Mike Holub,

Please look at these two updated locations - <https://planner.flocksafety.com/deployment/472ba1de-7346-4617-beb8-5c56ceec239>

Can you please confirm they will work. We know we will miss that left hand turn lane before Kelly for 21 and PD will get PP approval if this works on Sheridan.

Thanks,

On Mon, Nov 13, 2023 at 8:35 AM Curran, Sean <scurran@cityhpil.com> wrote:

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?

Once we have their go-ahead we can move forward with this installation

We were already told that we have to move the camera east on Highland Park property so the target area would be on Half Day near Landon Ln.

[EXTERNAL EMAIL]

Howdy Sir -

My apologies for the delay in getting you over a response!

I am new to Illinois and it has taken a second to get my bearings.

Please see the below quick update regarding your Flock Cameras -

IL - Highland Park - PD

Cams 9, 14, 12, 8, 16, 2, 22, 19, 9, 15, 17 & 1 - Installed & In Service

Cam 6 (Green Bay/County Line) - Pending City Approval

Unable to install in the original location due to utilities in the area
Reached out to Ron Bannon (Dir. PW) today to see if they would allow us to install on the neighboring traffic signal instead - Pending his response

Cam 10 (Skokie Hwy Exit Ramp/Half Day) - Pending IDOT Permit Approval

Working with our permitting team to determine the status of the IDOT permit here.

Cams 7 & 18 - Ready for Install

Were previously on hold due to construction in the area
Pushed back over to the Field Team to get scheduled for installation - Will let you know the installation date asap

IL - Highland Park - PD

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER sent to y'all (PD) by Flock on 11/2 - Please let me know if you need that re-sent!
Once IDOT has the OPER (to be sent in by the PD) and the Bond (handled by Flock) they will approve these permits

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?
Once we have their go-ahead we can move forward with this installation

Cam 5 (Sheridan/Deere Park) - Pending IDOT Permit

Originally identified as needing a city permit but they have now confirmed that an IDOT permit will be needed instead
Working with my permitting team to get this submitted over to IDOT ASAP

Feel free to refer to your [Tracker](#) for a more detailed look at each of your Flock cameras, as well as a link to your Deployment Plan.

Moving forward, I will be sending out biweekly permitting updates and will also let you know once Cams 7 & 18 have been scheduled for installation.

Please let me know if you have any questions!

Thank you for your patience,

Subject: RE: Highland Park IL PD | Flock Safety 5 Year Quote

Mike

Please confirm that HPPD is not sharing their Flock Cameras with other jurisdictions. This is our goal to do so in the near future; I don't want to screw anything up in the time being. We have had ten cameras operational for a while, but six non-IDOT-

permitted cameras have yet to be installed. May I please also get a status on our IDOT permits. I would like to know how we will be credited or charged for this year since more than half of our allocated cameras have not been in use this year.

Howdy Sir -

Apologies for the back-to-back emails, I just wanted to send you a quick update (see below) -

Cam 6 - Installation rescheduled

Rescheduled to be installed 2/19

Working with Field Team to try and bring this date in sooner

Cam 21 - New Location Pending

We shifted this further West (based on the feedback from our call).

Does this look closer to where you are wanting it? **Do you approve of this revised location?**

Please let me know your thoughts on Camera 21 or if you have any questions.

Thanks,

On Thu, Jan 25, 2024 at 4:05 PM Hailey Spessard <hailey.spessard@flocksafety.com> wrote:

Howdy Sir -

Thank you for your time last week!

I just wanted to confirm that **Cameras 10 & 21** were submitted to IDOT 1/17 for permit review/approval.

We are showing on our end that the targeted location for Camera 21 (the location that was submitted to IDOT) is in Deerfield Jx. Are you OK with us keeping this location (since it is showing Deerfield)?

I know you had wanted us to shift it further West but it's showing OK on our end in this location - Just wanted to double check!

Please see the below updates for your other outstanding LPRs -
Camera 6 (GreenBay/County Line - (NB)) - tentatively scheduled for installation 1/26.

