Hello!

I'm excited to share that I'll be co-hosting a live webinar on Wednesday, September 24th at 10am PT / 1pm ET!

As you may know, I work almost exclusively with law enforcement agencies that have fewer than 25 sworn officers. This session is specifically designed for smaller departments looking to maximize the value of their investment in Flock.

We'll be diving into Flock Safety's Mobile App, uncovering how to best take advantage of easy to use features on the go! As well as covering best practices throughout the system to share with your department. If you can't attend live, but are still interested in the content, please register for the session anyways and I'll send you the recording.

We look forward to seeing you!
