Subject: FLOCK Request

Hello all,

Sorry for the shot in the dark request, but I'm desperately trying to ID the below vehicle with a FLOCK search. Looks like it was in the area of White Center on 5/24 at 1245 and I think it might live in North Tacoma (around Norpoint Park somewhere), and similarly was in White Center today 6/3 at 1243 and possibly returned to Tacoma around 1700. I'm hoping the rear spoiler, sunroof, and lack of front plate assist with ID, I think it's a Honda Accord maybe around 1998-2002. My case number is 2025-4512.

Thank you so much for checking.