Camera 5 (Sheridan/Deere Park (NB)) - pending iDOT permit submittal

Cams 3, 4, 11 & 20 - Kimley Horn received OPERs and Bonds on 1/19. Working on creating the final permitting package to mail to IDOT. Once IDOT has this they will approve the permits.

I will check back in closer to the installation date for Camera 6 but please let me know if you have any questions and feel free to refer to your updated [Tracker](#) in the meantime.

Thanks!

Subject: Re: Highland Park IL PD | Flock Safety 5 Year Quote

[EXTERNAL EMAIL]

Howdy Sir -

My **sincere** apologies for the delay in getting you over this update!

Please see below -

Cam 6 - Installing

Installation tentatively scheduled 1/2

Cam 10 & 21 - Pending IDOT Permit Submittal

Submission to IDOT est by 12/22 (EOW)

*Cam 21 is in Deerfield Jurisdiction. IDOT is going to want to know if they approve of this location before they will review the permit.

Deerfield will also need to sign the OPER/Bond paperwork to finalize the permit

Do you know if Deerfield would be willing to do that on Highland Park's behalf? *Neither of these are anywhere near Deerfield

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER documents sent to PD - Once IDOT receives the OPER they will approve the permits.

Do you know if these have been signed and mailed off to Cowan Electric yet? Yes, these were sent approximately two weeks ago

My apologies if they have been, just wanted to double check!

If not, please see the instructions below (detailed instructions [here](#)) -

-Please print the attached document out Four (4) times and sign and date with pen under "Applicant Signature"

-Mail all 4 copies to our IDOT Approved Contractor to sign as well:
Cowan Electric
ATTN: Dawn Cowan
PO Box 5066

Elgin, IL 60121

Cam 5 (Sheridan/Deere Park (NB)) - New Location Needed - Pending PD Approval

This location was shifted to the private property location at (42.149459, -87.760626)

Do you approve of this new location?

Once approved and we have property owner permission we can get this installed ASAP *** I was asked to get permission from The Village of Glencoe for this camera which I did in March, Can we install it further South in Glencoe?**

Please let me know your thoughts on the above or if you have any questions.

Again, my sincere apologies for the gap in communication here - I will be sending out biweekly updates moving forward to help avoid this issue in the future!

Feel free to refer to your updated [Tracker](#) in the meantime.

Thank you for your patience,

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?
Once we have their go-ahead we can move forward with this installation

We were already told that we have to move the camera east on Highland Park property so the target area would be on Half Day near Landon Ln.

[EXTERNAL EMAIL]

Howdy Sir -

My apologies for the delay in getting you over a response!

I am new to Illinois and it has taken a second to get my bearings.

Please see the below quick update regarding your Flock Cameras -

IL - Highland Park - PD

Cams 9, 14, 12, 8, 16, 2, 22, 19, 9, 15, 17 & 1 - Installed & In Service

Cam 6 (Green Bay/County Line) - Pending City Approval

Unable to install in the original location due to utilities in the area
Reached out to Ron Bannon (Dir. PW) today to see if they would allow us to install on the neighboring traffic signal instead - Pending his response

Cam 10 (Skokie Hwy Exit Ramp/Half Day) - Pending IDOT Permit Approval

Working with our permitting team to determine the status of the IDOT permit here.

Cams 7 & 18 - Ready for Install

Were previously on hold due to construction in the area
Pushed back over to the Field Team to get scheduled for installation - Will let you know the installation date asap

IL - Highland Park - PD

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER sent to y'all (PD) by Flock on 11/2 - Please let me know if you need that re-sent!
Once IDOT has the OPER (to be sent in by the PD) and the Bond (handled by Flock) they will approve these permits

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?
Once we have their go-ahead we can move forward with this installation

Cam 5 (Sheridan/Deere Park) - Pending IDOT Permit

Originally identified as needing a city permit but they have now confirmed that an IDOT permit will be needed instead
Working with my permitting team to get this submitted over to IDOT ASAP

Feel free to refer to your [Tracker](#) for a more detailed look at each of your Flock cameras, as well as a link to your Deployment Plan.

