Subject: Flock Contract

Chief Paulus,

Thank you for taking the time to complete the Flock survey. I apologize for a delayed response, I was out of office last week. I checked with our permitting team and they are waiting for IDOT District 1 to approve the permits. In regards to your contract I wanted to let you know that it does not start until the camera location is installed and validated. Please let me know if you have any questions or concerns. My direct number is (470) 762 - 1696.

Thank you,
Chris
