Chief Paulus,

I am working on trying to get a timeline for installation from IDOT. Our permitting manager who submitted the permits has reached out again asking for them to provide a timeline. I will update you as soon as I hear back. Please reach out with any questions or concerns. I am happy to help anyway I can.

Thank you,  
Chris

Thank you for the follow-up. Perhaps they can provide an estimated window for completion?

Chief Paulus,

Thank you for taking the time to complete the survey. I appreciate your feedback. I checked in with our permitting team and the location is currently still under review with IDOT District 1. Our permitting manager checked on the status of the review on 3/10/25. My direct number is (470) 762 - 1696 and here is a [link to my calendar](#). Please let me know if you have any questions or concerns.

Thank you,  
Chris
