Hey Judd,

Before you send us the updated quote, can we add one more camera?

Property Name: Mardi Gras
Address: 24009 104th Ave SE, Kent, WA 98030

I have attached a photo with placement. It's a much smaller site with only one point of entry. Unfortunately, the entry way is wooded, so getting a car on entry would be rough. However, there is a light pole in the center of the parking lot that overlooks the drive. So, we were thinking of having it on vehicle exit. Please see my attached map, with drawings. Let me know if it makes sense.

Thanks,
