To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

Please provide documents that show who has access to the department's Flock deployment and the access that is enabled/disabled for each user account. The report should include all available details including, but not limited to, the following where available: User Id, Name, Role, Identity Provider, Last login, User Mgmt, Search, Device Mgmt, Hotlist Tool.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Syd Jones
