Regina,

I have my prints scheduled for tomorrow afternoon. I do have one question on the form, is the Private Security Company License Number required for the form? If so, can you let me know what number to include? If you could let me know, I would appreciate it. Thanks. m

So when scheduling my prints I can't locate the "trace or CCR" number, is that a number you would have? If so I can go take care of that today

HI Mark,

I received your documents. I corrected your date of birth. When you are on the TOPS portal site, click the "Can't login" and enter your information,

Also the insurance certificate is incorrect. Please fill out the PSP05 form. I have attached it, The other certificate looks fine.

Have you and Caleb done your prints yet?