Moving forward, I will be sending out biweekly permitting updates and will also let you know once Cams 7 & 18 have been scheduled for installation.

Please let me know if you have any questions!

Thank you for your patience,

Mike

Please confirm that HPPD is not sharing their Flock Cameras with other jurisdictions. This is our goal to do so in the near future; I don't want to screw anything up in the time being. We have had ten cameras operational for a while, but six non-IDOT-permitted cameras have yet to be installed. May I please also get a status on our IDOT permits. I would like to know how we will be credited or charged for this year since more than half of our allocated cameras have not been in use this year.

[EXTERNAL EMAIL]

Howdy Sir -

My **sincere** apologies for the delay in getting you over this update!

Please see below -

Cam 6 - Installing

Installation tentatively scheduled 1/2

Cam 10 & 21 - Pending IDOT Permit Submittal

Submission to IDOT est by 12/22 (EOW)

*Cam 21 is in Deerfield Jurisdiction. IDOT is going to want to know if they approve of this location before they will review the permit.

Deerfield will also need to sign the OPER/Bond paperwork to finalize the permit

Do you know if Deerfield would be willing to do that on Highland Park's behalf? *Neither of these are anywhere near Deerfield

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER documents sent to PD - Once IDOT receives the OPER they will approve the permits.

Do you know if these have been signed and mailed off to Cowan Electric yet? Yes, these were sent approximately two weeks ago

My apologies if they have been, just wanted to double check!

If not, please see the instructions below (detailed instructions [here](#)) -

-Please print the attached document out Four (4) times and sign and date with pen under "Applicant Signature"

-Mail all 4 copies to our IDOT Approved Contractor to sign as well:

Cowan Electric

ATTN: Dawn Cowan

PO Box 5066

Elgin, IL 60121

Cam 5 (Sheridan/Deere Park (NB)) - New Location Needed - Pending PD Approval

This location was shifted to the private property location at (42.149459, -87.760626)

Do you approve of this new location?

Once approved and we have property owner permission we can get this installed ASAP *** I was asked to get permission from The Village of Glencoe for this camera which I did in March, Can we install it further South in**

An aerial view of a road intersection. A road labeled 'Sheridan Rd' runs diagonally from the top left towards the bottom right. Another road, 'Meadow Rd', branches off to the left from Sheridan Rd. A traffic light is shown at the intersection, with a red light for the main road and a green light for the side road. A red arrow points from the red light towards the intersection. To the right of the intersection is a large parking lot. In the bottom left corner, there are blue rectangular areas, possibly tennis courts. The Google logo is in the bottom left corner. At the bottom, there is a navigation bar with 'Keyboard shortcuts', 'Map Data', a scale bar for '10 m', and links for 'Terms' and 'Report a map error'. On the right side, there are three icons: a square with four arrows pointing outwards, a person icon, and a plus/minus zoom control.

Again, my sincere apologies for the gap in communication here - I will be sending out biweekly updates moving forward to help avoid this issue in the future!

Thank you for your patience,

Mike Holub,

Please look at these two updated locations - <https://planner.flocksafety.com/deployment/472ba1de-7346-4617-beb8-5c56ceec239>

Can you please confirm they will work. We know we will miss that left hand turn lane before Kelly for 21 and PD will get PP approval if this works on Sheridan.

Thanks,

On Mon, Nov 13, 2023 at 8:35 AM Curran, Sean <scurran@cityhpil.com> wrote:

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?

Once we have their go-ahead we can move forward with this installation

We were already told that we have to move the camera east on Highland Park property so the target area would be on Half Day near Landon Ln.

[EXTERNAL EMAIL]

Howdy Sir -

My apologies for the delay in getting you over a response!
I am new to Illinois and it has taken a second to get my bearings.

