Please include a detailed description of the records you are requesting, including search terms, date ranges, and other applicable information.

To Whom It May Concern:

Pursuant to the Colorado Open Records Act, I hereby request the following records:

- A list of all current deployment locations of Flock Safety automatic license-plate reader cameras owned, leased or operated by the City and County of Denver or the Denver Police Department (including intersections or other location identifiers).
- The number of cameras in operation as of [date] and the date of each installation.
- Any contracts, memoranda or agreements the City/Department holds with Flock Safety (or any other vendor) for camera deployment, maintenance, and data access/sharing.
- A number advising of how many license plates have been captured/detected over the last 30 days(ideally a graph).
- A list of all searches over the last 30 days using the Flock Safety system; including reason for search, search contents, officer who conducted the search, and time/date stamps.
- I've also been made aware that the Flock Safety contract with Denver has recently been renewed, and I would also like information in regards to the details of said most recent contract.
- - Any email contents/information possible in regards to the making and agreement of the most recent contract sign, or installations.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 3 business days, as the statute requires.

Sincerely,

Sidney Engel
