Good morning!

I am adding in [@Mo Ismail](#) to this email as he is helping out with project management in Illinois. He will be working alongside me and providing project updates as things progress.

Thank you,

**Alexandra Lawson**

Good afternoon!!

I wanted to check in quickly about camera #01 StateRoute 176 @ Newport (EB). The submission is still under review with the DOT as of 4/10. In speaking with them we are anticipating permit approval around the end of May. While we await the DOTs approval, please let me know if you have any questions. Have a great day!!

Thank you,
