**Subject:** EXTERNAL - Flock alternatives?

Chief Lieb,

Can you please forward this to the MCCPA group?

Are any agencies utilizing a product and service besides Flock Safety? We deploy Flock and some Reconyx LPRs and other “trail camera” type devices, but they aren’t connected to the Flock network.

A director has asked me to inquire about any possible alternatives. I found a few after a Google search, but I am not aware of anyone using them locally. Anyone using anything besides Flock?

Thanks for the help.

Ryan