Please see the below quick update regarding your Flock Cameras -

IL - Highland Park - PD

Cams 9, 14, 12, 8, 16, 2, 22, 19, 9, 15, 17 & 1 - Installed & In Service

Cam 6 (Green Bay/County Line) - Pending City Approval

Unable to install in the original location due to utilities in the area
Reached out to Ron Bannon (Dir. PW) today to see if they would allow us to install on the neighboring traffic signal instead - Pending his response

Cam 10 (Skokie Hwy Exit Ramp/Half Day) - Pending IDOT Permit Approval

Working with our permitting team to determine the status of the IDOT permit here.

Cams 7 & 18 - Ready for Install

Were previously on hold due to construction in the area
Pushed back over to the Field Team to get scheduled for installation - Will let you know the installation date asap

IL - Highland Park - PD

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER sent to y'all (PD) by Flock on 11/2 - Please let me know if you need that re-sent!
Once IDOT has the OPER (to be sent in by the PD) and the Bond (handled by Flock) they will approve these permits

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?
Once we have their go-ahead we can move forward with this installation

Cam 5 (Sheridan/Deere Park) - Pending IDOT Permit

Originally identified as needing a city permit but they have now confirmed that an IDOT permit will be needed instead
Working with my permitting team to get this submitted over to IDOT ASAP

Feel free to refer to your [Tracker](#) for a more detailed look at each of your Flock cameras, as well as a link to your Deployment Plan.

Moving forward, I will be sending out biweekly permitting updates and will also let you know once Cams 7 & 18 have been scheduled for installation.

Please let me know if you have any questions!

Thank you for your patience,

Mike
Please confirm that HPPD is not sharing their Flock Cameras with other jurisdictions. This is our goal to do so in the near future; I don't want to screw anything up in the time being. We have had ten cameras operational for a while, but six non-IDOT-permitted cameras have yet to be installed. May I please also get a status on our IDOT permits. I would like to know how we will be credited or charged for this year since more than half of our allocated cameras have not been in use this year.

Sean,

I'm sorry for the confusion. This is the same location as 11373 Half Day Rd. in unincorporated Deerfield, IL. We adjusted it a couple of feet for solar reasons and that kicked it back for internal review which by the letter of Flocks internal processes needs approval from the customer. This location is still east of Waukegan.

Regards,

On Tue, Jan 30, 2024 at 6:52 AM Curran, Sean <scurran@cityhpil.com> wrote:

Howdy Sir -

Apologies for the back-to-back emails, I just wanted to send you a quick update (see below) -

Cam 6 - Installation rescheduled

Rescheduled to be installed 2/19

Working with Field Team to try and bring this date in sooner

Cam 21 - New Location Pending

We shifted this further West (based on the feedback from our call).

Does this look closer to where you are wanting it? **Do you approve of this revised location?**

Please let me know your thoughts on Camera 21 or if you have any questions.

Thanks,

On Thu, Jan 25, 2024 at 4:05 PM Hailey Spessard <hailey.spessard@flocksafety.com> wrote:

Howdy Sgt Curran -

We went ahead and shifted Camera 21 further West (based on the feedback from our call).

Does this look closer to where you are wanting it? Do you approve of this revised location?

Thanks!

On Mon, Jan 22, 2024 at 2:31 PM Hailey Spessard <hailey.spessard@flocksafety.com> wrote:

Howdy Sir -

Thank you for your time last week!

I just wanted to confirm that Cameras 10 & 21 were submitted to IDOT 1/17 for permit review/approval.

We are showing on our end that the targeted location for Camera 21 (the location that was submitted to IDOT) is in Deerfield Jx.

Are you OK with us keeping this location (since it is showing Deerfield)?

I know you had wanted us to shift it further West but it's showing OK on our end in this location - Just wanted to double check!

Please see the below updates for your other outstanding LPRs -

Camera 6 (GreenBay/County Line - (NB)) - tentatively scheduled for installation 1/26.

Camera 5 (Sheridan/Deere Park (NB)) - pending iDOT permit submittal

Cams 3, 4, 11 & 20 - Kimley Horn received OPERs and Bonds on 1/19. Working on creating the final permitting package to mail to IDOT. Once IDOT has this they will approve the permits.

