Hi Capt. Gossard!

Big favor to ask. We'll have two "breakout" sessions for Draft One in which I'll give some background on how we developed the product responsibly, but then I want to focus most of the time on having the audience learn about your agency's experience - everything from testing, onboarding, talking to DA, etc.

Are you up for it? The two sessions are:

- 4/24 @ 11AM-12PM
- 4/25 @ 945AM-1045AM

I recognize this takes you away from other sessions so plz don't feel any pressure! But I also know you'll have some of the most insight to share. We'll most likely have 1-2 other customers on stage with you and me.

Thx in advance!

Noah
