Flock is at the homicide conference so I started to talk to them about the camera install. I just got this back from them.

Hi Detective Colatorti,

I hope all is well.

I wanted to let you know that installation of camera #01 StateRoute 176 @ Newport (EB) has been tentatively scheduled for 10/21/25.

We appreciate your patience and understanding while we worked to get the permit approved and your installation scheduled.

Please let me know if you have any questions!

Stay safe,