I will check back in closer to the installation date for Camera 6 but please let me know if you have any questions and feel free to refer to your updated [Tracker](#) in the meantime.

Thanks!

Mike Holub,

Please look at these two updated locations - <https://planner.flocksafety.com/deployment/472ba1de-7346-4617-beb8-5c56ceec239>

Can you please confirm they will work. We know we will miss that left hand turn lane before Kelly for 21 and PD will get PP

approval if this works on Sheridan.

Thanks,

On Mon, Nov 13, 2023 at 8:35 AM Curran, Sean <scurran@cityhpil.com> wrote:

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?
Once we have their go-ahead we can move forward with this installation

We were already told that we have to move the camera east on Highland Park property so the target area would be on Half Day near Landon Ln.

[EXTERNAL EMAIL]

Howdy Sir -

My apologies for the delay in getting you over a response!

I am new to Illinois and it has taken a second to get my bearings.

Please see the below quick update regarding your Flock Cameras -

IL - Highland Park - PD

Cams 9, 14, 12, 8, 16, 2, 22, 19, 9, 15, 17 & 1 - Installed & In Service

Cam 6 (Green Bay/County Line) - Pending City Approval

Unable to install in the original location due to utilities in the area
Reached out to Ron Bannon (Dir. PW) today to see if they would allow us to install on the neighboring traffic signal instead - Pending his response

Cam 10 (Skokie Hwy Exit Ramp/Half Day) - Pending IDOT Permit Approval

Working with our permitting team to determine the status of the IDOT permit here.

Cams 7 & 18 - Ready for Install

Were previously on hold due to construction in the area
Pushed back over to the Field Team to get scheduled for installation - Will let you know the installation date asap

IL - Highland Park - PD

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER sent to y'all (PD) by Flock on 11/2 - Please let me know if you need that re-sent!
Once IDOT has the OPER (to be sent in by the PD) and the Bond (handled by Flock) they will approve these permits

Cam 21 (Half Day/Kelly) - Pending Property Owner Permission

Do you know if an agreement (IGA) has been completed with the Lake County Forest Preserve District (or have they given permission for this camera) here?
Once we have their go-ahead we can move forward with this installation

Cam 5 (Sheridan/Deere Park) - Pending IDOT Permit

Originally identified as needing a city permit but they have now confirmed that an IDOT permit will be needed instead
Working with my permitting team to get this submitted over to IDOT ASAP

Feel free to refer to your [Tracker](#) for a more detailed look at each of your Flock cameras, as well as a link to your Deployment Plan.

Moving forward, I will be sending out biweekly permitting updates and will also let you know once Cams 7 & 18 have been scheduled for installation.

Please let me know if you have any questions!

Thank you for your patience,

Mike

Please confirm that HPPD is not sharing their Flock Cameras with other jurisdictions. This is our goal to do so in the near future; I don't want to screw anything up in the time being. We have had ten cameras operational for a while, but six non-IDOT-permitted cameras have yet to be installed. May I please also get a status on our IDOT permits. I would like to know how we will be credited or charged for this year since more than half of our allocated cameras have not been in use this year.

Sean,

I'm sorry for the confusion. This is the same location as 11373 Half Day Rd. in unincorporated Deerfield, IL. We adjusted it a couple of feet for solar reasons and that kicked it back for internal review which by the letter of Flocks internal processes needs approval from the customer. This location is still east of Waukegan.

Regards,

On Tue, Jan 30, 2024 at 6:52 AM Curran, Sean <scurran@cityhpil.com> wrote:

Howdy Sir -

Apologies for the back-to-back emails, I just wanted to send you a quick update (see below) -

Cam 6 - Installation rescheduled

Rescheduled to be installed 2/19

Working with Field Team to try and bring this date in sooner

Cam 21 - New Location Pending

We shifted this further West (based on the feedback from our call).

Does this look closer to where you are wanting it? **Do you approve of this revised location?**

Please let me know your thoughts on Camera 21 or if you have any questions.

