Re: Axon Draft One Records – Sunshine Law Request

To Whom It May Concern,

This letter is in response to your Missouri Sunshine Law request dated April 11, 2025, seeking records related to the use of Axon Draft One, Axon Narrative Assistant, or any other AI-assisted police report generation tool.

After conducting a diligent search, the Normandy Police Department has determined that **no records exist that are responsive to your request.**

As required by Missouri law, this concludes our response to your request. Should you have further inquiries or any further questions about this request, please contact me by email at bdiveley@cityofnormandy.gov

Sincerely,

A handwritten signature in black ink. The signature reads "Brianna" followed by "Diveley" and a small "802" at the end. The signature is fluid and cursive.
