Although the Sheriff's Department is obligated to respond within 10 days of receipt of the request, this time limit is subject to an extension of up to fourteen (14) days under the following circumstances as defined in Government Code § 7922.535(a).

The need to search for, and collect, the requested records from field facilities or other establishments that are separate from the office processing the request, and the need to appropriately examine potentially voluminous amounts of records.

Currently, the Los Angeles County Sheriff's Department is receiving an exceptionally large volume of PRA requests and is currently experiencing an extended delay in processing them. Upon completion, we will advise you, if any, as to the availability of the responsive records.

Please note that we may redact or withhold records if there are any exempt matters impacting the privacy rights of individuals (California Constitution, article I, § 1, and Government Code § 7927.705 and 7922.000). Other exempt matters will include those protected by the attorney-client, official information, and deliberative process privileges, pending litigation exemption, personnel exemption, or other matters otherwise protected from disclosure by law or where the particular facts and circumstances warrant nondisclosure of the information (Government Code § 7927.200, 7927.700, 7927.705, and 7922.000).

If you have any questions, please contact the Public Records Act Unit via email at [DiscoveryUnitPRArequests@lasd.org](mailto:DiscoveryUnitPRArequests@lasd.org) or phone at (323) 890-5050.

Sincerely,

ROBERT G. LUNA, SHERIFF