Thanks,

On Thu, Jan 25, 2024 at 4:05 PM Hailey Spessard <hailey.spessard@flocksafety.com> wrote:

Howdy Sir -

Thank you for your time last week!

I just wanted to confirm that **Cameras 10 & 21** were submitted to IDOT 1/17 for permit review/approval.

We are showing on our end that the targeted location for Camera 21 (the location that was submitted to IDOT) is in Deerfield Jx. Are you OK with us keeping this location (since it is showing Deerfield)?

I know you had wanted us to shift it further West but it's showing OK on our end in this location - Just wanted to double check!

Please see the below updates for your other outstanding LPRs -
Camera 6 (GreenBay/County Line - (NB)) - tentatively scheduled for installation 1/26.

Camera 5 (Sheridan/Deere Park (NB)) - pending iDOT permit submittal

Cams 3, 4, 11 & 20 - Kimley Horn received OPERs and Bonds on 1/19. Working on creating the final permitting package to mail to IDOT. Once IDOT has this they will approve the permits.

I will check back in closer to the installation date for Camera 6 but please let me know if you have any questions and feel free to refer to your updated [Tracker](#) in the meantime.

Thanks!

Subject: Re: Highland Park IL PD | Flock Safety 5 Year Quote

[EXTERNAL EMAIL]

Howdy Sir -

My **sincere** apologies for the delay in getting you over this update!

Please see below -

Cam 6 - Installing

Installation tentatively scheduled 1/2

Cam 10 & 21 - Pending IDOT Permit Submittal

Submission to IDOT est by 12/22 (EOW)

*Cam 21 is in Deerfield Jurisdiction. IDOT is going to want to know if they approve of this location before they will review the permit.

Deerfield will also need to sign the OPER/Bond paperwork to finalize the permit

Do you know if Deerfield would be willing to do that on Highland Park's behalf? *Neither of these are anywhere near Deerfield

Cams 3, 4, 11 & 20 - Pending IDOT Permit Approval

OPER documents sent to PD - Once IDOT receives the OPER they will approve the permits.

Do you know if these have been signed and mailed off to Cowan Electric yet? Yes, these were sent approximately two weeks ago

My apologies if they have been, just wanted to double check!

If not, please see the instructions below (detailed instructions [here](#)) -

-Please print the attached document out Four (4) times and sign and date with pen under "Applicant Signature"

-Mail all 4 copies to our IDOT Approved Contractor to sign as well:

Cowan Electric

ATTN: Dawn Cowan

PO Box 5066

Elgin, IL 60121

Cam 5 (Sheridan/Deere Park (NB)) - New Location Needed - Pending PD Approval

This location was shifted to the private property location at (42.149459, -87.760626)

Do you approve of this new location?

Once approved and we have property owner permission we can get this installed ASAP *** I was asked to get permission from The Village of Glencoe for this camera which I did in March, Can we install it further South in Glencoe?**

Please let me know your thoughts on the above or if you have any questions.

Again, my sincere apologies for the gap in communication here - I will be sending out biweekly updates moving forward to help avoid this issue in the future!

Feel free to refer to your updated [Tracker](#) in the meantime.

Thank you for your patience,

Good afternoon,

After speaking internally and figuring out the best option forward without having to go to City Council we came to the conclusion of paying this outstanding invoice currently, and your 5 year deal year 1 will be credited \$45k due to your original contract was signed as service dates begin at Last Camera Validation and since that is not installed yet, your service dates have not begun.

Please let me know if you have any questions.

Thank you,
Alison Labowicz

Hi again Alison,

My Finance Department is asking for a minor update to the invoice. Can you denote that it was for 2023?

Thanks,
Bill

Hi Alison,

Even though we currently only have 14 cameras up and running, not the 17 listed on invoice number INV-30176, we will pay the full amount of \$46,249.86 with the expectation of the \$45,000 credit toward year one of our five year agreement. I'm working with our Finance Department to process the payment promptly.

Thank you,
Bill
