SUBJECT: SOLE SOURCE PURCHASE REQUEST

The Police Department recently contacted ProForce Law Enforcement about the opportunity to upgrade to the newest technology in law enforcement Tasers offered by Taser International. The offer is to trade-in our last generation Tasers M-26 and X-26 for the new X2 Taser and receive a \$210.00 trade-in allowance.

Taser International has listed ProForce Law Enforcement as the only authorized dealer allowed to sell their products in California. As such they have provided a letter to attest to this (see attached) and therefore become the sole provider of the Tasers.

Therefore, Staff recommends that the City Manager waive the informal solicitation requirements for the purchase of Taser X2 and allow a sole source purchase from ProForce Law Enforcement per Purchasing Ordinance No 9-2008, Article 4, Section 3.42.170 (B) (2).
