Hello Chief -

I wanted to check in and let you know that our permitting team is following up weekly with IDOT to get a timeline on when we can expect permit approval - they most recently followed up on 5/15. I will continue to check in and keep you posted as we find out more.

Thank you,

Good afternoon!!

I wanted to check in quickly about camera #01 StateRoute 176 @ Newport (EB). The submission is still under review with the DOT as of 4/10. In speaking with them we are anticipating permit approval around the end of May. While we await the DOTs approval, please let me know if you have any questions. Have a great day!!

Thank you,
