This purpose of this letter is to request an extension on agreement UA1910. The Cobb County Police Department initiated a program to have 35 license plate readers (LPRs) installed in various locations throughout Cobb County. The selection of installation sites has proven to be a little more involved, and the Department is spending more time than anticipated analyzing crime trends to ensure placement of the devices are of the utmost value.

A project schedule has been provided by the vendor, Flock Safety, with an anticipated completion date of March 16, 2020. We would like to request an extension through April 30, 2020. The April date will ensure that payment has been processed according to the County's Net30 pay schedule, so that the grant can be closed out.

Thank you for your consideration,

A handwritten signature in blue ink, appearing to read "E.S. VanHoozer".

E.S. VanHoozer
Deputy Chief, Support Operations
Cobb County Police Department
